Peter Ashley:

The Immoderate Past C. Hugh Holman, 2008 The Immoderate Past deals with the southern writer's preoccupation with history concentrating on representative novelists from three major periods Finding the origins of this preoccupation in the antebellum period when most American novelists wrote in the mode of Sir Walter Scott C Hugh Holman examines the Revolutionary romances of William Gilmore Simms With the coming of realism to American fiction after the Civil War the southern writer turned to a combination of the realistic method with the novel of manners in order to describe the way of life in the South during the nineteenth century The Civil War replaced the American Revolution as the crucial event in the novels of this second period and was seen as disrupting the quality and texture of antebellum southern life To illustrate the southern novel in the realistic tradition Holman discusses Ellen Glasgow's *The Battleground* DuBose Heyward's *Peter Ashley* Stark Young's *So Red the Rose* Allen Tate's *The Fathers* Margaret Mitchell's *Gone with the Wind* and Margaret Walker's *Jubilee* Since the 1930s writers in the region have experimented with modernistic techniques distorting reality in order to make special statement about the nature and meaning of the southern experience To illustrate this latest development in southern writing Holman turns to William Faulkner's *Light in August* and *Absalom Absalom* Robert Penn Warren's *All the King's Men* *World Enough and Time* *Brother to Dragons* and *Wilderness* and William Styron's *Confessions of Nat Turner* The Immoderate Past closes with a consideration of the extent to which southern novelists have persisted in using time as a major dimension in their fiction whereas time has tended to be displaced by space in the standard American novel

Bungalows Kathryn Ferry, 2014-08-10 Now synonymous with the single storey home when the bungalow was introduced to Britain in the late 1860s it had more elaborate connotations Appropriated by colonial officials in Bengal this humble dwelling was transformed upon its arrival on the Kent coastline into a new type of holiday home complete with veranda and servant quarters These first Western examples became very popular amongst the upper middle class and the elderly and crucially also attracted artistic inhabitants setting the tone for the bungalow as a Bohemian escape well into the twentieth century Focusing on the British bungalow up to the Second World War Kathryn Ferry here explores its social cultural and architectural development revealing what the very earliest versions looked like and why at the peak of their popularity bungalows were so ubiquitous

A Newlywed's Guide to Fortune and Murder Dianne Freeman, 2024-05-21 Perfect for fans of Rhys Bowen Deanna Raybourn and Tasha Alexander a witty romp through the high society of Victorian England with a touch of romance an independent female lead and rich historical detail from Agatha Award winning author Dianne Freeman Newly married Frances Hazelton formerly the Countess of Harleigh should be planning her honeymoon Instead she's unmasking a murderer among the upper crust With her new husband George busy on a special mission for the British Museum Frances has taken on an assignment of her own The dowager Viscountess Wingate needs someone to sponsor her niece Kate for presentation to Queen Victoria Frances who understands society's quirks and constraints as only an outsider can is the perfect candidate

Kate is charming and intelligent though perhaps not quite as sheltered as she might first appear More worrying to Frances is the viscountess's sudden deterioration The usually formidable dowager has become shockingly frail and Frances suspects someone may be drugging her The spotlight falls on Kate who stands to inherit if her aunt passes yet there are plenty of other likely candidates within the dowager's household both above and belowstairs Joining forces with her beloved George Frances comes to believe that the late viscount too was targeted And with the dowager seeming to be in greater danger every day they must flush out the villain before she follows in her husband's footsteps directly to the grave [Abyss of Elysium - Mars Wars](#) Dennis Chamberland, 2005-04 The earth has established twin bases on Mars Two competing nations have founded their remote interplanetary outposts on the red planet separated by over two thousand kilometers of alien and hostile desert Without warning communications with the earth are suddenly and inexplicably lost All systematized transmissions from earth have ceased It is as though the earth has disappeared Without warning or explanation the colonists are alone in the universe Survival on Mars is a synthesis of skill intellect courage as well as the most advanced technology ever developed But in no one's blackest nightmare has anyone ever planned on permanently severing all links with the home planet The thin barrier between life and death has just been sliced in two and now the relatively small band of humans are no longer explorers but now they are interplanetary castaways waiting for a rescue that may never come Now there are too many people and there is far too little to go around It soon becomes apparent they would have to fight one another to live war on another planet becomes the only way out Dennis Chamberland's *Abyss of Elysium* Mars Wars is filled with the full sweep of the most dramatic high tech nail biting audacious adventure in the genre Chamberland's style is characterized by a sustained extreme energy high stakes and maximum passion a fusion of the human drama and the technology that links the humans with an alien planet

A DuBose Heyward Reader DuBose Heyward, 2003 DuBose Heyward 1885-1940 was a central figure in both the Charleston and the Southern Renaissance His influence extended to the Harlem Renaissance as well However Heyward is often remembered simply as the author of *Porgy* the 1925 novel about the poorest black residents of Charleston South Carolina *Porgy* the novel and its stage versions has probably done more to shape views worldwide of African American life in the South than any twentieth century work besides *Gone with the Wind* This volume acquaints readers with writings by Heyward that have been overshadowed by *Porgy* and it also plumbs the complex sensibilities of the man behind that popular and enduring creation James M Hutchisson's introduction relates aspects of Heyward's life to his creative growth and his gradual shift from staunch social conservatism to a liberal though never revolutionary advocacy of black rights The reader collects ten essays by Heyward on topics ranging from an aesthetics of African American art to the history of Charleston Heyward's poetry is represented by eighteen pieces from the collections *Carolina Chansons* *Skylines and Horizons* and *Jasbo Brown and Selected Poems* Also included are three song lyrics Heyward wrote for the opera *Porgy and Bess* The sampling of Heyward's fiction includes the stories *The Brute* and *The Half Pint Flask* and excerpts from the

novels Porgy Mamba's Daughters and Peter Ashley Here is an ideal introduction to a figure whose inner conflicts were closely tied to those of his beloved South struggles between privilege and poverty black and white and art for the few versus art for the masses *Miracles Can Happen* Caryn Lesley, 2012-03-06 Twelve year old Katie Richards lives with her widowed mother in the heart of New York City She enjoys her life but has no clue how a chance encounter with an enchanting little lady will change her path forever Ashley Cummings leads a charmed and privileged life with one seemingly impossible challenge to face Her world holds burdens no teenager should have to bear The miracle of friendship with a touch of magic to make it come alive can change lives in an instant and make a beautiful difference forever Proceedings RMRS. ,1998
