Portrait Of Evil:

Portrait Stories Michal Peled Ginsburg, 2014-12-15 What makes stories about portraits so gripping and unsettling Portrait Stories argues that it is the ways they problematize the relation between subjectivity and representation Through close readings of short stories and novellas by Poe James Hoffmann Gautier Nerval Balzac Kleist Hardy Wilde Storm Sand and Gogol the author shows how the subjectivities of sitter painter and viewer are produced in relation to representations shaped by particular interests and power relations often determined by gender as well as by class She focuses on the power that can accrue to the painter from the act of representation often at the expense of the portrait s subject while also exploring how and why this act may threaten the portrait painter s sense of self Analyzing the viewer s relation to the portrait she demonstrates how portrait stories problematize the very act of seeing and with it the way subjectivity is constructed in the field of vision Portrait of Evil , Portrait of Evil Charlotte Hosie Nymark, 2014-04-03 One of the greatest tragedies a person can experience is the death of his or her child The pain is absolutely excruciating and it takes months maybe even years before the bereaved parent can again approach life with an even keel let alone with a smile So why is it that the day after her twenty six year old son s death Lilith was seen laughing in public Shouldn t she have been crying or screaming instead in a twilight of disbelief in a stunned almost catatonic state When Nymark asked herself these very questions the answer she came up with chilled her to her core The young man she determined probably wasn t dead and his demise was likely just another of Lilith s evil schemes But what kind of person let alone a mother would do such an unthinkable thing Portrait of Evil chronicles Lilith s history of evil acts in a small town in Florida including her involvement in multiple murders A fictional account loosely based on real people and events it s sure to surprise you with every turn of the page and leave you thinking about the nature of evil and how it manifests itself in the world around us **The Picture of Dorian Gray** Oscar Wilde, 1998-02-23 In Oscar Wilde s famous novel Dorian Gray is tempted by Henry Wotton to sell his soul in order to hold on to beauty and youth Dorian succumbs and murders the portrait painter Basil Haliward who stands between him and his goal Though in the end vice is punished and virtue rewarded the novel remains one of the most important expressions of fin de sie cle decadence It is in the preface to the expanded edition of The Picture of Dorian Gray that Wilde coined the most famous expression of his aesthetic There is no such thing as a moral or an immoral book Books are well written or badly written That is all Like other Broadview Editions this edition includes a wide range of materials from the period that help to set the text in context In particular the editor locates the text both in relation to elements in the mainstream culture of the day such as the aesthetes and in relation to the gay subculture Re-Membering the Body Anthony R. Cross, Brian Haymes, 2021-07-08 This volume celebrates the ministry and theological contribution of Dr Ruth Gouldbourne one of the foremost Baptist and Free Church women ministers and scholars in Britain and Europe Following studies at St Andrews University and King s College London and ministerial training at Spurgeon s College she served at Bloomsbury Central Baptist Church the Free Church

Vanessa Wensley Clarkson,2011-10-06 The compelling and disturbing true story of Vanessa George and the evil abuse she doled out upon the children of more than 300 families As a nursery worker wife and mother she was a figure to place trust in Yet her adulterous relationship and sick love triangle with Colin Blanchard and Angela Allen drew her into a dark world of violence and sexual abuse To compete for Blanchard s attention she would do everything in her power to impress him even if this meant committing unspeakable acts of sexual violence on children as young as two years old What could have driven a mother to betray not only her daughters and loving husband but the very families who entrusted her with their children How could a seemingly caring women become engaged in a sordid and vile love triangle with a man and woman she had never met Were there events in her own childhood that pushed her to commit these acts True crime expert Wensley Clarkson pieces together the events surrounding the case as well as new investigative research to compile a fascinating yet disturbing account of a case which shocked a nation We may never know the full extent of Vanessa George s cruelty but the horror of her story will remain as a chilling memory for generations

Devices and Desires P. D. James,2011-10-05 NATIONAL BESTSELLER Featuring the famous Commander Adam Dalgliesh Devices and Desires is a thrilling and insightfully crafted novel of fallible people caught in a net of secrets ambitions and schemes on a lonely stretch of Norfolk coastline Part of the bestselling mystery series that inspired Dalgliesh on Acorn TV Taut Absorbing Better than her best The New York Times Book Review A masterful writer Devices and Desires seems to be that highly prized work a terrific tale of suspense and detection that also delivers the satisfaction of a mainstream novel The Wall Street Journal Commander Dalgliesh of Scotland Yard has just published a new book of poems and has taken a brief respite from publicity on the remote Larksoken headland on the Norfolk coast in a converted windmill left to him by his aunt But he cannot so easily escape murder A psychotic strangler of young women is at large in Norfolk and

