Pesharim And Qumran History Chaos Or Consensus:

The Pesharim and Qumran History James H. Charlesworth, Lidija Novakovic, 2002 The pesharim were a series of early Jewish commentaries on the Hebrew Bible composed at Qumran between 100 and 40 BC As this study reveals they are a truly complex and intriguing source for the early Qumran community and its beliefs Charlesworth's study revolves around the central issue of whether any reliable historical information can be obtained from the pesharim and if so what it reveals Placed within the context of Hellenistic and Jewish historiography and Biblical literature this is a specialised study within Dead Sea Scroll scholarship

The New Damascus Document Ben Zion Wacholder, 2007 This composite edition of the Damascus Document and scrolls from Khirbet Qumran with translation and commentary presents a new understanding of the relationship of these texts time and purpose shedding additional light on the Dead Sea Scrolls

Encountering Jesus, Encountering Scripture David Crump, 2013-05-26 Personal experiential faith is seldom given a seat at the table of academic theology and biblical studies David Crump however with the assistance of Sren Kierkegaard's religious philosophy claims that authentic understanding and thus authentic Christian commitment can only arise from the personal commitment that is faith Examining the various biblical historical cultural theological and academic hurdles demanding a truly Kierkegaardian leap of faith before one can meet the resurrected Jesus Crump's Encountering Jesus Encountering Scripture provides a very insightful discussion of key New Testament texts and issues revealing how Truth is discovered only through the subjectivity of faith

Zadokite Propaganda in the Late Second Temple Period Heerak Christian Kim, 2014-04-23 Zadokite Propaganda in the Late Second Temple Period is a monumental epoch breaking work of scholarship in ancient history and Jewish studies This book examines centuries of scholarship on ancient Jewish group identity and official Jewish religion in the most tumultuous period of Jewish history namely the beginnings of the Maccabean era Popularly known as the time period that gave the Jewish world the most famous Jewish celebration period Hanukkah the Maccabean Revolt was far more than a rebellion against Syrian domination The period represented an important turning point in Jewish history as village priests without any significant heritage or repute successfully overthrew and expelled Zadokite priests from the Jerusalem Temple and the city of Jerusalem itself The Zadokites had been the

legitimate and dominant priests of the Jerusalem Temple since the days of King Solomon who built the First Jerusalem Temple The physical and political displacement of Zadokite priests from their places of power authority and wealth produced historically significant literate communities such as the Qumran community and an abundance of literature such as commentaries creative poetry and apocalyptic works These writings all lamented the Zadokite displacement and prophesied a New Age when all would be restored to the way it should be Thus Zadokites engaged in propaganda warfare of epic proportions with all their erudition and political savvy creating a model for effective propaganda warfare The Zadokite propaganda was so effective that it set the tone for the language and theme of the New Testament

Wisdom Poured Out Like Water J. Harold Ellens, Isaac W. Oliver, Jason von Ehrenkrook, James Waddell, Jason M. Zurawski, 2018-10-22 This collection presents innovative research by scholars from across the globe in celebration of Gabriele Boccaccini's sixtieth birthday and to honor his contribution to the study of early Judaism and Christianity In harmony with Boccaccini's determination to promote the study of Second Temple Judaism in its own right this volume includes studies on various issues raised in early Jewish apocalyptic literature e.g. 1 Enoch 2 Baruch 4 Ezra the Dead Sea Scrolls and other early Jewish texts from Tobit to Ben Sira to Philo and beyond The volume also provides several investigations on early Christianity in intimate conversation with its Jewish sources consistent with Boccaccini's efforts to transcend confessional and disciplinary divisions by situating the origins of Christianity firmly within Second Temple Judaism Finally the volume includes essays that look at Jewish Christian relations in the centuries following the Second Temple period a harvest of Boccaccini's labor to rethink the relationship between Judaism and Christianity in light of their shared yet contested heritage

Text as Revelation Hanna Tervanotko, Jonathan Stökl, 2023-12-28 Text as Revelation analyses the shift of revelatory experiences from oral to written that is described in ancient Jewish literature including rabbinic texts The individual essays seek to understand how why and for whom texts became the locus of revelation While the majority of the contributors analyze ancient Jewish literature for depictions of oral and written revelation such as the Hebrew Bible and the literature of the Second Temple era a number of articles also investigate textualization of revelation in cognate cultures analyzing Egyptian Mesopotamian and Greek sources With subjects ranging from Ancient Egyptian and Sibylline oracles to Hellenistic writings and the books of Isaiah Deuteronomy and Jeremiah the studies in this volume bring together established and new voices reflecting on the issues raised by the interplay between writing and divinatory revelation

