Personal Relationship With God:

My Father and Your Father William Landon,2003-10-20 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God s greatest desire for us It is Bill Landon s hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help *How to Have a Personal Relationship with God* Wendy Stefano,2011-04-17 How to Have a Personal Relationship with GOD is written to Christians and non Christians alike in an effort to reach those from all walks of life regardless of religious persuasion The goal of the book is to reach out to those who are lost and show them how they can know GOD more intimately as it teaches step by step How to Have a Personal Relationship with GOD The book will establish the reader in the truth according to GOD s Word as it pertains to salvation It will impart knowledge and revelation based on the Bible giving readers the necessary tools to change their lives for the better **Personal God** Tim Stafford,2010-08-03 What do you mean when you say you ve got a personal relationship with God Have you thought through the implications of that statement We ve heard it repeated so often that for many of us it has become just another Christian buzz phrase But stop and think A personal relationship with GOD Really Personal how How personal is it for you Can a finite human being really have a personal relationship with a Being who stands outside the universe and inside the atom who covers the earth with living things and touches the human heart with life Is this just a pious fiction or can we really know and be known by this God personally *Having a Personal Relationship With God* Ms. Zelia Champ,2007-02-07 Having A Personal Relationship With God is my account of how one can truly be successful in life by having a certain state of consciousness In the King James Version of the Bible Isaiah 26 3 states Thou wilt keep him in perfect peace whose mind is stayed on thee because he trusteth in thee The mind is the standard of the man and woman God works through our mind He blessed us with this wonderful gift called the mind Maintaining a close mental and spiritual consciousness with God is the key to an individual holding on to a positive attitude and will to be true and do the right thing Having this relationship with God will ensure a couple in acquiring and maintaining a prosperous and happy marriage The scripture Genesis 11 6 brings into full fruition my book Having A Personal Relationship with God Building a Personal Relationship with God Johnson Mbabazi Frsph,2019-09-14 The Bible shows you the way to salvation with a special focus on

where you stand with God how your sin keeps you from knowing him and how Christ connected the gap between humanity and God This book explains how you can rebuild a strong relationship with God This can only be achieved by initiating your journey with genuine strong faith If you build a strong relationship with God God will guide you through challenges and storms using the Holy Spirit If God causes a situation to fail is using that situation for you teach others and rescue others in similar positions and elevate you only by his will provided it is God s will and not your will This means you are not the causation of a situation It must be entirely God s will to build a strong relationship with you There must be strong faith trust and loyalty A strong relationship with God is built through fearing Him to acquire wisdom and understanding praying without ceasing fasting meditating the scripture and practising what you understand only by his word The best relationship is built with God is through understanding his mind than rather than his acts or ways You need to understand God s mind to grow that intimate relationship with God as he is the author of his own mind *Jesus Is for Everybody* Sophia White,2008-05 Sophia White writes about the development of her personal relationship with God in terms of life rather than religion She heartily encourages everyone to know God through the life of Jesus Christ whose ministry brought revelations from God to the world It was important for God to illustrate how we must rely upon one another to survive Once we are able to identify with his common sense approach to Gods love we are enabled to approach one another with love The earths population consists of billions of individuals with the ability to do anything at any time thanks to the God given gift of free will However there is an accepted natural world order that was designed by God Since the death of Jesus Christ many events have shown this natural order and humanitys extensive communication with God through him JESUS is for Everybody helps illustrate the contents of the Bible that are related to topics being discussed in the media today The relationship between God and humans has existed since the beginning of time so when a personal relationship with God is established and based solely upon matters of the heart stability is achieved **Pursuing Intimacy With God** Kevin Bart,2018-11-27 New Edition Improved format and 40% more material Pursuing Intimacy With God Bible study books your help is much appreciated and I am so grateful towards you for this John Ireland I will certainly join in praying for this study and for you as you continue to work with it as the Lord directs Those weeks of study were so very meaningful to me Reid US Hi Thank you for publishing this great material Johan South Africa Praise the Lord Please I request a copy of your wondrous book Meshak Uganda God and You Anthony M. The Soul's Sincere Desire Dr. Beletia Marvray Diamond, 2022-08-01 The Soul's Sincere Desire Establishing a Personal Relationship with God explores the promises the privileges the advantages of establishing and maintaining a personal relationship with God Prayer is quite often viewed as subject matter for discussion in Sunday Church school weekly Bible studies or it is even preached during Sunday morning sermons It appears the early disciples of Jesus in their daily interaction and observation of Jesus their leader teacher believed themselves to be deficient in prayer When asked to teach them to pray Jesus began his teaching with much confidence adamantly uttering Our Father who art in heaven hallowed be thy name There are many people who believe themselves superior to others Jesus taught relationship with God is inclusive experiential and experimental Looking for God Alexys V. Wolf, 2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer For a newborn Christian or non believer being tossed into the sea of confusion when it comes to the mysteries of God and the fleshy church can be daunting enough to have anyone run the other way Maybe you are confused by different religions or find hypocrisy in the church Maybe you find your relationship with God leaves you feeling bored and lifeless or the hype surrounding the church does not meet your needs Whatever your reason for lacking a personal relationship with God you can still learn the tools to strengthen build and mend a spiritual union with your Creator While many straddle the fence between religion and spirituality author Alexys V Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God Learn to walk in divine light and authority grow the courage to live a fulfilled life of peace and understanding without judgment and develop patience and wisdom with your fellow believers By creating a private bond with God you will hunger for the Word and never again get lost in the mundane world of man made religion By learning to die to the flesh and accept God's powerful association in your life you will no longer be lost at the crossroads of religion rather you will develop a friendship like none other with the Father and radiate a light that will shine for others Challenge yourself now to Look for God **Cultivating an Intimate Relationship with God** Dr. Guillermo Maldonado, 2022-11-08 Satisfy the deepest longing of your heart Many believers feel frustrated in their Christian lives They go through spiritual disciplines and religious practices but do not feel closer to God This life of dead religion is not what you were made for The Spirit of the Lord is inviting you today to experience closeness with God like never **Discover Christ** Bert Ghezzi, Dave Nodar, 2011-11-23 What is the meaning of life Why do I need a savior Why is the Resurrection important What does it mean to believe and belong Why does Jesus matter Many people have lost their sense of purpose in life or perhaps never took the time to develop one in the first place Through personal stories Scripture and testimonies the authors invite readers to find their purpose in a personal relationship with Jesus Christ Discover Christ proposes that we find our identity and purpose in a God who is personal to the core The book presents a God who didn't just send the broken world a set of rules or a plan of social action but who sent a person whose name is Jesus Christ Whether you are skeptical of religious faith or a life long believer Discover Christ will challenge you to take a fresh look at what Jesus said and did and what that

