 up of four basic components 1 reflection questions that help readers engage the text at a deeper level 2 Gospel Glimpses that  
 highlight the gospel of grace throughout the book 3 Whole Bible Connections that show how any given passage connects to  
 the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings that identify how historic  
 orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and  
 church leaders these gospel centered studies will help Christians see and cherish the message of God's grace on every page
