Selected Letters Of William Allen White:

Selected Letters of William Allen White, 1899-1943 William Allen White, 1968 **Selected Letters of William Allen White, 1899-1943** William Allen White, 1968 *Selected Letters of William Allen White 1899-1943* Walter Johnson, 1947

Selected Letters of William Allen White 1899 1943 Winthrop Professor of History and Professor of African and African American Studies Walter Johnson, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **William Allen White** Jack Wayne Traylor, 2019-02-12 Once upon a time William Allen White of Emporia Kansas was a household name in America An acquaintance of every twentieth century president from Theodore Roosevelt to Franklin Roosevelt he held a close friendship with the former and generally was an admirer of the latter White allied himself with the Progressive movement early in the twentieth century originally from the influence of T R but also from others such as Woodrow Wilson The author of numerous books both fiction and non fiction and an important political advisor within the Republican party although he traveled and spoke often both in the United States and sometimes abroad White nevertheless was most proud of the fact that he was a small town newspaper editor in Emporia until his death there in 1944 He was an important supporter of middle class and middle western values but a close examination of his writings from the end of World War I until 1944 shows that he was most concerned about support for democracy which he defined as Christianity institutionalized This came at a time when democratic principles were coming under scrutiny or outright attack both at home and abroad Politically he always sought to promote the moderate course attempting to bring both major parties together in a common ground Even though he is not widely known today perhaps his message has a significant value to twenty first century America *William Allen White's America* Walter Johnson, 1947 **"Too Good a Town"** Edward G. Agran, 1999-07-01 For fifty years William Allen White first as a reporter and later as the long time editor of the Emporia Gazette wrote of his small town and its Mid American values By tailoring his writing to the emerging urban middle class of the early twentieth century he won his gospel of Emporia a nationwide audience and left a lasting impact on he way America defines itself Investigating White s life and his extensive writings Edward Gale Agran explores the dynamic thought of one of

America's best read and most respected social commentators Agran shows clearly how White honed his style and transformed the myth of conquering the western frontier into what became the twentieth century ideal of community building. Once a confidante of and advisor to Theodore Roosevelt, White addressed and reflected in his work all the great social and political oscillations of his time: urbanization and industrialism, populism and progressivism, isolationism and internationalism, Prohibition and New Deal reform. Again and again he asked the question: What's the matter about his times and townspeople then found the middle ground. With great care and discernment Agran gathers the many strains of White's messages, demonstrating one writer's pivotal contribution to our idea of what it means to be an American.

Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30. The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings. The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people, reflecting as well as shaping the evolving sense of individual and collective identity, meaning, and values. Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time. Philip A. Greasley's introduction fills in background information and describes the philosophy, focus, methodology, content, and layout of entries as well as criteria for their inclusion. An extended lead essay, "The Origins and Development of the Literature of the Midwest," by David D. Anderson provides a historical, cultural, and literary context in which the lives and writings of individual authors can be considered. This volume is the first of an ambitious three-volume series sponsored by the Society for the Study of Midwestern Literature and created by its members. Volume Two will provide similar coverage of non-author entries such as sites, centers, movements, influences, themes, and genres. Volume Three will be a literary history of the Midwest. One goal of the series is to build understanding of the nature, importance, and influence of Midwestern writers and literature. Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works.

Letters of the Century Lisa Grunwald, Stephen J. Adler, 2008-04-08. Immediate and evocative letters witness and fasten history-catching events as they happen, write Lisa Grunwald and Stephen J. Adler in their introduction to this remarkable book. In more than 400 letters from both famous figures and ordinary citizens, *Letters of the Century* encapsulates the people and places, events and trends that shaped our nation during the last 100 years. Here is Mark Twain's hilarious letter of complaint to the head of Western Union; an ecstatic letter from a young Charlie Chaplin upon receiving his first movie contract; Einstein's letter to Franklin Roosevelt warning about atomic warfare; Mark Rudd's generation-gap letter to the president of Columbia University during the student riots of the 60s; and a letter from young Bill Gates imploring hobbyists not to share software so that innovators can make some money. In these pages, our century's most celebrated figures become everyday people, and everyday people become part of history. Here is a veteran's wrenching letter

left at the Vietnam Wall a poignant correspondence between two women trying to become mothers a heart breaking letter from an AIDS sufferer telling his parents how he wants to be buried an indignant e mail from a PC user to his on line server Letters write Grunwald and Adler give history a voice Arranged chronologically by decade illustrated with over 100 photographs Letters of the Century creates an extraordinary chronicle of our history through the voices of the men and women who have lived its greatest moments

A Bibliography of William Allen White Kansas State Teachers College of Emporia, 1969 This bibliography was prepared and published by the Kansas State Teachers College Emporia Kansas in recognition of the 1968 centennial anniversary of the birth of William Allen White the late editor of The Emporia Gazette It is a listing of all manuscripts and articles by or about Mr White that are preserved in the White Collection in the William Allen White Library on the college campus

