## **Persuasive Communication:**

Strategies for Persuasive Communication Ronald L. Applbaum, Karl W. E. Anatol, 1974      The Art of Persuasive Communication Richard Storey, 1997 Richard Storey's ground breaking book reveals the secrets of successful persuaders. In it he sets out the principles governing the influencing process and looks at a range of situations in which we apply them. He identifies four main personality types and shows which communication styles work best for each. With examples, exercises and checklists and separate chapters on writing, telephoning and presentation, his book provides a comprehensive guide to persuading people to do what you want them to. The Art of Persuasive Communication is described by the author as a do it yourself influencing kit designed to help you find the techniques that work for you.      Persuasive Communication Campaigns Michael Pfau, Roxanne Parrott, 1992      **Persuasive Communication** James Brian Stiff, Paul A.