means for you **A Personal Relationship** Claude Pitout,2013-07-24 This is no idea or new concept A Personal Relationship involves and teaches one on a path that is not religious that one need not necessarily need to go to church in order to believe in God but that one can have a personal relationship with God in the comfort of their home and thus came about the name A Personal Relationship A personal relationship being non religious does not matter what religion faith or path you are from as not only are all these paths but part of the stream that lead to the ultimate source but that a personal relationship should be the base to all religions faiths or paths as it is your one on one personal experience with God that matters A Personal Relationship provides one with a basic foundation rooted in belief trust and faith and then goes on to teach one crucial aspects to a relationship with God like gratitude and forgiveness The book then takes you into a path of goodness and talks about the principle to love one another to bring you into right relation with God so that you can have a fruitful and fulfilling path and life with God **Born Again** Charles Morris,2020-03-02 BORN AGAIN It was 01 00 a m as I knelt next to my bed and my pounding heart felt like it was seeking a way through my throat My brain was in overdrive trying to process what was happening It was decision time as I faced the crisis of faith Do I choose eternity with God or continue a life of alcohol and drug addiction Eternity with God or the nefarious fame and wealth of a drug dealer What will I choose Heaven or Hell Hot tears make their way down my cheeks Oh God help me to know if you are real and if Jesus Christ is Your Son and my Savior show me now Jesus save me I give You my life Then God s suddenly happened It was as swift and warm as summer breeze flowing inland from the ocean It was calming and peaceful as warm oil being poured over my head and dripping down my shoulders until it thoroughly washed over me Then the Father s presence descended heavy from the top of my head to the tips of my toes I continued to weep but now it was tears of joy and relief I knew that I had just experienced the new birth AM I REALLY SAVED Was it real How can I be sure I m a Christian How do I know that I am born again Can I be saved without fear and doubt What is the evidence of being a Christian other than I prayed a prayer Jesus said some would do seemingly Christian things in His name but Jesus proclaims that they do not know Him and He does not know them BORN AGAIN is divided into four sections SECTION 1 Examining Ourselves To Guarantee We Are In The Faith SECTION 2 The Five Evidences Of Salvation SECTION 3 The Fruit Of The Holy Spirit SECTION 4 God s Master Plan Of Salvation This book is a Bible study on salvation with a list of Bible verses on the assurance of salvation BORN AGAIN incorporates the Romans Road verses to salvation using KJV ASV and ESV scriptures and is about experiencing God and knowing and doing His will This book is filled with Bible verses teaching us how to develop and about having a personal relationship with God What was Christ s strategy for evangelism Maybe like me you have been questioning evangelism methods used today What is God s master plan of evangelism Conversational evangelism brings witnessing down to asking three questions Do you believe you are a sinner Do you believe that Jesus Christ is the Son of God and God Do you believe there a judgment of hell for all who reject God s gift of salvation We share the prayer for salvation Bible verses and how it is important that we pray the