getting nearer to Larksoken with every killing And when Dalglish discovers the murdered body of the Acting Administrative Officer on the beach he finds himself caught up in the passions and dangerous secrets of the headland community and in one of the most baffling murder cases of his career *Portrait of the Kings* Alison L. Joseph,2015 Joseph examines the narrative techniques used in the Deuteronomistic History to portray Israel's kings While David is constructed as a model of adherence to the covenant Jeroboam is constructed as the ideal opposite other kings are characterized along one or the other of these two models The narrative functions didactically instructing kings and the people of Judah regarding the consequences of disobedience Joseph identifies differences between pre exilic and exilic redactions in the Deuteronomistic History offering a deepened understanding of the worldview and theology of this important biblical work Hawthorne's Visual Artists and the Pursuit of a Transatlantic Aesthetics Kumiko Mukai,2008 Among Hawthorne's primary themes the visual arts have usually been regarded as an afterthought and have only been examined to elucidate his own personal philosophy Hawthorne's own contemporaries derided him for his mediocre aesthetics and that view has been taken as received wisdom up to the present day This study reexamines Hawthorne's aesthetics and suggests that he was much more familiar with the art and artists of the time than has previously been acknowledged by critics He developed his own eclectic and transatlantic view of art a view which incorporated decorative arts like embroidery while maintaining a modest estimation of his own talents This book examines the full range of visual artists whom Hawthorne portrays It argues that these portrayals illuminate the artist's dilemma of being fettered by New England Puritanism while at the same time being attracted to the richness and depth of both Victorian aesthetics and the artistic sense of Old World Catholicism The ambiguous destinies of his artist characters include misunderstandings and disputes while at the same time they suggest a reconciliation of the conflicting sentiments and transatlantic perspectives of the writer himself The Russian Hoffmannists Charles E. Nathaniel Hawthorne Herman Melville Honor de Balzac and George Eliot show for several types of pre cinematic spectacle It also identifies a so far neglected aspect of novel theory that nineteenth century authors elaborated by incorporating suggestions from pre cinematic visual spectacles By shedding light on forms of visibility that were not entertained by the dominant aesthetic modes of painting and photography The Nineteenth Century Novel and the Pre Cinematic Imagination argues that the presence of nineteenth century pre cinematic optical illusions in works of fiction redefines the notion of mimesis as animated movement and points to a continuity between pre cinema the literary imagination and the structures of knowledge production of the modern episteme *From Islands to Portraits* Sergio Perosa,2000 Throughout the long course of literature islands have accumulated uncanny connotations of death together with peculiarities of linguistic definition and expression Since the age of discovery after the Caribbean Islands America itself and later the archipelagos and atolls in the Pacific became known to travellers and conquistadores islands have been sought searched explored and physically possessed as women cultural recognition takes the form of sexual and physical possession Venus was born from the sea and is identified with an island These are the themes of the first two variations discussed in this book **Poe's Pervasive Influence** Barbara Cantalupo,2012-10-05 The essays in this collection were originally presented as talks at the Poe Studies Association's Third International Edgar Allan Poe Conference The Bicentennial in October 2009 All the essays in this volume deal with Poe's influence on authors from the United States and abroad in addition the collection also includes two examples of primary texts by contemporary authors whose work is directly related to Poe's work or life an interview with Japanese detective novelist Kiyoshi Kasai and poems by Charles Cantalupo This volume includes interpretative essays on international authors whose work reflects back on Poe's work Edogawa Rampo from Japan Lu Xun from China Fernando Pessoa E a de Queir's and Ramalho Ortig o from Portugal Angela Carter from England and Nikolai Gogol from Russia The essays in this collection complement and extend a project begun by Lois Vines Poe Abroad University of Iowa Press 1999 and take a wider perspective on Poe's influence with essays on Poe's impact on American authors William Faulkner Mary Oliver Joyce Carol Oates Nathaniel Hawthorne Herman Melville and Harriet Jacobs **Brotherhood of Locomotive Firemen and Enginemen's Magazine** ,1908 **A Voice from Zion** ,1901 *Portraits of the King* J. Alexander Rutherford,2024-06-27 Yahweh the God of the Bible is no bigger better human he is the creator of not just humans but everything He has no creator and needs nothing from no one He will not and cannot cease to exist He never makes mistakes he is never caught off guard he never fails On the other hand he has made himself known He is not the ineffable One of Plotinus and the philosophers indescribable and unknowable met only in mystical encounters God is not only great in his vast distance over us but he is also simultaneously close in his tender kind presence with us In Yahweh alone is inexhaustible greatness in him alone is true greatness made known When we read about God in the Bible we are not given universal statements about God's attributes though these have their place we are shown portraits of the Great God as he relates to us his creatures From these portraits

we not only come to know God truly and deeply as we come to truly know our spouse or friends by witnessing what they do and say but we are forced to respond to the God we come to know As we are struck with awe even despair in the presence of the natural wonders beholding God s greatness in Scripture must move us We ought to be and often are led to trembling worship before the God who is truly Great Read this short book delight in the God you meet there and then set yourself to the lifelong task of discovering once again the living true God the great God Yahweh
