Gender and Nation in the Spanish Modernist Novel Roberta Johnson, 2003. Offering a fresh revisionist analysis of Spanish fiction from 1900 to 1940 this study examines the work of both men and women writers and how they practiced differing forms of modernism. As Roberta Johnson notes Spanish male novelists emphasized technical and verbal innovation in representing the contents of an individual consciousness and thus were more modernist in the usual understanding of the term. Female writers on the other hand were less aesthetically innovative but engaged in a social modernism that focused on domestic issues gender roles and relations between the sexes. Compared to the more conventional even reactionary ways their male counterparts treated such matters Spanish women's fiction in the first half of the twentieth century was often revolutionary. The book begins by tracing the history of public discourse on gender from the 1890s through the 1930s a discourse that included the rise of feminism. Each chapter then analyzes works by female and male novelists that address key issues related to gender and nationalism the concept of *intrahistoria* or an essential Spanish soul modernist uses of figures from the Spanish literary tradition notably Don Quixote and Don Juan biological theories of gender prevalent in the 1920s and 1930s and the growth of an organized feminist movement that coincided with the burgeoning Republican movement. This is the first book dealing with this period of Spanish literature to consider women novelists such as Maria Martinez Sierra Carmen de Burgos and Concha Espina alongside canonical male novelists including Miguel de Unamuno Ramon del Valle Inclin and Pio Baroja. With its contrasting conceptions of modernism Johnson's work provides a compelling new model for bridging the gender divide in the study of

Spanish fiction **The Spanish Literary Generation of 1968** William M. Sherzer, 2012-05-04 The Spanish Literary Generation of 1968 Jos Maria Guelbenzu Lourdes Ortiz and Ana Mar a Moix serves multiple purposes Most importantly it is an overview of an important moment in Spanish literary history that is connected to an extremely important moment in world history 1968 as well as what that year represents in many countries such as France Germany Mexico and the United States This text aims to show how young writers who were coming of age precisely at that moment incorporated into their novels the new ideas that they found in the writing of many foreign authors generally unknown to previous generations whose works were essential to their development The author has focused on three authors who he feels are most representative of their generation and follows with a lengthy study of the critical reception they have received over time Finally in an appendix one will find excerpts of an unpublished novel by Lourdes Ortiz and interviews with all three authors It is hoped that this text with its extensive bibliography will serve as a valuable source for students and professors alike *Madness and Irrationality in Spanish and Latin American Literature and Culture* Lloyd Hughes Davies, 2020-06-01 The subject matter is topical madness has universal and enduring appeal The positive aspects of the irrational particularly its potential for cultural renewal are given more prominence than has been the case in the past The coverage is wide ranging new critical angles enrich our understanding of major writers while the appeal of lesser known figures is highlighted often by means of a comparative perspective *Roberto Bolaño In Context* Jonathan B. Monroe, 2023-01-05 From his first fifteen years in Chile to his nine years in Mexico City from 1968 to 1977 to the quarter of a century he lived and worked in the Blanes Barcelona area on the Costa Brava in Spain through his death in 2003 Roberto Bola o developed into an astonishingly diverse prolific writer He is one of the most consequential and widely read of his generation in any language Increasingly recognized not only in Latin America but as a major figure in World Literature Bola o is an essential writer for the 21st century world This volume provides a comprehensive mapping of the pivotal contexts events stages and influences shaping Bola o s writing As the wide ranging investigations of this volume s 30 distinguished scholars show Bola o s influence and impact will shape literary cultures worldwide for years to come **Nomadic New Women** Renée M. Silverman, Esther Sánchez-Pardo, 2024-11-08 Nomadic New Women Exile and Border Crossing between Spain and the Americas Early to Mid Twentieth Century examines how gender and sexuality border crossing and exile intersect in women s intellectual and artistic practices during the volatile historical period of the first half of the twentieth century in and around Spain and the Americas Each of the twelve chapters in this highly interdisciplinary volume analyzes the combined impact of gender and sexual identity and the traversing of particular national and world regional boundaries on creative work Together and separately the contributors push the limits of past and present research on exile and migration displacement and nomadism to reveal how the complex interrelationships among gender sexuality and cultural production come under intense pressure by the crossing of borders **La imposibilidad de "la mujer" presentada en cinco novelas postfranquistas** Astrid

Antoinette Billat, 2004 Después de la muerte del dictador Francisco Franco en 1975 la nueva España democrática le ofrece a la mujer española más libertades. Numerosos autores españoles tratan estos cambios en su obra literaria. En este trabajo examino cinco de ellas: Las edades de Lulú por Almudena Grandes, La pasión turca por Antonio Gala, Con Agatha en Estambul por Cristina Fernández Cubas, El vergel por Josefina Aldecoa y El asesino de los sueños por Concha Alés. Aunque estos autores en su novela reflejan tal emancipación también muestran a unas protagonistas atrapadas en su rol social de mujer. A pesar de sus numerosos intentos de escape por la experimentación sexual, el viaje y el exotismo, las protagonistas nunca logran evadirse de su posición social y por consecuencia permanecen atrapadas en la imposibilidad existencial de la mujer. *Hispanic Journal*, 1999. *Bulletin of the Comediantes* (Association), 2003. *Current Contents.
