Breaking the Magic Spell Jack Zipes, 2002-07-05 Zipes ably demonstrates that moral political religious and other ideologies have shaped these apparently innocent narratives Lore and Language This revised expanded and updated edition of the 1979 landmark *Breaking the Magic Spell* examines the enduring power of fairy tales and the ways they invade our subjective world In seven provocative essays Zipes discusses the importance of investigating oral folk tales in their socio political context and traces their evolution into literary fairy tales a metamorphosis that often diminished the ideology of the original narrative Zipes also looks at how folk tales influence our popular beliefs and the ways they have been exploited by a
