*Peter* Meyer F. B., 1901      **Peter** F. B. Meyer, 2015-07-18 F B Meyer was a popular Baptist preacher with a zeal to draw others into his faith The lives of biblical figures inspired him perhaps most of all and so through them he reached out to others *Peter Fisherman Disciple Apostle* is a work that teaches in an accessible way about the life of a man who was perhaps first among equals with the other apostles As Meyer himself points out Peter somehow feels closer to the ordinary man than the other disciples John calls to preachers and converts whilst Peter is a familiar figure of a young man setting out in the world seeking a greater purpose and forsaking what is safe and reliable Peter feared that Jesus had not perceived in him the feebleness and changeability he felt Now hot with impulse then cold as the snows of Lebanon he treads where every man and woman treads on a path of self doubt and uncertainty With a new name bestowed on him and a new purpose instilled in him however Peter begins a quest much greater than the one he originally began by mooring his boat and setting out from his home town This book is ideal for those who enjoy theological reading in a narrative style It is accessible but detailed and the use of simile and metaphor make the text lively Meyer compares souls in God s eyes memorably with Michelangelo eyeing marble freeing the potential within Theological students biography enthusiasts and those seeking Christian devotional reading will be delighted with this particularly out of Meyer s impressive body of work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Peter: Fisherman, Disciple, Apostle** F. B. Meyer, 2018-12-14 Peter comes nearer to us than any of his brother Apostles We revere James the brother of our Lord for his austere saintliness We strain our eyes in the effort to follow John to the serene heights whither his eagle wing bore him But Peter is so human so like ourselves in his downittings and uprisings so compassed with infirmity that we are encouraged to hope that perhaps the Great Potter may be able to make something even of our common clay When walking over his farmstead with a friend we came on a field which on a former visit appeared to be choked with thistles He had bought it at a cheap rate because of its derelict condition But it had been carefully drained and enriched Much care and science had been expended on it and to my friend s surprise a rich crop of clover resulted The long buried seed had lain starved and hopeless in the soil till the rich culture had called it into evidence It needed the Saviour s insight to discover an Apostle in Simon Bar jona the fisherman and the Saviour s patient culture to elicit the dormant qualities of his character which speak in every paragraph of his Epistles and fitted him to be the leader of the Primitive Church But if the Master could do so much for him what may He not effect my reader for thee and me CrossReach Publications      *Peter,*
