Perspectives On Human Communication:

Perspectives on Human Communication Billie J. Wahlstrom, 1992 **Perspectives on Human Communication** B. Aubrey Fisher, 1978 Perspectives on Human Communication COSPAR., 1978 Fundamentals of Human Communication James C. McCroskey, Virginia P. Richmond, 1996 **Non-Western Perspectives on Human Communication** Min-Sun Kim, 2002-07-23

What it means to be a self and a self communicating and being in a particular culture are key issues interwoven throughout Min Sun Kim's impressive text *Non Western Perspectives on Human Communication*. Going beyond cultural descriptions or instructions on adapting to specific cultures, the author interrogates the very core assumptions underlying the study of human communication and challenges longstanding individualistic Western models on which much intercultural research is based. Kim proposes a non western way of conceptualizing identity or the self, the cornerstone of cultural research, illuminating how traditional western and non western views can be blended into a broader, more realistic understanding of cultures and communication. Grounding her work in a thorough knowledge of the literature, she challenges students and researchers alike to reexamine their approach to intercultural study.
