Chapter I CHRISTIE AUNT BETSEY there s going to be a new Declaration of Independence Bless and save us what do you mean child And the startled old lady precipitated a pie into the oven with destructive haste I mean that being of age I m going to take care of myself and not be a burden any longer Uncle wishes me out of the way thinks I ought to go and sooner or later will tell me so I don t intend to wait for that but like the people in fairy tales travel away into the world and seek my fortune I know I can find it Christie emphasized her speech by energetic demonstrations in the bread trough kneading the dough as if it was her destiny and she was shaping it to suit herself while Aunt Betsey stood listening with uplifted pie fork and as much astonishment as her placid face was capable of expressing As the girl paused with a decided thump the old lady exclaimed What crazy idee you got into your head now A very sane and sensible one that s got to be worked out so please listen to it ma am I ve had it a good while I ve thought it over thoroughly and I m sure it s the right thing for me to do I m old enough to take care of myself and if I d been a boy I should have been told to do it long ago I hate to be dependent and now there s no need of it I can t bear it any longer If you were poor I wouldn t leave you for I never forget how kind you have been to me But Uncle doesn t love or understand me I am a burden to him and I must go where I can take care of myself I can t be happy till I do for there s nothing here for me I m sick of this dull town where the one idea is eat drink and get rich I don t find any friends to help me as I want to be helped or any work that I can do well so let me go Aunty and find my place wherever it is

Work: A Story of Experience Part 2 Louisa May Alcott,2025-02-05 In the depths of despair Christie searches for meaning in her life Her interactions with Mrs Wilkins teach her about kindness and compassion helping her rediscover emotional warmth She regains stability in the Strawberry Bed and resolves to start anew The second part of her journey focuses on building harmonious relationships with others and aligning with her inner values Faced with life s crossroads Christie makes choices rooted in her beliefs and love gaining profound self awareness Encounters with soldiers and the Colonel further inspire her to embrace new roles in society Ultimately Christie finds peace and stability and by the age of forty she enjoys the quiet joys and contentment of a life well lived Part 2 highlights Christie s inner transformation and her reimagined path forward
