Perspectives On Evangelism:

Biblical Perspectives on Evangelism Prof. Walter Brueggemann, 2011-07-01 In this timely and provocative work Walter Brueggemann applies his experience and skills in the area of biblical interpretation to the theme of evangelism. He argues for the importance of considering afresh how the Bible itself thinks and speaks about evangelism, how it enacts the dramatic claims of the good news. Brueggemann here describes evangelism as a drama in three scenes concerning 1 God's victory over the forces of chaos and death, 2 the announcement of that victory, and 3 its appropriation by those who hear the announcement. This same dramatic sequence as he shows is many times re-enacted in the Bible; the times and circumstances of the re-enactment may differ, but the essential message as well as the structure of its presentation remains the same.

Perspectives on Evangelism Gene Gurganus, 2001-02-01 This book deals with the four perspectives of effective evangelism. The Historical Perspective traces evangelism from the OT through the Dark Ages. The Biblical Perspective proves the primacy of evangelism in light of the plight of man. The Practical Perspective discusses evangelism and proposes a workable program for the local church. The Prophetic Perspective gives a prognosis of evangelism in the new century.

New Testament Perspectives on Evangelism Eugene S. Wehrli, United Church Board for Homeland Ministries, Division of Evangelism and Local Church Development, 1987 *Call the Witnesses: Perspectives on Evangelism in the Church of the Brethren* Paul M. Robinson, 1974 **Making Disciples in a World Parish** Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays, Methodists from around the globe reflect on the practice of disciple making in their own contexts. From their own perspectives, they address questions like: What are the challenges you face? What biblical images shape your missional practice? What examples of Christian authenticity inspire your communities? What gifts related to mission and evangelism do you offer the global community of faith? Churches on every continent have their own stories of struggle and faithfulness. Indeed, each distinct community within any given region has a voice of its own that deserves to be heard. The voices included in this volume belong to women and men alike. Likewise, they resound with the accents of Africa and Asia, Latin and North America, Europe and Oceania. Each voice is distinct, but all articulate a vision of faith made effective through love. In a world characterized variously by poverty and violence as well as prosperity and peace, the church must reclaim its central mission to make disciples of Jesus Christ. In their effort to articulate a vision of mission and evangelism, the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another. To be the ambassadors of the gospel, we need each other, and we need to pay attention to the voices that sound different from our own. This volume takes a large step in that vital direction. **Reformed Perspectives on Evangelism** Geoff Donnan, 1998-01-01 Selected articles providing a distinctly Reformed Christian perspective on evangelism. Topics such as lay evangelism, door-to-door evangelism, and use of emotional pleas are brought to the light of Scripture from various authors, as Robert L. Dabney, Herman Hoeksema, and Charles Hodge, to name only a few. **The Study of Evangelism** Paul

W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism.

Perspectives on the World Christian Movement Ralph D. Winter, Steven C. Hawthorne, 1981-12

Perspectives on the World Christian Movement (4th Edition) Ralph D. Winter, Steven C. Hawthorne, 2009-06-01 *Perspectives on the World Christian Movement* presents a multi-faceted collection of readings exploring the biblical, historical, cultural, and strategic dimensions of world evangelization. Writings from more than 150 mission scholars and practitioners, over 60 of them new to this edition, portray the history and anticipate the potential of the global Christian movement. Every one of the 170 articles and sidebars offers practical wisdom enabling Christians to labor together in bold biblical hope to finish the task of seeing that Christ is named and followed among all the peoples of the earth. The Fourth Edition contains over 60 articles and sidebars that are new to this edition. Many articles have been updated and revised.

Witnessing Together Stephen Spencer, Muthuraj Swamy, 2019-05-14 *Witnessing Together* focuses on preaching the gospel in different contexts around the world, highlighting practices that are transforming communities of faith.

On the Way, 1995 This report studies the catechumenate as an approach to Christian initiation and sees in it an encouraging framework on which a way forward could be based. Issues relating to children are considered, including parental faith, infant baptism, and the difficulties with children receiving communion.

Missio Dei and the Means of Grace David Martin Whitworth, 2019-04-16 The *missio Dei* concept has shifted missiological thinking from an anthropocentric view of mission to the understanding that the church and persons are participants in the *missio Dei*. A Wesleyan perspective of grace and the means of grace inform the development of a theology of participation in the *missio Dei* that overcomes the repetitive articulations of mission as simply being human action or divine action. Through the means of grace, Christian disciples participate in the *missio Dei* as those transformed by God's love and those through whom that love embraces and transforms the world. *Missio Dei and the Means of Grace: A Theology of Participation* offers a profoundly simple approach and understanding to twenty-first century missiology that is applicable for all persons, all ages, and all ecclesial expressions of the Christian church. As participation in the *missio Dei* through the means of grace is understood to be a holistic way of life where spiritual formation is understood as inseparable from justice ministries.

Cultivating an Evangelistic Character Christopher James Schoon, 2018-04-24 This project explores the relationship between worship, discipleship, and evangelism within the missional church movement. Engaging contributions from liturgical theology, Christian ethics, and post-Christendom evangelism, the book proposes a missional approach to worship that when integrated with a

praxis oriented discipleship cultivates Jesus character among God's people. Along the way the project attends to the Holy Spirit's transformative presence, the liturgical rhythms of remembering and anticipating, and the practices of hospitality and compassion. In the end, *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people. In other words, God's people become evangelistic, or as Newbigin said, the hermeneutic of the gospel.

Perspectives on Children's Spiritual Formation Michael Anthony, 2007-01-01 Church scholars from varying denominational backgrounds discuss four basic common beliefs about children's spiritual formation with the goal of determining which is most scripturally sound.

Insights Into Teachers' Thinking And Practice Christopher Day, Maureen Pope, Pam Denicolo, 2013-02-01 A collection of original research conducted by scholars from Europe and North America. The papers consider the evolution of research on teachers, thinking, the nature of professional knowledge, and philosophical and moral dimensions of teachers thinking.

Yeo, and Amos Yong.

The Scandal of Evangelism Elmer John Thiessen, 2018-04-26 In today's multi-cultural and multi-religious world, evangelism is often viewed as scandalous, not only by those who are opposed to anything religious but also by many Christians. In this book, Elmer Thiessen provides a response to those who find most or even all Christian evangelism objectionable. He does this through a careful analysis of what the Bible says about the ethics of evangelism. Based on this inductive study, mainly of the New

Testament Thiessen proposes thirty guidelines for ethical evangelism Part II examines some specific contexts that pose unique challenges for doing evangelism ethically evangelism of children evangelism within a professional context like the secular academy evangelism within the context of humanitarian aid and finally the problem of proselytism understood in the special and narrow sense of sheep stealing
