*Reports of All the Cases Decided by All the Superior Courts Relating to Magistrates, Municipal, and Parochial Law Great Britain. Magistrates' cases, 1889*      **Trinitarian Personhood** Bill Ury, 2002-02-01 The concept of the person is a crucial yet elusive component in the development of Western thought Few concepts are as replete with definitional difficulty Equally important is the application of a proper definition to all major Christian doctrinal commonplaces This work recognizing the insufficiency of modern theology to offer a cogent concept of person proposes a thorough historical and theological evaluation of Trinitarian personhood presented in three critical paradigm shifts by which one can measure the development of the idea of true personhood presented The three watershed eras of discernment of divine personhood presented are seen here as first the Cappadocian position of the mutual indwelling perichoresis of the divine persons is contrasted with Augustine's view of the place of relations in defining divine persons Second the ideas of Richard of St Victor whose caritas consummata and its relational implications met the nemesis of the Thomistic category of subsistent relations And last as an example of this important discussion in modernity the German Heribert Mhlen's dynamic phenomenological approach to Triune personhood is offered as a means of countering the implicit modalisms of Barth and Rahner If the personhood of God is in essence Being in Another then Christianity must apply that ontology to all sectors of reality to be fully Christian

Let the People Rule: Theodore Roosevelt and the Birth of the Presidential Primary Geoffrey Cowan,2016-01-11

The best new discussion of the primary system Jill Lepore author of *These Truths* In 1912 Theodore Roosevelt came out of retirement to challenge William Howard Taft for the Republican nomination TR seized on the campaign theme Let the People Rule a cry echoed in today s elections and through the course of his run helped create thirteen new primaries Though he won most of the primaries party bosses proved too powerful and Roosevelt walked out of the convention to create his own Bull Moose Party only to make the shocking political calculation to ban black delegates from his new coalition In *Let the People Rule* Geoffrey Cowan takes readers inside the dramatic campaign that changed American politics forever

**Divergences in Private Law** Andrew Robertson,Michael Tilbury,2016-01-28 This book is a study of doctrinal and methodological divergence in the common law of obligations It explores particular departures from the common law mainstream and the causes and effects of those departures Some divergences can be justified on the basis of a need to adapt the common law of contract torts equity and restitution to local circumstances or to bring them into conformity with local values More commonly however doctrinal or methodological divergence simply reflects different approaches to common problems or different views as to what justice or policy requires in particular circumstances In some instances divergent methodologies lead to substantially the same results while in others particular causes of action defences immunities or remedies recognised in one jurisdiction but not another undoubtedly produce different outcomes Such cases raise interesting questions as to whether ultimate appellate courts should be slow to abandon principles that remain well accepted throughout the common law world or cautious about taking a uniquely divergent path The chapters in this book were originally presented at the Seventh Biennial Conference on the Law of Obligations held in Hong Kong in July 2014 A separate collection entitled *The Common Law of Obligations Divergence and Unity* ISBN 9781782256564 is also being published
