Personal Memoirs Of Robert E Lee:

Memoirs of Robert E. Lee: His Military and Personal History Armistead Lindsay Long, 2015-09-04 This book is an interesting addition to the voluminous biographical literature of the war that has been made in the *Memoirs of Robert E Lee* General A L Long of the Confederate Army was a friend and fellow soldier of Lee This large volume has been written under great difficulties the author having lost his sight but like some more eminent American historians who have worked under similar disadvantages he has not slighted his task but has made diligent use of a great body of material The work is not autobiographical of course but makes large use of the words and records of General Lee Its value rests in its full clear and enthusiastic presentation of the character and career of one of the most remarkable men of a great epoch Included are also the full official Reports of Gen Lee with copious selections from his confidential letters dispatches and official communications never before published the only official record of the closing years of the war *Memoirs of Robert E. Lee* Long A. L., 1901 *Memoirs of Robert E. Lee* Armistead Lindsay Long, Marcus Joseph Wright, 1886 **Personal Memoirs of Robert E. Lee** A. L. Long, 1994-07-01 Describes Lee s actions at Second Bull Run Antietam Fredericksburg Chancellorsville Gettysburg Cold Harbor Petersburg and Appomattox **Memoirs of Robert E. Lee** A. L. Long, 1886 Biografi over den kendte sydstatsgeneral Robert E Lee fra hans opv kst i Stratford Hall Virginia frem til hans d d 1870 i Lexington Virginia *Memoirs of Robert E. Lee, His Military and Personal History* A. L. Long, 2017 **Memoirs of Robert E. Lee** A. L. Long, 2017-10-16 Excerpt from *Memoirs of Robert E Lee His Military and Personal History* To overcome the inactivity to which loss of sight has for some years subjected me I have sought occupation in recording the recollection of familiar events Having obtained a slate prepared for the use of the blind I soon learned to write with a moderate degree of legibility In order to excite a pleasing interest in my work I undertook something that might prove of future benefit Having served on General Lee s personal staff during the most important period of his military career I began an eye witness narrative of his campaigns in the war between the States In the execution of my work I received valuable assistance from my wife and daughter my two sons and Miss Lucy Shackelford now Mrs Charles Walker all of whom lovingly and faithfully served me as copyists and readers I am also indebted to Colonel C S Venable of General Lee s staff Major Green Peyton of Rodes s staff and Major S V Southall of my own staff for indispensable aid in reviewing my manuscript informing me of facts that had not come to my knowledge or reminding me of such as had escaped my recollection My work is now completed and I offer it to the public hoping it may prove of value as a record of events which passed under my own observation and many of which have been described directly from my notes made at the time of their occurrence It is not intended to be a history of the war in detail but a statement of my personal knowledge of General Lee s life actions and character and of the part played by him in the great events of which he was the ruling spirit About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work

Lee* J. William Jones,2004-03 When Robert E Lee passed on without setting pen to paper on his memoirs both North and South alike were deprived of a classic personal history of the War Between the States worthy to sit on the shelf next to Ulysses S Grant s *Personal Memoirs* The Reverend J William Jones Lee s chaplain compiled this collection of reminiscences in its place as a memorial volume commemorating his death Filled with correspondence with President Andrew Johnson General Grant and C S A Generals Scott Beauregard and Longstreet and personal anecdotes from Lee s wartime contemporaries such as Jubal

Early Jeb Magruder Jefferson Davis and Winfield Scott What comes to light is a personal portrait of Lee as family man gentleman scholar and soldier as well as an eyewitness account of the war that threatened to tear the United States asunder as witnessed by the South's greatest military leader The Reverend J William Jones D D was the chaplain of the Army of Northern Virginia under the command of General Robert E Lee and after the Civil War served as chaplain for Washington College in Virginia under Lee's presidency It was my proud privilege to have known General Lee intimately I saw him on that day in April 1861 on which he came to offer his stainless sword to the land that gave him birth I followed his standard from Harper's Ferry in 1861 to Appomattox Court house in 1865 coming into somewhat frequent contact with him rejoicing with him at his long series of brilliant victories and weeping with him when compelled to yield to overwhelming numbers and resources This first attempt at authorship is sent forth with a sincere desire that it may prove acceptable to the countless admirer of the great Confederate chieftain that it may serve to give to all a higher appreciation of his noble character and that it may prove a blessing to the young men of the country more especially to those who wore the gray by inducing them to study in order that they may imitate his shining virtues *Memoirs of Robert E. MEMOIRS OF ROBERT E LEE Marcus Joseph 1831-1922 Wright,2016-08-28 *Memoirs of Robert E. Lee* A. L. Long,2011

One of the noblest Americans who ever lived and one of the greatest captains known to the annals of war Thus did Winston Churchill once describe the Confederacy s most illustrious commander Robert E Lee Few people today would disagree with Sir Winston s verdict and it is therefore small wonder that historians have always lamented the fact that Lee who died only five years after his surrender to Ulysses S Grant at Appomattox Court House was never able to write his projected personal memoir of the central role he played in the Civil War The result has been that for intimate glimpses of this great general in action for an understanding of the living man behind the official dispatches we are almost wholly dependent on the recollections of his close comrades in arms Fortunately several of these exist and probably the most detailed and revealing of all are those recorded by General Armistead L Long in his classic *Memoirs of Robert E Lee* Long a fellow Virginian served as Lee s personal military secretary from early 1862 to late 1863 He was therefore continuously at Lee s side during all of Marse Robert s most famous victories The Seven Days Battles Second Bull Run Antietam Fredericksburg and Chancellorsville as well as during his bitterest defeat Gettysburg And even after Long returned to field command in the Army of Northern Virginia the two friends remained in close contact until the end of the war and indeed for the rest of Lee s life This handsomely illustrated new edition of Long s *Memoirs* is a shortened version of the original biographical matter relating to Lee s background and early life material which Long in any case supplied only because his publisher requested it has been summarized by the editor and much peripheral matter such as statistical tables the full texts of official correspondence and extended quotations from other writers has been deleted But what remains vivid first hand portraits of Lee fighting his most famous battles as well as Long s personal assessment of Lee as a soldier is just as the author set it down over a century ago
