Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations Jasmin Sültemeyer,2021-07-05 As striking counter intuitive and distasteful as the combination of children and anxiety may seem some of the most popular children s classics abound in depictions of traumatic relationships bloody wars and helpless heroes This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition as it stands out in Golden Age novels from both sides of the Atlantic and their present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a

nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and highlights the necessity to approach children s entertainment more seriously and more sensitively than it is generally the case An Integrated Play-Based Curriculum for Young Children Olivia N. Saracho,2020-10-05 An Integrated Play Based Curriculum for Young Children Second Edition explores how to integrate play across the curriculum helping teachers develop their early childhood curriculum using developmentally and culturally appropriate practice Distinguished author Olivia N Saracho offers a theoretical framework for understanding the origins of an early childhood play based curriculum and illuminates how young children learn and understand concepts in a social and physical environment This second edition has been fully updated throughout and its comprehensive coverage has been expanded with entirely new sections on technology and social media cultural differences in play and teaching English language learners and students with disabilities Packed with vignettes activities and practical examples this text is essential reading for pre service teachers seeking appropriate theoretical practices for designing and implementing a play based curriculum **The Future of the Nineteenth-Century Dream-Child** Amy Billone,2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children s Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll s Alice and J M Barrie s Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton s Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in the twenty first century Stephenie Meyer s Twilight E L James s 50 Shades of Grey and Suzanne Collins s The Hunger Games The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds It will appeal to scholars in a wide variety of fields including Childhood Studies Children s YA Literature Cinema Studies Cultural Studies Cyberculture Gender Studies Queer Studies Gothic Studies New Media and Popular Culture *The Encyclopedia of Best Films* Jay Robert Nash,2019-10-23 This all inclusive A Z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes
