Peter Ilyich Tchaikovsky:

The Life and Times of Peter Ilyich Tchaikovsky Jim Whiting, 2004-09 The most popular of all Russian composers Peter Tchaikovsky is probably best known for his ballets Swan Lake Sleeping Beauty and Nutcracker are still performed worldwide But a good part of Tchaikovsky's career was spent writing operas Eugene Onegin and The Queen of Spades are two of his better known works A precocious child Peter could read French and German by the age of six At seven he wrote verses in French In school he studied to be a lawyer It was not until he was twenty one years old that he turned his focus to music But this man who made such beautiful melodies was unhappy most of his life He was terrified when he stood in front of an orchestra He had an unrealistic fear that his head would fall off and he actually held his left hand under his chin to keep his head attached However he left a great legacy of beautiful music From the diaries and letters he wrote we know about the life of Peter Tchaikovsky In this book young adults are introduced to one of the greatest composers of all time **Pyotr**

Tchaikovsky Philip Ross Bullock, 2016-08-15 When Pyotr Ilyich Tchaikovsky died of cholera in 1893 he was without a doubt Russia's most celebrated composer Drawing extensively on Tchaikovsky's uncensored letters and diaries this richly documented biography explores the composer's life and works as well as the larger and richly robust artistic culture of nineteenth century Russian society which would propel Tchaikovsky into international spotlight Setting aside clichés of Tchaikovsky as a tortured homosexual and naively confessional artist Philip Ross Bullock paints a new and vivid portrait of the composer that weaves together insights into his music with a sensitive account of his inner emotional life He looks at Tchaikovsky's appeal to wealthy and influential patrons such as Nadezhda von Meck and Tsar Alexander III and he examines Russia's growing hunger at the time for serious classical music Following Tchaikovsky through his celebrity up until his 1891 performance at New York's Carnegie Hall and his honorary doctorate at the University of Cambridge Bullock offers an accessible but deeply informed window onto Tchaikovsky's life and works Pyotr Ilyich Tchaikovsky Wendy

Thompson, 1993 This biography looks at the life and work of Pyotr Tchaikovsky with illustrations from his life and the Russia in which he lived Simple keyboard arrangements of some of his work including Romeo and Juliet the 1812 Overture and the Pathétique symphony are included **Pyotr Ilyich Tchaikovsky** Wendy Thompson, 1993-03-01 Pyotr Ilyich Tchaikovsky's works have established him among the first rank of European composers Under the repressive autocratic rule of the Tsars the educated middle classes in 19th century Russia explored their own folk tradition to discover a cultural identity Fusing this musical heritage with the traditions of the Western symphony Tchaikovsky fashioned eloquent passionate supremely tuneful music with a direct emotional appeal This lavishly illustrated biography recreates the dramatic events of Tchaikovsky's controversial career Included are extracts in simple keyboard arrangements from some of his most popular works including the Pathétique Symphony the 1812 Overture the First Piano Concerto **Tchaikovsky** Wilson Strutte, 1981 Describes the life and music of Russian composer Peter Ilyich Tchaikovsky and his famous associates and their influence on his life

Tchaikovsky Through Others' Eyes Alexander Poznansky, 1999-04-22 The result is a dynamic portrayal of the composer with all the complexities and paradoxes of a real life

Pyotr Steve Moretti, Paul van Geldrop, 2022-06-25 Living a lie could crush one's spirit forever But admitting the truth could be even worse Bestowed with a rare musical gift but burdened by demons of self doubt and passions forbidden in 19th century Russia Pyotr Ilyich Tchaikovsky struggled to release the music inside his head And equally to find romantic fulfillment that always remained just beyond his reach He was deeply affected by the women in his life those he loved those he despised and those whose affection he longed so badly to hold Yet aside from music his truest passion was reserved only for men Tchaikovsky refused to abide by the rules of the musical establishment of his time Assailed by critics as being neither Russian nor German he endured scathing criticism which he often took to heart destroying many of his own imperfect compositions This compelling new work takes you inside the head of Pyotr from age seven to his untimely death at fifty three It also provides a layman's guide to his music and his musical influences and the techniques Tchaikovsky used to chart his musical destiny

Peter Ilyich Tchaikovsky Richard Tames, 1991-01-01 Examines Tchaikovsky's life and musical achievements in the context of his historical period

Peter Ilyich Tchaikovsky Michael Pollard, 1992 Part of a series of biographies of famous composers and musicians aiming to introduce young readers to the world of music Peter Ilyich Tchaikovsky was one of the most important composers of the 19th century His compositions include Swan Lake The 1812 Overture and Sleeping Beauty

