B.

Phillips,2012-07-01 Through the eyes of the Prince of the Apostles we see Jesus as he really was in Palestine and in his transforming impact on Christians around the first century Mediterranean J B Phillips one of the best known translators of the new Testament into modern English interprets with simplicity and clarity the Gospel of Mark and the letters of Peter basing what he says on his own latest translation His conviction that the Gospel of Mark is nothing less than the writing down of Peter s own memoirs of his master and that the First Letter of Peter is authentic although the Second Letter is not making this an especially exciting commentary *A Bristol, Rhode Island, and Matanzas, Cuba, Slavery Connection* Rafael Ocasio,2019-11-22 In the early 19th century Cuba emerged as the world s largest producer of sugar and the United States its most important buyer Barely documented today there was a close commercial relationship between Cuba and the Rhode Island coastal town of Bristol The citizens of Bristol were heavily involved in the slavery trade and owned sugarcane plantations in Cuba and also served as staff workers at these facilities Available in print for the first time is a diary that sheds light on this connection Mr George Howe Esquire 1791 1837 documented his tasks at a Bristolian owned plantation called New Hope which was owned by well known Bristol merchant slave trader and US senator James DeWolf 1764 1837 Howe expressed mixed personal feelings about local slavery work practices He felt lucky to be employed and was determined to do his job well in spite of the harsh conditions operating at New Hope but he also struggled with his personal feelings regarding slavery Though an oppressive system it was at the core of New Hope s financial success and therefore Howe s well being as an employee This book examines Howe s diary entries in the thematic context of the local Costumbrista literary production Costumbrismo both documented local customs and critically analyzed social ills In his letters to relatives and friends Howe depicted a more personal reaction to the underpinnings of slavery practices a reaction reflecting early abolitionist sentiments

Classics in Russia 1700-1855 Marinus Antony Wes,1992 What role did classical Graeco Roman culture play in eighteenth and nineteenth century Russian society on the institutional level as well as in the lives of individual Russian intellectuals Through a series of case studies of classics in action the book illustrates the tension between aims and results expectations and achievements

Portraits in Life and Death Peter Hujar,2024-10-08 A new edition of the cult classic photography book by the legendary Peter Hujar I am moved by the purity of Hujar s intentions These memento mori can exorcise morbidity as effectively as they evoke its sweet poetry and its panic Susan Sontag Portraits in Life and Death is the only book of photographs published by Peter Hujar during his lifetime The twenty nine portraits of creative people ranging from William Burroughs Susan Sontag and John Waters to Larry Ree founder of the Tocadoero Gloxinia Ballet Company and T C whose identity is unclear possess a haunting beauty and degree of psychological examination that is both offbeat and riveting Following the portraits come eleven images that can only be described as devastating pictures of semi preserved clothed bodies of nineteenth century Sicilians found in the arid catacombs beneath a church in Palermo There is no necessary connection in the photographs themselves or between the two sections of the book yet the pictorial progression from life to death is an emblem of the journey we all take The living subjects seem to be meditating on the mortality that is limned with such profound effect in the catacomb pictures In different ways both groups of images speak to the basic fears and emotions that we carry with us somewhere beyond our consciousness After viewing this extraordinary book it is almost impossible not to make those connections and interpretations or be moved by Hujar s consistent ability to convey what appears to be the inner spirit of his subjects Even so an air of nonchalance even gaiety hovers over the photographs The book is odd oblique sometimes opaque and certainly deeply felt but it sticks to the mind like a burr It will be noticed Once seen it cannot be forgotten
