Perspectives In Business Ethics International Edition:

Business Ethics and Values Colin M. Fisher, Alan Lovell, 2009 Blending academic theory with real world cases the third edition of this book provides a self contained course in business ethics The book is suitable for undergraduate and postgraduate students with or without practical experience in the business world **Business Ethics: An Indian Perspective** A. C. Fernando, 2009 Business Ethics An Indian Perspective introduces ethical concepts that are relevant to resolving moral issues in business It sensitizes readers on ethical principles and develops reasoning and analytical skills needed to apply ethical concepts to business decisions The book is interspersed with a lot of case studies more specifically Indian scenarios making it relevant for Indian students The chapter topics cover ethical theories underlying business application of ethics in day to day business ethics and the environment and ethics in consumer protection It also features ethical issues in various managerial functions such as finance human resource and marketing A separate chapter on the IT sector specifically addresses the ethical dilemmas of today's upcoming industry **Understanding Business Ethics** Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 Understanding Business Ethics Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment Authors Peter A Stanwick and Sarah D Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks a global perspective real world business cases comprehensive ethics topics and a consistent theme linking each chapter Whether it's uncovering the intricate relations between businesses and their stakeholders discussing the effects of financial reporting or exploring the ethical implications of information technology marketing human resources and the natural environment this textbook equips readers with a robust ethical framework for the business world Additionally the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions This text is offered in Sage Vantage an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support Watch this video walkthrough and see how Vantage works **Perspectives in Business Ethics** Laura Pincus Hartman, 1998 Combining expository coverage of ethical theory with a mixture of articles short and long cases this volume also includes non traditional material such as lyrics and excerpts from classical literature to provide perspectives on ethical issues in a variety of different formats **Professionals' Perspectives of Corporate Social Responsibility** Samuel O Idowu, Walter Leal Filho, 2009-10-21 Since the general acceptance of the field of corporate social responsibility worldwide corporate entities and those who act for them either as executives or ordinary employees are expected to be socially responsible Being socially responsible has a number of quantifiable and unquantifiable benefits for the entity and its stakeholders It improves the entity's bottom line results protects jobs and is also better for the environment As such it makes good sense for professionals and those that they interact with as colleagues suppliers of goods and services

lenders etc to want to take the issue of CSR seriously This perhaps explains why this book has chosen to explore how 19 professions across the world have integrated and continue to impress upon their staff the importance of CSR in their operational activities We are constantly reminded that our world's natural resources are exhaustible we can therefore no longer live for today alone if we do not want to cause substantial problems for future generations *Corporate Behavior and Sustainability* Güler Aras, Coral Ingley, 2016-10-04 Companies can no longer expect to engage in dubious or unethical corporate behaviour without risking their reputation and damaging perhaps irrevocably their market position Irresponsible corporate behavior not only deprives shareholders of long term returns but also ultimately imposes a cost on society as a whole Sustainable business is about ensuring that entities contribute toward positive social environmental and economic outcomes Bad business behaviour is costly for stakeholders for markets for society and the economy alike To ensure that a company behaves well the buy in of the leadership team is crucial The full commitment of the board of directors in conjunction with the senior managers of the organization is required if an organization is to be socially responsible In this sense leadership does not reside with an individual the CEO within the organization but with all of those at the apex of corporate power and control Effective change management requires enlightened and capable leadership to instigate and drive the process of embedding a sustainable and socially responsible corporate philosophy and culture that supports good business decision making A profound understanding of the requirements of such a leadership process will help corporate managers become highly effective change agents Governance will be the main driver of this change For the economy and financial markets to become sustainable and resilient radical changes in corporate leadership need to take place Integrated reporting government regulation and international standards will all be important factors in bringing about this change As well as understanding the effects of corporate behavior on financial markets such an understanding is also now imperative in relation to the social and environmental contexts *Ethical and Social Perspectives on Global Business Interaction in Emerging Markets* Al-Shammari, Minwir, 2016-02-10 Societal demands needs and perspectives of ethical and socially responsible behavior within business environments are a driving force for corporate self regulation As such executives must consistently work to understand the current definition of ethical business behavior and strive to meet the expectations of the cultures and communities they serve *Ethical and Social Perspectives on Global Business Interaction in Emerging Markets* compiles current research relating to business ethics within developing markets around the world This timely publication features research on topics essential to remaining competitive in the modern global marketplace such as corporate social responsibility corporate governance consumer behavior understanding and ethical leadership and how all of these components attribute to the decision making process in business environments Business executives and managers graduate level students and academics will find this publication to be essential to their research professional and educational needs

Perspectives on Ayn Rand's Contributions to Economic and Business Thought Edward W. Younkins, 2020-07-06 Ayn Rand

wrote and lectured on economic concepts and topics This volume addresses the economic and business aspects of her writings The authors of this anthology are from a variety of fields and all of them are enthusiastic supporters of her ideas

