**Anthropology of the Christian Vocation** Luigi M. Rulla,Joyce Ridick,Franco Imoda,1986 This book is the product of more than twenty years of research on the anthropology of the Christian vocation This research was carried out by following over a period of several years some hundreds of candidates to the priesthood or the religious life and also lay college students in the USA This is the second volume of an interdisciplinary study As such it has its roots in both philosophy and theology as explained in the first volume The more important points of its philosophical and theological foundation find repeated and convergent confirmation in the research findings and predictions both statistical and existential presented in this second volume In this book various aspects of the Christian vocation are analyzed for example the three dimensions or habitual dispositions underlying this vocation the intrapsychic factors which seem important for the beginning of vocation perseverance growth in the internalization or assimilation of vocational values vocational crises the influence of formation on the potentiality of internalization and the influence of different vocational environments on this potentiality Each aspects of vocation analyzed in this book is followed by pastoral applications often related to the teachings of the Second Vatican Council

**Subject Guide to Books in Print** ,1991 **The Catholic Periodical and Literature Index** ,1978 Books in Print ,1982 *Phenomenology, Neuroscience and Clinical Practice* Francesca Brencio,2024-09-13 This book offers fundamental insights into three main fields of education and expertise phenomenology neuroscience and clinical practice The richness and pluralism of the contributions aim to overcome the reductionist and dualistic approach to mental health and shed new light on clinical practice Designed as both an education tool for mental health professionals and a theoretical investigation for philosophers on the use of phenomenology in clinical practice this book highlights the need for a new direction on mental health and more general on human wellbeing This volume aims to fill the gap between philosophers and mental health professionals on an educational level in a space unique in its open and transdisciplinary approach It appeals to students and researchers but also very much to professionals and clinicians in the field Book Review Digest ,1979 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded

government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher Enterprise as a Carrier of Culture Hirochika Nakamaki, Koichiro Hioki, Noriya Sumihara, Izumi Mitsui, 2019-05-08 This book expands anthropological studies of business enterprise to include comparative and interdisciplinary perspectives A number of books on business anthropology have been published but most of them are written by anthropologists alone By contrast this book engages interdisciplinary studies e g not only by anthropologists but also management scholars and other social scientists It is the second volume of studies forwarding anthropological approaches to business administration Keiei Jinruigaku This volume focusses on the cultural dimensions of enterprise Here enterprise is viewed as a medium carrying culture rather than solely an entity of production and management as is typical in mainstream studies The approach is based on Tadao Umesao's definition of culture as a projection of instruments devices and institutions into the mental spiritual dimensions of life Therefore in our view production and management are among the projections of the cultural aspects of enterprise This perspective we believe constitutes a new frontier in the study of business administration This book consists of three parts the first being religiosity and spirituality the second exhibitions performance and inducement and the third history and story In Part I Quaker Codes ex votos and spiritual leadership are discussed in relation to management and behavior and miracles and pilgrimage Part II describes exhibitions justifying nuclear power industry within power plants in both Japan and England the exhibition by English families of their porcelain collections and the performance skills of orchestral maestros All of these examples indicate that through the use of narratives and myths exhibits and performances overtly and covertly induce visitors or audiences to certain viewpoints and emotions Part III offers examples of histories and stories of enterprise articulated through the branding and consumption of industrial products and their display in enterprise museums where the essence of culture and heritage is cherished and emphasized by and for the wider community and the enterprise itself Conjoined as an interdisciplinary team of Western and Japanese researchers we apply an anthropological approach to the cultural history of enterprise in both Britain and Japan Working More Creatively with Groups Jarlath Benson, 2009-10-16 A new edition of the classic group work textbook In Working More Creatively with Groups Jarlath Benson presents the essential knowledge required to set up and work with a group He looks at how to plan and lead a group successfully and how to intervene skilfully As well as covering the different stages in the life of a group the book emphasizes the various levels of group experience and gives suggestions for working imaginatively with them This thoroughly updated third edition not only provides a comprehensive guide to groupwork but shows the groupworker how to move on to more in depth and intensive work using a variety of strategies illustrated by full clinical vignettes Many chapters are updated and expanded to include Benson's latest thinking and teaching and the book includes two new chapters The first focuses on working with and developing different

sorts of groups along the therapeutic educational continuum The second new chapter discusses how to best use a supervisory process and set up and run a supervisory group Well known and widely used by social workers psychologists educationalists and youth workers this popular text is suitable for all those working with groups

*Consciousness-Based Leadership and Management, Volume 2* Anil K. Maheshwari, 2023-08-17 This two volume set examines the need for a consciousness based view of leadership which emphasizes universal human flourishing as opposed to a resource based view which focuses on sustaining a competitive advantage This approach is built around three main principles 1 Paradigm Consciousness is primary including complementary existence of opposites 2 Social Interpersonal focusing on empathy and compassion and 3 Individual experiencing Oneness and expressing creativity Volume Two is divided into two sections Each section offers a mix of qualitative and quantitative studies The first section focuses on consciousness based development of organizational capabilities such as ambidexterity flow and work life balance The second section is focused on organizational interventions such as reinvention meaning making well being and sustainability Aligning leadership practices with the notion of an unbounded consciousness this edited collection will extend literature on organizational culture leadership and sustainability contributing to solving the grand challenges facing humanity
