Only The Sea Keeps Poetry Of The Tsunami:

Only The Sea Keeps Poetry Of The Tsunami Ed. By Judith R. Robinson, 2005 **Only the Sea Keeps** Joan E. Bauer, 2005 Just like it takes a village to raise a child it takes an anthology as good as Only the Sea Keeps to bring the tsunami tragedy back into our hearts The media are always looking for the next disaster never staying at the same one for long For those who want not to rush past this one these poems help us to remember the dead and the survivors And we don't have to do it alone We're in the company of poets who haven't stopped caring Hal Sirowitz former Poet Laureate of Queens New York In a tremendous effort to come to terms with a natural disaster that took the life and livelihood of millions and affected the whole world this is a deeply moving collection of poems by a distinguished group of poets from across the world Encompassing themes of grief shock disbelief and the painful process of healing Only the Sea Keeps is a beautiful example of the ability of art to address tragedy The proceeds from the sale of this book will be donated to the international relief organisations working with tsunami victims survivors *NANO Fiction Volume 3 Number 1* Dorothy Albertini, Andrew Brininstool, Jimmy Chen, Stephanie Dickinson, Michael K.
