Red is the first book to explore the history of red hair and red headedness throughout the world More than just a book for redheads Red is a fascinating social and cultural celebration of a rich and mysterious genetic quirk With an obsessive fascination that is as contagious as it is compelling the book explores red hair in the ancient world the prejudice manifested against redheads across medieval Europe and red hair during the Renaissance as both an indicator of Jewishness and the height of fashion in Protestant England thanks to Elizabeth I It also examines depictions of red hair in art and literature looks at modern medicine and the genetic decoding of redheads and considers red hair in contemporary culture from advertising to gingerism and bullying Red Hair Glyn Elinor,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Red** Jacky Colliss Harvey,2015-06-09 Red is a brilliantly told captivating history of red hair throughout the ages A book that breaks new ground dispels myths and reinforces the special nature of being a redhead with a look at multiple disciplines including science religion politics feminism and sexuality literature and art With an obsessive fascination that is as contagious as it is compelling author Jacky Colliss Harvey herself a redhead begins her exploration of red hair in prehistory and traces the redhead gene as it made its way out of Africa with the early human diaspora to its emergence under Northern skies She goes on to explore red hair in the ancient world the prejudice manifested against red hair across medieval Europe red hair during the Renaissance as both an indicator of Jewishness during the Inquisition and the height of fashion in Protestant England under the reign of Henry VIII and Elizabeth I the modern age of art and literature and the first positive symbols of red hair in children's characters modern medicine and science and the genetic and chemical decoding of red hair and finally red hair in contemporary culture from advertising and exploitation to gingerism and the new movement against bullying **The Red Man's Bones** Benita Eisler,2013-07-23 The first biography in over sixty years of a great American artist whose paintings are more famous than the man who made them George Catlin has been called the first artist of the West as none before him lived among and painted the Native American tribes of the Northern Plains After a false start as a painter of miniatures Catlin found his calling to fix the image of a vanishing race before their extermination his word by a government greedy for their lands In the first six years of the 1830s he created over six hundred portraits unforgettable likenesses of individual chiefs warriors braves squaws and children belonging to more than thirty tribes living along the upper Missouri River Political forces thwarted Catlin's ambition to sell

what he called his Indian Gallery as a national collection and in 1840 the artist began three decades of self imposed exile abroad For a time his exhibitions and writings made him the most celebrated American expatriate in London and Paris He was toasted by Queen Victoria and breakfasted with King Louis Philippe who created a special gallery in the Louvre to show his pictures But when he started to tour live troupes of Ojibbewa and Iowa Catlin and his fortunes declined He changed from artist to showman and from advocate to exploiter of his native performers Tragedy and loss engulfed both This brilliant and humane portrait brings to life George Catlin and his Indian subjects for our own time An American original he still personifies the artist as a figure of controversy torn by conflicting demands of art and success **Red Hair** Elinor Glyn, 2017-11-11