Is There a Text in this Cave? Studies in the Textuality of the Dead Sea Scrolls in Honour of George J. Brooke Ariel Feldman, Maria Cioată, Charlotte Hempel, 2017-06-01 This volume is offered as a tribute to George Brooke to mark his sixty fifth birthday It has been conceived as a coherent contribution to the question of textuality in the Dead Sea Scrolls explored from a wide range of perspectives These include material aspects of the texts performance reception classification scribal culture composition reworking form and genre and the issue of the extent to which any of the texts relate to social realities in the Second Temple period Almost

every contribution engages with Brooke's own remarkably wide ranging incisive and innovative research on the Scrolls. The twenty-eight contributors are colleagues and students of the honouree and include leading scholars alongside promising new voices from across the field. The Seleucid and Hasmonean Periods and the Apocalyptic Worldview Lester L.

Grabbe, Gabriele Boccaccini, Jason M. Zurawski, 2016-02-25 This tightly focused collection of essays from an invited seminar of international specialists centres on the question of the apocalyptic worldview around the time of the Maccabean revolt. What was the nature of apocalyptic at this time? Did the Maccabees themselves have a distinct apocalyptic worldview? These questions lead to other more specific queries: who of the various groups held such a view? Certain of the essays analyse the characteristics of the apocalypses and related literature in this period and whether the apocalyptic worldview itself gave rise to historical events or at least influenced them. The collection begins with two introductory essays. Both the main and short papers have individual responses and two considered responses by well-known experts address the entire collection. The volume finishes with a concluding chapter by the lead editor that gives a perspective on the main themes and conclusions arising from the papers and discussion. **The Orion Center Bibliography of the Dead Sea Scrolls and Associated Literature** Ruth Anne Clements, Nadav Sharon, 2007 This book presents the authoritative print bibliography of current scholarship on the Dead Sea Scrolls. Qumran and related fields including New Testament studies, source, subject and language indices facilitate its use by scholars and students within and outside the field. *A History of the Hasmonean State* Kenneth Atkinson, 2016-09-22 Kenneth Atkinson tells the exciting story of the nine decades of the Hasmonean rule of Judea 152-63 BCE by going beyond the accounts of the Hasmoneans in Josephus in order to bring together new evidence to reconstruct how the Hasmonean family transformed their kingdom into a state that lasted until the arrival of the Romans. Atkinson reconstructs the relationships between the Hasmonean state and the rulers of the Seleucid and the Ptolemaic Empires, the Itureans, the Nabateans, the Parthians, the Armenians, the Cappadocians and the Roman Republic. He draws on a variety of previously unused sources including papyrological documentation, inscriptions, archaeological evidence, numismatics, Dead Sea Scrolls, pseudepigrapha and textual sources from the Hellenistic to the Byzantine periods. Atkinson also explores how Josephus's political and social situation in Flavian Rome affected his accounts of the Hasmoneans and why any study of the Hasmonean state must go beyond Josephus to gain a full appreciation of this unique historical period that shaped Second Temple Judaism and created the conditions for the rise of the Herodian dynasty and the emergence of Christianity.

Mediating the Divine Alex Jassen, 2007-06-30 This book is a comprehensive treatment of prophecy and revelation in the Dead Sea Scrolls. It begins by analyzing the representation of the classical prophets and their revelatory experience in an attempt to identify how prophecy and revelation was reconceptualized in the Dead Sea Scrolls in dialogue and in contrast with received biblical models. This work then examines the direct evidence in the Dead Sea Scrolls regarding ongoing prophetic activity at Qumran and in related segments of Second Temple Judaism. This study argues that the Dead Sea Scrolls

