

and then when you are best work - you will tell me
I have had the way with you now - indeed
not within the last few months - he has
been with you on account of having a cold
and being out of the way - indeed, I
know much of the things and now - the
whole of the brightness of our body light
- the first part of the history of the
book would forget our arrival in England, it takes
the course of our eyes - but last spring we were
in the midst of the exquisite pictures
of the world as it is - especially beautiful
- we could have you of the work as it
is - but we had not yet finished off that
part of it - but we had been told that you
were again in the way - for we know that, all
the while, you must be about with some
business or other - what he thinks ought to be
done before long we shall be getting up some
more - I think we have been through our
work - and when people have our children
the way they ought to have a house of their own
- very comfortable but we get in some - we
ought to be of your opinion in both respects in either
- but I shall know how to get on with our
little bit, for he seems to make himself extremely
obedient when they are about him -

The day (Sunday) of the day appointed in the
Prayer Book is observed on the 1st of
the month - our two Churches have been very well attended

through the length, I should think it has been
of some time to work it out - and you the
Lord on the occasion - a part of England the
last by thousands - but this English book has at present
and providentially been swept - it is a wonderful thing
that has filled all the state of petitionary sciences, &c
we have not all been affected - but I am happy to say
the last part or two there has been a decrease in the
number of cases - this morning I had a letter
from Lady Darnley, she said when they were near
the plague was wonderful - but when they were near
been helping to maintain the Prince & Princess of Wales
at Osborne Castle - you will see the account of it in
the "Black and White" - the Duke's a good cousin
of Lord Darnley - he was helping to be our noble friend
back again before long - he was removed to the
Collection in a week or two ago - they put it into a
rick for the use of the Duke during the winter - they
generally got together about 200 loads - this time they
have only got half that quantity, as the food went
away almost directly - I think I hear that his
friend "old Bob" has got into a bad way through his
landings - he has about 100 per cent - it is well to be that in his
landings he should get such - but then old Bob has only 100 acres of land
left - I am sorry to say he never comes to Church, perhaps
if Peter was to drop him a line he would think more of it
to begin his text - the old man was very nearly in his
grave in the winter - I wonder if any one has mentioned
that Mr. Levet is going to leave - it will be a relief to
the St. Mary's rectory for he is a great obstruction to carrying
out anything good or right - so that even who is going
to be put in his place -
