Perspectives On Soviet Law Of The 1980s:

Perspectives on Soviet Law for the 1980's Ferdinand J.M. Feldbrugge, William B. Simons, 2024-12-30 Perspectives on Soviet Law for the 1980s Ferdinand Joseph Maria Feldbrugge, William Bradford Simons, 1982 Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader *The distinctiveness of Soviet law* F. J. Ferdinand Joseph Maria Feldbrugge, American Association for the Advancement of Slavic Studies, 1987 **East Germany in**

Comparative Perspective Thomas A. Baylis, Dr David Childs, Erwin L. Collier, Marilyn Rueschemeyer, 2002-09-11 As a new decade begins the popular demand for change has meant that the social and political fabric of the the Eastern Bloc countries has been irrevocably altered This book offers a comprehensive analysis of the key political economic and social areas of East German society such as the military and the church areas which will intrinsically involved with the movement for change

Soviet Administrative Law: Theory and Policy George Ginsburgs, Ger P. van den Berg, Gianmaria Ajani, William B. Simons, 2024-12-30 Encyclopedia of Soviet Law Ferdinand J.M. Feldbrugge, 2024-12-02 *Soviet Constitutional Crisis* Robert Sharlet, 2016-06-16 Moving from the adoption of the post Stalin Constitution of 1977 through its subsequent implementation under Brezhnev Andropov and Chernenko to the radical legal restructuring of the Gorbachev years Robert Sharlet traces the gradual evolution of a nascent constitutionalism in the erstwhile USSR Sharlet a noted authority on Soviet law and constitutional development demonstrates the gradual transformation of law from an instrument of Communist Party rule into the new rules of the game for nonauthoritarian political development In effect he argues one of Gorbachev's most durable achievements may be his redefinition of Soviet politics into a legal idiom along with his relocation of policymaking from behind the closed doors of Party conclaves into the more open emergent arena of constitutional government In analyzing the politics of law from the Brezhnev era to the rise of Yeltsin the author takes account of the war of laws the symbolic uses of the Soviet constitution and even the fact that the leaders of the failed coup attempted to justify their seizure

of power on constitutional grounds Constitutionalism has sufficiently suffused Soviet public life the book concludes that most of the sovereign republics as successors to the former USSR have begun designing their futures to varying degrees in constitutional forms *China's Legal Awakening* Carlos Wing-hung Lo,1995-07-01 After decades of nihilistic rule under Mao Zedong can legal order be restored in China How successful is Deng Xiaoping's initiative in developing a socialist legal system Where is China on its road to the rule of law This book illustrates through the analysis of more than two hundred criminal cases selected from Minzhu yu fazhi Democracy and the Legal System in the period 1979-89 that the establishment of a formal criminal justice system and the development of an embryonic socialist theory of law in China reflect a genuine and widespread legal awakening A rudimentary legal culture has taken hold among Party leaders cadres judicial personnel intellectuals and the general public Nevertheless the contradiction between legal order and Party supremacy remains as demonstrated by the June Fourth incident in Beijing and the ensuing trials of the 1989 dissidents **The Integrative**

Jurisprudence Of Harold J. Berman Howard O Hunter,2019-07-11 The essays in this volume appeared in slightly different versions in the Emory Law Journal volume 42 number 2 pages 433-560 The edited and revised versions of those essays are published with the consent of the editors of the Emory Law Journal to whom grateful acknowledgment is given

Encyclopedia of Soviet Law F. J. Ferdinand Joseph Maria Feldbrugge, Gerard Pieter Van den Berg, William Bradford Simons,1985-04-26 The revised Encyclopedia follows the format of the 1973 edition It is a compilation of nearly 500 short factual articles on Soviet domestic and international law *Russia and Its Constitution* Gordon B. Smith, Robert Stewart Sharlet,2008 How is the Russian Constitution ratified in 1993 being implemented today A team of distinguished scholars assesses the promise and the realities of Russian constitutionalism in a number of critical areas *Investor Protection in the CIS* Rilka Dragneva,2007 The book examines the legal regime for protection of company shareholders in the CIS The focus is on important aspects of domestic legal reform in the twelve CIS countries but also on the contribution of CIS model legislation to this process **Moscow's Road to Nuremberg** George Ginsburgs,2023-07-24 Recent events in former Yugoslavia and Rwanda have revived diplomatic interest in measures contemplating concerted action directed at the suppression and punishment of war crimes Indeed steps have already been initiated to set up war crimes tribunals to prosecute those responsible for such atrocities Not to be outdone Yeltsin's Foreign Minister has also issued a call for public discussion of the idea of creating a system of international criminal justice with regard to crimes against peace and humanity other international violations of the law The precedents of the Second World War in this venue thus seem relevant once again Since the Soviet Union played a leading role in paving the way for the Nuremberg trial and respective proceedings before national tribunals and Russia as self-proclaimed heir and successor to the USSR continues to exercise a great deal of influence in these matters today a look at Moscow's doctrinal and practical scorecard may prove useful for future reference The present study explores the Soviet regime's contribution to the prehistory of the Nuremberg trial i.e. the repertory of

official acts and pronouncements as well as scholarly treatment of issues which ultimately shaped the legal complexion of the Nuremberg test Our focus in this case is on the mode of development of the style and substance of the bill of indictment until the day of the court s opening session from the standpoint of Moscow s stake in the operation The views recorded during the trial in primary or secondary sources or those expressed later are taken into account only if they shed light on the preparatory stages of the drama The subsequent evolution of Moscow s thoughts on the subject deserves a separate full scale analysis

Soviet Policy for the 1980s Archie Brown, Michael Kaser, 1982-12-01 Politics and Nationality in Contemporary Soviet-Jewish Emigration, 1968-89 Laurie P. Salitan, 1992-06-18 According to this study Soviet policy toward Jewish emigration is ruled by domestic affairs rather than foreign It challenges the view that the exodus from the USSR is related to the superpower climate and offers a comparison with Soviet German emigration