bear witness to a transformed prophetic tradition active at Qumran and in Second Temple Judaism Topics treated include the relationship of prophecy to scriptural interpretation wisdom and law and eschatological prophecy **Scribal Practice, Text and Canon in the Dead Sea Scrolls** ,2019-09-16 This volume contains 17 essays on the subjects of text canon and scribal practice The volume is introduced by an overview of the Qumran evidence for text and canon of the Bible Most of the text critical studies deal with texts from the Dead Sea Scrolls including sectarian as well as canonical texts Two essays shed light on the formation of authoritative literature Scribal practice is illustrated in various ways again mostly from the Dead Sea Scrolls One essay deals with diachronic change in Qumran Hebrew Rounding out the volume are two thematic studies a wide ranging study of the ambiguous oracle of Josephus which he identifies as Balaam s oracle and a review of the use of female metaphors for Wisdom The Crucifixion of the Warrior God Gregory A. Boyd,2017-04-17 A dramatic tension confronts every Christian believer and interpreter of Scripture on the one hand we encounter images of God commanding and engaging in horrendous violence one the other hand we encounter the non violent teachings and example of Jesus whose loving self sacrificial death and resurrection is held up as the supreme revelation of God s character in the New Testament How do we reconcile the tension between these seemingly disparate depictions Are they even capable of reconciliation Throughout Christian history many different answers have been proposed ranging from the long rejected explanation that these contrasting depictions are of two entirely different gods to recent social and cultural theories of metaphor and narrative representation The Crucifixion of the Warrior God takes up this dramatic tension and the range of proposed answers in an epic constructive investigation Over two volumes renowned theologian and biblical scholar Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired including its violent depictions of God At the same time we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God Developing a theological interpretation of Scripture that he labels a cruciform hermeneutic Boyd demonstrates how Scripture s violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection Indeed when read through this lens Boyd argues that these violent depictions can be shown to bear witness to the same self sacrificial character of God that was supremely revealed on the cross *The Exegetical Texts* Jonathan Goodson Campbell,2004-01-01 Jonathan G Campbell provides an introduction to eight sectarian manuscripts from among the Qumran Dead Sea Scrolls that can loosely be called the Exegetical Texts He examines their contents background genre and significance and he provides a history of the relevant research The Exegetical Texts constitute a particularly diverse strand of sectarian compositions among the Qumran Dead Sea Scrolls For this reason the eight documents are treated in turn in more or less equal measure with two introductory chapters to set the scene and a conclusion drawing the discussion to a close Each chapter can be read either alone in its own right or together with the others to gain a broader picture In order to encourage the reader to encounter the relevant Qumran documents firsthand extensive listings of editions

in Hebrew and English are provided The contributors to the Companion to the Qumran Scrolls series take account of a wide range of relevant and recently published texts and provide extensive bibliographies The books in the series are authoritatively written in accessible language and are ideal for students and non specialist scholars Companion to the Qumran Scrolls volume 4 **Society for Old Testament Study Booklist 2003** George J. Brooke,2003-03-06 The Book List provides short reviews of up to 500 books a year It includes publications not only on the Old Testament directly but also on many related areas including archaeology epigraphy Hebrew and related Semitic languages especially Northwest Semitic relevant ancient Near Eastern history and literature the Hellenistic world early Judaism and social anthropology The main value of the Book List is its comprehensiveness and its immediacy in that it is usually among the first periodicals to review a book *New Perspectives on Old Texts* Esther G. Chazon,Betsy Halpern-Amaru,Ruth Clements,2010-05-03 This volume presents new perspectives on the ancient texts discovered at Qumran The essays offer fresh insights into particular texts and genres by applying methods and constructs drawn from other disciplines to the study of the Dead Sea Scrolls and by exploring new as well as long standing issues raised by these works The topics and approaches engaged include group identity memory ritual theory sectarian sociology philosophy of education liturgical anthropology Jewish law history of religion and mysticism The articles in this volume were originally presented at the Tenth Annual International Orion Symposium sponsored in 2005 by the Orion Center for the Study of the Dead Sea Scrolls and Associated Literature at the Hebrew University of Jerusalem *Jesus as Mirrored in John* James H. Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament s most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history Memory in the Bible and Antiquity Stephen C. Barton,Loren T. Stuckenbruck,Benjamin G. Wold,2007 The volume brings together essays that explore the topic of memory and remembrance in the ancient world taking into account

the Hebrew Bible ancient Judaism the classical world the New Testament and Early Christianity The essays which focus on a wide range of sources from antiquity open up new questions about the social and religious function of memory As a collection they demonstrate how much social memory theory can contribute to the understanding of the ways ancient texts were on the one hand shaped by conventions of memory and on the other hand participated in and contributed to evolving strategies for reading the past Contributors Loren T Stuckenbruck Stephen C Barton Benjamin G Wold Joachim Schaper Erhard Blum Hermann Lichtenberger William Horbury John M G Barclay Doron Mendels Anthony Le Donne James D G Dunn Martin Hengel Ulrike Mittmann Richert Anna Maria Schwemer Hans Joachim Eckstein Markus Bockmuehl **The Earliest**

Commentary on the Prophecy of Habakkuk Timothy H. Lim, 2020-04-09 This is the first major commentary in English on Peshar Habakkuk for forty years It elucidates the nature of 1QpHab as the earliest commentary on the prophecy of Habakkuk by a detailed study of the biblical quotation and sectarian interpretation This commentary provides a new edition of the scroll including new readings and detailed palaeographical philological exegetical and historical notes and discussion It shows that the pesherist imitates the allusive style of the oracles of Habakkuk and also draws on lexemes phrases and themes from other biblical texts and Jewish sources It shows that the pesherist identified the Kittim with the Romans who conquered Judaea in 63 BCE and suggests that the scroll refers to several righteous and wicked figures including the last Hasmonean high priests
