W. Krey, Thomas Ryan, 2013-08-11 This is the second volume of *The Bible in Medieval Tradition BMT* a series that aims to reconnect the church with part of its rich history of biblical interpretation Ian Levy Philip Krey and Thomas Ryan's *Letter to the Romans* presents the history of early and medieval interpretations of Romans and gives substantial translations of select medieval commentaries Written by eight representative medieval interpreters between the ninth and fourteenth centuries these commentaries have never been translated into English before This valuable book will enhance contemporary reading of the Bible even as it lends insight into medieval scholarship As Levy says the medieval commentaries exhibit qualities that many modern commentaries lack a spiritual depth that reflects their very purpose namely to read Holy Scripture within the sacred tradition under the guidance of the Holy Spirit *The Fate of King David* Tod Linafelt, Timothy Beal, Claudia V. Camp, 2010-07-01 Celebrating the five hundredth volume this *Festschrift* honors David M Gunn one of the founders of the *Journal of Old Testament Studies* later the *Library of Hebrew Bible Old Testament Studies* and offers essays representing cutting edge interpretations of the David material in the Hebrew Bible and later literary and popular culture Essays in Part One Relating to David present David in relationship to other characters in Samuel These essays demonstrate the value of close reading analysis of literary structure and creative disciplined readerly imagination in interpreting biblical texts in general and understanding the character of David in particular Part Two Reading David expands the narrative horizon These essays analyze the use of the David character in larger biblical narrative contexts David is understood as a literary icon that communicates and disrupts meaning in different ways in different context More complex modes of interpretation enter in including theories of metaphor memory and history psychoanalysis and post colonialism Part

Three Singing David shifts the focus to the portrayal of David as singer and psalmist interweaving in mutually informative ways both with visual evidence from the ancient Near East depicting court musicians and with the titles and language of the biblical psalms Part Four Receiving David highlights moments in the long history of interpretation of the king in popular culture including poetry visual art theatre and children s literature Finally the essays in Part Five Re locating David represent some of the intellectually and ethically vital interpretative work going on in contexts outside the U S and Europe

Hiestand, Todd A. Wilson, 2015-06-23 Pastoral ministry today is often ruled by an emphasis on short sighted goals pragmatic results and shallow thinking Unfortunately those in the academy tend to have the opposite problem failing to connect theological study to the pressing issues facing the church today Contemporary evangelicalism has lost sight of the inherent connection between pastoral leadership and theology This results in theologically anemic churches and ecclesial anemic theologies Todd Wilson and Gerald Hiestand contend that among a younger generation of evangelical pastors and theologians there is a growing appreciation for the native connection between theology and pastoral ministry At the heart of this recovery of a theological vision for ministry is the re emergence of the role of the pastor theologian The Pastor

Theologian presents a taxonomy of the pastor theologian and shows how individual pastors given their unique calling and gift set can best embody this age old vocation in the 21st century They present three models that combine theological study and practical ministry to the church The Local Theologian a pastor theologian who ably services the theological needs of a local congregation The Popular Theologian a pastor theologian who writes theology to a wider lay audience The Ecclesial Theologian a pastor theologian who writes theology to other theologians and scholars Raising the banner for the pastor as theologian this book invites the emerging generation of theologians and pastors to reimagine the pastoral vocation along theological lines and to identify with one of the above models of the pastor theologian *Finding Voice* William B. Kincaid, 2012-11-30 In *Finding Voice* Kincaid employs an often used but somewhat elusive metaphor voice as a way of speaking of pastoral identity and contends that a lively imaginative pastoral voice emerges from a thorough grasp of context theology pastoral roles personal journey and systemic dynamics Designed as a text for the field education contextual education and supervised ministry experiences of seminary students and others preparing for congregational leadership *Finding Voice* examines in depth how people are experiencing each of these constituent parts of pastoral voice at their student ministry sites not only to learn about each of the areas but also to recognize and understand what is being called forth in the students as they engage these five key experiences and begin to visualize their future ministry The book further explores the opportunities created when the five aspects of pastoral identity are in conflict with one another In the absence of any one of these or the imbalance of them pastoral voice gets skewed and vibrant effective ministry is undermined *Finding Voice* urges students to begin now with field education to engage a practice of ministry that is imaginative courageous nimble and faithful **Elenchus of Biblica**, 2004 *The Word Militant, paperback edition* Walter Brueggemann, 2010-10 Against the easy assurance of a too enculturated religion Walter Brueggemann refocuses the preaching task around the decentering destabilizing always risky Word that confronts us in Scripture if we have the courage to hear **Feasting on the Word: Year A, Volume 3** David L.
