**The Stormborne Vine** Tilly Wallace, 2025-02-05 Determined spinster vs carnivorous wallflower In a corner of rural England Fern Oakby makes a living through her knowledge of botany An unusual case erupts during a storm when a Boston ivy turns monstrous and carnivorous However the solution is not as simple as hacking down the exceedingly rare and hungry plant The storm also gave life to an origami dragon and bound it to the vine When a lonely woman pleads with Fern to save

the tiny dragon she is forced to confront a profound question what defines the value of a life In a world where ancient magic lingers every life no matter how small or strange holds immeasurable worth As Fern races against time to unravel dark secrets at the estate the vine continues to grow She must find a way to destroy it before it spreads or snatches more lives Nor as she discovers is the little dragon the only life in need of saving Explore a cozy fantasy series set in Regency England that celebrates friendship and where magic and nature intertwine [LiGa](#) Sanem Ozdural,2012-07-31 Welcome You are hereby invited to compete in a tournament of LifeGame Bridge LiGa Bridge LiGa Bridge is a tournament of duplicate individual bridge in which eight players gamble with and for a portion of their lives Yes it is possible to gamble with life We have the technology Life gambling is enabled by a process we call hand imprinting The physical manifestation of this is a network of cranberry hued lines on the palms of the players left hands These lines track the natural print of the palm and the effect is akin to a fortune teller s hand map For further information on LiGa technology please review Appendix I You will be gambling with a portion of your remaining life to win a portion of the other players lives To be precise each player will wager one third of his her remaining life per game as measured by Life Points to win one quarter of the total Life Points deposited by the losing four players The losers remaining lives will be shortened by one third The tournament ends when one or more of the players reaches 100 Life Points This is the point at which the age related degeneration of the human body ceases completely irreversibly and indefinitely A somewhat misleading term that is applied to this state is immortality Reaching 100 Life Points does not mean you cannot be killed only that you will not age In other words immortal does not mean invincible During the tournament after the first transfer of Life Points has taken place your body will be in a constant state of flux as it adjusts to markedly increased or decreased rates of degeneration on a weekly basis For detailed information on the impact of life absorption on your body please see Appendix II If you wish to enter the tournament you must submit a non refundable entrance fee of 10 000 000 00 Xavier Redd Imm Have YOU had your invitation yet Literary science fiction LiGa tells of a game in which the players are literally gambling with their lives Sanem Ozdural s debut novel is set in a near future where a secretive organisation has developed technology to transfer the regenerative power of a body s cells from one person to another conferring extended or even indefinite life expectancy As a means of controlling who benefits from the technology access is obtained by winning a tournament of chess or bridge to which only a select few are invited At its core the game is a test of a person s integrity ability and resilience The fantastic nature of the game s technology is made all the more credible by the familiarity of the contemporary setting giving the story a definite slipstream feel Sanem s novel provides a fascinating insight into the motivation both of those characters who win and thus have the possibility of virtual immortality and of those who will effectively lose some of their life expectancy *Storm-Wake* Lucy Christopher,2018-07-31 A tour de force retelling of *The Tempest* from a romantic emotional and inspiring voice perfect for passionate readers of all ages Moss has grown up on the strangest and most magical of islands Her father has a plan to control the tempestuous weather that wracks the

shores But the island seems to have a plan of its own once Callan a wild boy her age appears on its beaches Her complex feelings for Callan shift with every tide while her love for the island and her father are thrown into doubt And when one fateful day a young man from the outside world washes up on the beach speaking of the Old World nothing will ever be the same A dark reflection of Shakespeare's *The Tempest* Storm wake is one girl's voyage of discovery a mesmerizing tale of magic faith and love

**Echoes of the Wind** Alphi Gabriel, 2014-08-30 In a world where gadgets and magic coexist a young college boy is burdened with the task of determining its fate With the discovery of a mysterious crystal he must choose whether to save a warring world from destroying itself or let it fall into chaos at the hands of an unknown enemy *Echoes of the Wind* is the first book in the *Echoes* series With a unique take on eastern storytelling discover a world where the problems of contemporary life are mixed with the limitless possibilities of magic Explore a realm where magic can be used to power a computer or mastered to defeat a rival on the varsity team Follow Von as he and his friends arrive for the first day of college the biggest change of their lives Experience them tackle the challenges of being a young adult as they meet new people from a mysterious old man selling enchanted knickknacks to a boy genius who uses spells to manipulate time How will Von evolve through the arduous journey he has ahead of him *United States Plant Patents* United States.