Forty Songs by Peter Ilyitch Tchaikovsky Peter Tchaikovsky, 2018-06-14 From the biographical introductory Peter Ilyich Tchaikovsky if not the most Russian is certainly the greatest of Russian composers The only organized musical speech of this mighty nation owes its initial impulse to Mikhail Glinka for like Weber he lovingly plucked from the soil native wild flowers and gave them a place in his Russian and Lzfe for the Czar With him and representing the old Russian school are Alexander Daijomisky and Alexander Seroff while the Neo Russians include the names of C sar Cui Rimski Korsakoff Borodin Balakireff Liadow Glazounow Stcherbatcheff Arensky Moussorgsky Rachmaninoff Scriabine and others Outside of this pale and viewed with suspicious eyes stand the figures of Anton Rubinstein who went to Germany and made music more Teutonic than Russian and Peter Ilyich Tchaikovsky with French and Polish blood in his veins Tchaikovsky sometimes said great things in a great manner Yet we feel that the manner often exceeds the matter that his manipulation of mediocre thematic material often leads our judgment astray but at his best when idea and execution are firmly welded this man is a great man one who felt intensely suffered sadly and drank deeply at the acid spring of sorrow Not so logical or so profound a thinker as Brahms he is more dramatic more intense and displays more surface emotion We miss the mighty sullen ground swells of feeling in Tchaikovsky but he paints better than the Hamburg composer his brush is dipped in more glowing colors his palette more various in hues while the barbaric swing of his music is occasionally tempered by European culture and restraint Reticent in life in his art he overflows No composer except Schumann tells us so much of himself Every piece of his work is signed and he does not

hesitate to make the most astounding confessions He fulfilled in his music much that Rubinstein left undone Rubinstein was really a Teutonic mind Russianized but unlike Rubinstein Tchaikovsky despite his Western culture kept his skirts fairly free from Germany Her science he had at his finger tips but he preferred to remain Russian His ardent musical temperament was strongly affected by France and Italy He loved the luscious cantilena of Italy and worshipped at the strange shrine of Berlioz Indeed Berlioz and Liszt are his artistic sponsors and the French strain in his blood must not be overlooked It counted in his talents as surely as it did in Chopin s whose father was half French In his later years as if his own clime had chilled his spirit Tchaikovsky solaced himself in Italy and Spain a not incurious taste in a stern Northman Despite his Western affiliation there is always some Asiatic lurking in his scores One can never be quite sure when the Calmuck which is said to be skin deep in every Russian will break forth Gusts of unbridled passion recalling Gogol s wild heroes of the steppes sweep across his pages and sometimes the odor of carnage is too much for us unaccustomed as we are to such a high noon of rout revelry and disorder *Peter Ilyich Tchaikovsky [chart-small]*. Nita Temmerman,1989 **Tchaikovsky in America** Elkhonon Yoffe,1986 This book is a charming account of Tchaikovsky s only visit to America a trip he made to New York in 1891 to participate in the opening of Carnegie Hall Told largely in Tchaikovsky s own words making use of his letters and diary it is at once a revealing psychological portrait of the great Russian composer and a rich picture of New York cultural life at the end of the last century **Peter Ilyich Tchaikovsky** Barrie Carson Turner,2003 This series takes a look at the childhoods of some of the worlds most celebrated composers Children can relive the lives of these famous composers as they follow their careers from their early musical works through to their astonishing and yet impoverished adult years Tchaikovsky Jeroen Koolbergen,1996-05 Account of the life and work of one of the world s greatest composers **Tchaikovsky's complete song texts** Peter Ilich Tchaikovsky,1999 This exciting volume contains the Russian texts of the complete songs of Peter Ilyich Tchaikovsky with IPA transcriptions literal and idiomatic English translations Publisher **Pyotr Ilyich Tchaikovsky** ,2009 Two films made in the style developed by Christopher Nupen They do not use actors to represent the composer but are made entirely of his own words and music Tchaikovsky s women looks at the women both in his private life and in his music In his early years almost all of his best work was inspired by a deep identification with the plight of his suffering young heroines and this identification spilled over into his personal life with dramatic consequences Fate looks at his strange relationship with Nadezhda von Meck which was to become the most important attachment of his life after his mother It also follows his shift from the fate of his young heroines to his increasing concern with the idea of fate as a controlling influence in his own life and as a motivating force in his later symphonies Performed by Vladimir Ashkenazy Cynthia Harvey Mark Silver Helen Field Clara Bartha Donna Anna the Swedish Radio Symphony Orchestra *Peter Tchaikovsky* Mike Venezia,2018 Clever illustrations and story lines give children a light yet realistic overview of this composer s life and style and music Amazon com **Swan Lake** Pyotr Ilyich Tchaikovsky,2018-11-06 With flash the lake was based in a shimmering light and before him

stood the most beautiful woman he had ever seen I am the Swan Queen she said I am the swan that you tried to kill A prince's love for a swan queen breaks an evil spell in this fairy tale adaptation of the beloved ballet written by Tchaikovsky Swan Lake is perhaps the best loved ballet of all time Hans Christian Andersen Medal winner Lisbeth Zwerger brings her singular vision to a glorious picture book adaptation of the haunting story of an enchanted swan princess She has based her version on Tchaikovsky's original 1877 ballet which had a happy ending unlike the later better known 1893 version Her illustrations luminous lyrical filled with grace and beauty evoke the brilliance of the ballet and the universal appeal of this beloved fairy tale

Peter Ilyich Tchaikovsky Frederic V. Grunfeld, 1977 Peter Tchaikovsky Mike Venezia, 1995-03-01 Presents a biography of the nineteenth century Russian composer who created such ballets as Swan Lake Sleeping Beauty and The Nutcracker
