My Story Frances Smith, 2023-12-20 Wrought by a childhood replete with trying circumstances and telling experiences conveyed in Frances Smith's earlier book and in tandem with resultant beliefs and attitudes she held toward herself and the world she was about to enter the commencement of legal adulthood also removed any buttressing protection minority provided Too many confused and self critical assessments would ill serve this demoiselle In time those same assessments would transform into extremely harmful and life threatening situations Surviving would become a lifestyle for the author which would shape not only her world but that of those whom she held most dear Ms Smith's adulthood was remarkable because of the duality consistently displayed between her professional abilities and achievements and her personal descent into depreciation and decline This descent was birthed by a mentally imprinted sense of desperation inseminated by prevailing dogma the flawed conclusions of youthful minds and unattended hurts and breaches This tale is a cautionary account Similar to the brutality of a gauntlet one is forced to run a few key choices in the life of this young woman vaulted her into a sort of awful test Not failing would require overcoming deeply rooted beliefs and fears that sucked her backward in a downward spiral Failing the test would mean no escape from an existence that was the antithesis of living Scores of challenges the author faced in her adult life were nearly fantastical so grueling and perverse were they If any hope of victory existed this woman's constitution must contain an extraordinary will to persevere and survive Would the author discover that quality within herself or would defeat ultimately claim her This narrative relates what could be argued as the predictable plunge the author made into the depths given the memories messages and conclusions in which she was cloaked as she debuted as an adult already wearied from her life up to that point This tale also abounds in efforts equally mesmerizing which the principal made to try to save herself There is no way to imagine the unspeakable journey that was Ms Smith's adulthood This story is simply a must read

The book HIS MERCY PREVIELD MY STORY MY MISSION is an exceptional and timely one born of a rare but humbling deep personal spiritual experiences that lasted more than two decades of suffering pain sorrow passion and agony For day and night your hand was heavy upon me Psalm 32 4 yet God s mercy prevailed In sharing the privileged and humbling journey with the Crucified Jesus the book offers hope to all in the verge of despair that with trust in God most assuredly there is light at the end of the tunnel Keeping hope live is the antidote against despair Yes weeping sorrow may endure for a night but joy cometh in the morning Psalm 30 5 It profoundly elucidates the fact that sometimes our present sufferings and pains might be means God is using to purify us prepare and equip his chosen for a future full of hope and above all for our salvation Every condition no matter how bad it seems to appear has an expiration date and therefore the book encourages us in all our distress that God still holds us in his merciful hands It very eloquently states that no matter how ugly the situations we face look that is not all there is about them The problems don t tell the whole story The uncompromising and inevitable truth remains that there will be a rainbow after the storm Thus for I know the plans I have for you declares the LORD plans to prosper you and not to harm you plans to give you
