**Home Rule from a Transnational Perspective: The Irish Parliamentary Party and the United Irish League of America, 1901-1918** Tony King, 2021-01-05 When John Redmond declared No Irishman in America living 3 000 miles away from the homeland ought to think he has a right to dictate to Ireland the Irish leader unwittingly made a rod for his own back In denying the newly established United Irish League of America any input into party policy formulation Redmond risked alienating the nation s largest diaspora should a home rule crisis ever occur That such a situation developed in 1914 is an established fact That it was the product of Redmond s own naivety is open to conjecture Home Rule from a Transnational Perspective The Irish Parliamentary Party and the United Irish League of America 1901 1918 explores the Irish Party s subordination of its American affiliate in light of the ultimate demise of constitutional nationalism in Ireland This book fills a void in Irish American studies To date research in this field has been dominated by Clan na Gael and the Irish Revolutionary Brotherhood particularly the transatlantic links that underpinned the Easter Rising in 1916 Little attention has been paid to the Irish party s efforts to manage the diaspora in the years preceding the insurrection or to the individuals and organisations that proffered a more moderate solution to the age old Irish Question Breaking new ground it offers a fresh and interesting perspective on the fall of the Home Rule Party and helps to explain the seismic shift towards a more radical approach to gaining independence This book is essential reading for anyone interested in Irish America diaspora studies Irish independence and or home rule It complements the existing historiography and enhances our knowledge of a largely understudied aspect of Irish nationalism

**America in Perspective** David Sokol, Adam Brandon, 2022-07-26 America in Perspective argues without hesitation that America s best days are ahead if only we can continue to embrace the ideas and values that got us here in the first place When faced with challenges and conflict our system of government allows us to self correct and self heal and world history shows that this approach is uniquely American Today essential American values are being discredited such as the American Dream and our meritocratic spirit America in Perspective reviews American history warts and all and presents a path forward for modern America to secure a

free and prosperous future for the next generation of Americans      *North American Borders in Comparative Perspective*  
Guadalupe Correa-Cabrera, Victor Konrad, 2020-04-07 The northern and southern borders and borderlands of the United States should have much in common instead they offer mirror articulations of the complex relationships and engagements between the United States Mexico and Canada In *North American Borders in Comparative Perspective* leading experts provide a contemporary analysis of how globalization and security imperatives have redefined the shared border regions of these three nations This volume offers a comparative perspective on North American borders and reveals the distinctive nature first of the overportrayed Mexico U S border and then of the largely overlooked Canada U S border The perspectives on either border are rarely compared Essays in this volume bring North American borders into comparative focus the contributors advance the understanding of borders in a variety of theoretical and empirical contexts pertaining to North America with an intense sharing of knowledge ideas and perspectives Adding to the regional analysis of North American borders and borderlands this book cuts across disciplinary and topical areas to provide a balanced comparative view of borders Scholars policy makers and practitioners convey perspectives on current research and understanding of the United States borders with its immediate neighbors Developing current border theories the authors address timely and practical border issues that are significant to our understanding and management of North American borderlands The future of borders demands a deep understanding of borderlands and borders This volume is a major step in that direction Contributors Bruce Agnew Donald K Alper Alan D Bersin Christopher Brown Emmanuel Brunet Jailly Irasema Coronado Guadalupe Correa Cabrera Michelle Keck Victor Konrad Francisco Lara Valencia Tony Payan Kathleen Staudt Rick Van Schoik Christopher Wilson      Historical perspective of early twentieth century Carboniferous paleobotany in North America William Culp Darrah, Paul C, Robert Herman Wagner, 1995