Business Ethics Alan R. Malachowski,2001 **International Marketing Management** Mario Glowik,Slawomir Smyczek,2012-09-18 In recent decades against the background of integrated global trade patterns the complexity of international marketing and management has increased enormously Accordingly the momentum of business opportunities and challenges has accelerated and a firm has to continuously evaluate its market environment in order to make adjustments that reflect the firm s individual strengths and weaknesses This book takes as its perspective that the customer undoubtedly is positioned in the center of the firm s overall management activities True understanding of the customer requires efficient marketing research about the firm s international business environment As discussed in the first chapters of the book the firm s business success depends in part on its ethical standards thus awareness of its environmental and social responsibility is required The following chapters concentrate on various aspects of culturally biased customer behavior and how the firm ensures sensitivity when planning and selecting its marketing strategies The most efficient techniques of international market segmentation targeting and strategic competitive positioning are introduced Furthermore concepts of consumer loyalty programs and their implementation in diversified international markets are presented An important part is dedicated to describing suitable mixes of marketing policies for firms operating in culturally heterogeneous international markets Finally forecasting changes in consumer behavior as a tool of planning international marketing activities is taken into consideration Marketing control mechanisms that seek to increase efficiency of selected marketing activities further contribute to the valuable insights of this publication Overall the authors intention is to combine the newest theoretical concepts with pragmatic decisions made by firms The book is particularly suitable for undergraduate and graduate students taking courses in international marketing strategic and cultural management Executives and practitioners involved in business can take fundamental and updated knowledge from this publication which hopefully will improve their competitive positions against their rivals in the global arena International Perspectives on Business Ethics Andrew Crane,Dirk Matten,2012 **Perspectives on International Corporate Responsibility** John Hooker,Ans Kolk,2005 The field of international corporate responsibility has emerged as an important subfield of business ethics in response to increasing concerns about the ethical conduct of international businesses This volume contains intensive discussions by prominent scholars from many countries of codes of business conduct for multinational enterprises socially responsible investing corporate reputation and globalization corporate responsibility and environmental issues investment in developing economies and responsible marketing Global Perspectives on Indian Spirituality and Management Sanjoy Mukherjee,László Zsolnai,2022-07-07 This book brings together a collection of articles from eminent scholars and practitioners from India Europe the USA and Australia and investigates the applicability of spiritually inspired business models in Indian and Western

contexts This book is a tribute to the revered Indian management scholar and philosopher Professor S K Chakraborty a pioneer of human values and Indian ethos in management It explores the potentials and pitfalls of spiritual based leadership and provides directions for renewing business education to embrace human values and spirituality The forty contributions in the book are divided into seven sections introduction business ethics and management developing new organizational models and processes potentials and pitfalls of spirituality based leadership leaders and their world education spirituality and society ways to go to bring out different aspects of the spirituality in business model endorsed by Chakraborty The book is a treasure trove for researchers of not only business ethics but also of leadership and strategy studies in addition to the organization professionals and the general reader for expert insights on the topic

Business and the Ethical Implications of Technology Kirsten Martin, Katie Shilton, Jeffery Smith, 2022-11-09 This book focuses on how firms should engage ethical choices in developing and deploying digital technologies Digital technologies are devices that rely on rapidly accelerating digital sensing storage and transmission capabilities to intervene in human processes While the ethics of technology is analyzed across disciplines from science and technology studies STS engineering computer science critical management studies and law less attention is paid to the role that firms and managers play in the design development and dissemination of technology across communities and within their firm This book covers the topic from three angles First it illuminates diverse facets of the intersection of technology and business ethics Second it uses themes to explore what business ethics offers to the study of technology and third what technology studies offers to the field of business ethics Each field brings expertise that together improves our understanding of the ethical implications of technology Chapter A Micro ethnographic Study of Big Data Based Innovation in the Financial Services Sector Governance Ethics and Organisational Practices chapter The Challenges of Algorithm Based HR Decision Making for Personal Integrity and chapter Female CEOs and Core Earnings Quality New Evidence on the Ethics Versus Risk Aversion Puzzle are available open access under a Creative Commons Attribution 4.0 International license via link [springer.com](https://www.springer.com)

Comparative Perspectives on Global Corporate Social Responsibility Jamali, Dima, 2016-08-12 In the modern era businesses have developed a complex relationship with the society surrounding them While the effects of business activity are clearly seen their direct impact varies from country to country Comparative Perspectives on Global Corporate Social Responsibility is a pivotal reference source for the latest scholarly research on the accountability contemporary businesses face for the environmental social and economic impacts that they create Highlighting the variant expressions between developed and developing countries this book is ideally designed for graduate students professionals practitioners and academicians interested in furthering their knowledge on corporate social responsibility

Human Resource Management: Durai, Pravin, 2010 Human Resource Management presents multifaceted and all inclusive information that will be useful to students of human resource management as well as practising human resource managers Using a highly readable style and real life examples from India

Readings and Cases
