Freeman Davis,2002 A vivid picture of four decades of social and cultural history in the Green Mountain State **Miniature Messages** Jack Child,2008-07-21 An analysis of the messages about history culture and politics that Latin American nations have encoded in the design and text of their postage stamps *Sources and Methods in the History of Sexuality* Anna Clark,Elizabeth W. Williams,2024-09-12 *Sources and Methods in the History of Sexuality* outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting

challenges in relation to sources due the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality **Let's Go**

partnership the couple enjoyed until Joe's death in 1991. During that time the Public staged hundreds of productions ranging from free Shakespeare in Central Park to new plays such as Ntozake Shange's *For colored girls who have considered suicide when the rainbow is enuf* and musicals like *Hair* and *A Chorus Line*, an extraordinary body of work that launched the careers of dozens of actors including James Earl Jones, Colleen Dewhurst, Gloria Foster, Morgan Freeman, Raúl Juliá, Kevin Kline, George C. Scott, Martin Sheen, Meryl Streep, and Diane Venora, all of whom make an appearance in the book. In a witty conversational style, Gail Papp paints a comprehensive picture of the ways that the Public was driven by Joe's ambition to create a democratic theater whose artists and audiences would reflect the city's population. Also highlighted are unfamiliar aspects of his many battles with the establishment, from tilts with Robert Moses to theater critics. The scourge of AIDS is also documented in the form of people close to Joe and Gail and in the toll it exacted on Joe's son Tony. In recounting setbacks and frustrations alongside moments of passionate artistry and theatrical innovation, Gail's personal remembrances lend the narrative a keen emotional edge which will captivate readers. At a time when America remains divided over issues of equality, identity, and freedom of expression, *Public/Private* is an important chronicle of how the Public Theater became a transformative beacon for social change and of the man who created it. *The Broken World* Len Gasparini, 2005. For the first time, all of Len Gasparini's published books and chapbooks of poetry, totaling more than 200 poems, are collected in this volume. Exploring realities both ordinary and extraordinary, this voice in Canadian poetry is authentic and sincere.