prayer of faith This book will show you the elements that make up a testimony and guide you through the process of writing your personal testimony and share it in a matter of minutes Developing a Personal Relationship with God Richard Elliott,2023-11-10 The author s second book DEVELOPING A PERSONAL RELATIONSHIP WITH GOD THE ONE WHO CREATED THE UNIVERSE is a follow up to his first book REFLECTIONS ON LIFE In the first book the author found the answer to Who am I which led him to develop a firmly grounded belief system and deepen his understanding of Who is God In the second book the author shares his personal spiritual journey to develop a personal relationship with God The author believes that humanity is not capable of fully comprehending who or what God is and that the names humanity has given their gods are the gods they understand The author is a Christian but believes that his understanding of God is limited by Christian theology He believes that to develop a personal relationship with God he must go beyond his limited understanding of his Christian God and develop a relationship with the God that is just beyond his understanding The book is divided into five chapters with Chapter 1 focusing on how God s revelations revealed His existence to all humanity and all religions Chapter 2 focuses on Jesus Christ as God s living presence who models and teaches humanity how to coexist Chapter 3 focuses on the Holy Spirit which is in all of creation and every human being and where one can develop a personal relationship with God Chapter 4 puts everything together and Chapter 5 provides final thoughts and emphasizes the importance of developing *God's Design for the Highly Healthy Teen* Walter L. Campbell,2020-02-12 Each one of us either know our earthly father personally or we have a vision of him from

what we have been told about him The same applies about our heavenly Father We go to church and conventions and listen to messages about how good our heavenly Father is and what He will do for us yet many of us need to develop a personal relationship with Him Some of us have a relationship with our heavenly Father however there is a need for a more intimate relationship but we are afraid to draw closer because of our mistakes and unfaithfulness God My Father talks about where we first began spiritually our natural birth and the stages to our rebirth in the Spirit God s unconditional love is shown through the struggles of life before and after rebirth as the author shares her spiritual journey and God s mercy shown to her Your heavenly Father loves you He yearns to have an intimate relationship with you too **Personal God** Tim Stafford,2008

It is an astonishing claim to say one can have a personal relationship with God When you say you have a personal relationship with a famous person it means you can get to that person outside of official channels you can call him at home Other people may know him by reputation but you know him You are not just associates you are friends and this is the promise God holds out to every Christian and everyone who wants to become a Christian **A Personal Relationship** Claude Henry Norman Pitout,2015-03-03

In life we are all searching for something and in life there is something we all need and may be lacking we live our stressful lives in search of wealth for temporary comfort and worldly desires in search of pleasure yet there is something we all need and are lacking The thing I feel we all search for and may be lacking is love the greatest command was to love God and I say be loved by Him in return we all search to love and be loved through a personal relationship with God we come to find love not only is God love but we begin to love God and God loves us in return finding the highest form of love In order to have an experience with God one does not necessarily need to live a religious lifestyle or have to go to church but that rather through talks prayers and communion with God one can form and have their very own personal relationship with God their dad A personal relationship is based around and rooted in belief faith and love and helps one to learn to trust and rely on God on a day to day basis in your life In order to be in right relation with God and to live and experience the fullness of God s favour and blessings A personal relationship teaches one the wisdom of the importance of a path of goodness to be a good person and to always give out and do good it then takes you into the principle to love one another as we wish to be loved in order to be in right relation with God A personal relationship with God does not matter what religion faith or path you are from as all the streams of a river but lead to the ultimate source God and as a personal relationship should be the base to any religion path or faith as are you just religious or do you truly have a relationship with your God A personal relationship with God is a one on one personal experience that we have with God our father and dad and can be done in a quiet moment where we find the space and time or even when we find a peaceful moment like watching the sun set over the ocean there in this space and time there in a peaceful moment we enter talks and prayers with God where we get to know and experience God on a close and personal level and God likewise gets to know and experience us on this same level in the comfort of our own home not in any congregation or gathering **Examining Schellenberg's Hiddenness**

Argument Veronika Weidner, 2018-12-29 This book examines the so called hiddenness argument of the Canadian philosopher John L. Schellenberg. The hiddenness of God is a topic evincing a rich tradition in the monotheistic religions of Judaism, Christianity, and Islam. Rather recently an argument emerged claiming that the hiddenness of God reveals on closer inspection the non-existence of God. Some say that Schellenberg's hiddenness argument is likely as forceful as the argument from evil, rendering theism rather implausible or even false. In this book an account of the traditional theistic notion of divine hiddenness is presented which contrasts sharply from Schellenberg's use of the term. Moreover, a well-needed detailed exposition of the premises of the hiddenness argument is offered, thereby preparing the ground for an even more in-depth future hiddenness debate. Furthermore, a reply to the argument is given which challenges the truth of one specific subpremise according to which belief that God exists is necessary in order to personally relate to God. Even though a plausible case is made that the hiddenness argument is unsound, it is beyond dispute that the argument deserves more serious reflection by theists and atheists alike.