William Allen White E. Jay Jernigan, 1983

Origins of the New South, 1877-1913 C. Vann Woodward, 1981-08-01 Winner of the Bancroft Prize After more than two decades Origins of the New South is still recognized both as a classic in regional historiography and as the most perceptive account yet written on the period which spawned the New South Historian Sheldon Hackney recently summed it up this way The pyramid still stands Origins of the New South has survived relatively untarnished through twenty years of productive scholarship including the eras of consensus and of the new radicalism Woodward recognizes both the likelihood of failure and the necessity of struggle It is this profound ambiguity which makes his work so interesting Like the myth of Sisyphus Origins of the New South still speaks to our condition This enlarged edition contains a new preface by the author and a critical essay on recent works by Charles B Dew

Defender of the Faith Lawrence W. Levine, 1987 Defender of the Faith offers a reinterpretation of William Jennings Bryan in his last years as an unchanging Progressive whose roots were deeply embedded in agrarian populism It changes the standard picture of Bryan in his final years as that of a crusader for social and economic reform sadly transformed into a reactionary champion of anachronistic rural evangelism cheap moralistic panaceas and Florida real estate He pleaded for for progressive labor laws liberal taxes government aid to farmers public ownership of railroads telegraphs and telephones federal development of water resources minimum wages for labor and other advanced causes

The Perils of Prosperity, 1914-1932 William E. Leuchtenburg, 1993-09-15 Traces the transformation of the United States from an agrarian isolationist nation into a liberal industrialized power entangled in foreign affairs in spite of itself

California's Prodigal Sons Spencer C. Olin, 2023-11-15 California's Prodigal Sons Hiram Johnson and the Progressives 1911 1917 provides an in depth examination of the transformative Progressive Era in California under the leadership of Governor Hiram W Johnson This study shifts the focus from ideological analysis to practical governance chronicling Johnson's efforts to implement reform and establish efficient public services that prioritized the public good over special interests With its chronological approach the book explores key legislative accomplishments addressing railroad control corruption labor conditions and resource management Drawing on newly available manuscripts including the Hiram Johnson Papers the book

offers fresh insights into Johnson's administration and its lasting impact on state and national progressivism. In addition to highlighting Johnson's reforms, the book delves into the intense conflict between progressives and conservatives during this era, culminating in the pivotal 1916 Hughes campaign which tested Johnson's political dominance. The narrative captures the dynamic interplay of politics, personality, and policy, revealing Johnson as a zealous leader whose identity was deeply intertwined with his reform agenda. Through detailed analysis and rich historical context, California's Prodigal Sons sheds light on the broader Progressive movement while offering a compelling portrait of a pivotal figure in California's history. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1968.

Righteous Pilgrim: The Life and Times of Harold L. Ickes, 1874-1952 T. H.

Watkins, 2019-08-15 Born in rural western Pennsylvania, Harold LeClair Ickes (1874-1952) son of a gambler, womanizer, drunk father, and of a strictly reared Presbyterian mother, grew up desperately poor and desperately ambitious. He became a Chicago newsman during its gilded era, a key figure in the Progressive Party, and in FDR's cabinet, became America's longest-serving and most influential Interior Secretary. As Interior Secretary, he helped change the face of America, forging that department into the most powerful tool for the protection of our lands. He was also a major force in reshaping the character and quality of American society, often seeming to speak ex cathedra as the conscience of FDR's administration. Opinionated, vigorously outspoken, as impassioned defending minorities as defending our wild places, Ickes, who happily styled himself the Old Curmudgeon, was arguably the most controversial and most beloved figure in the New Deal. When Ickes wrote his first column in the New Republic, the editors of the magazine introduced him on May 2, 1949, as old enough to be called an Elder Statesman, but he is too salty for that label. He himself has cheerfully accepted the epithet of Curmudgeon, which likewise is insufficient to his case. A more accurate description would be that he is America's most venerable progressive and one of the stoutest fighters at any age for justice and good government. *Righteous Pilgrim* was a non-fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award, an outstanding biography that is also a major work of social history spanning the first half of the 20th century. Ickes was a courageous public servant who in *Righteous Pilgrim* receives long overdue recognition. Herbert Mitgang, *The New York Times*, highly successful. Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation, this is an appreciative biography of a man who was so temperamental, thin-skinned, and bluntly outspoken that he acknowledged these traits himself. This thoughtful, readable, and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal. *Righteous Pilgrim* is likely to be one of the most significant histories of the Progressive and New Deal reform impulse to appear in a decade. Howard R. Lamar, Washington

Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn't put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins's biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward

The Wisdom of the Great Sam Majdi, 2012-03 For nearly two decades he has been reading studying researching and compiling the best and most impressive quotations for writing The Wisdom of The Great The book is about the lives works achievements and quotations of over 450 notables from 50 countries of the world It contains over 2600 quotations in the span of three millenniums 9th century B C to the present time Nearly 250 of the individuals have detailed biographies It is arranged chronically and has a comprehensive glossary names index and subject index What is great about this book is that there are 86 notables 68% whose names are mentioned in the book People Who Made America And 30 people in the book 100 People Who Influenced and Changed the World It is not only a quotation book but also a literary piece a book of biographies and an accurate reference book Read them again and again seeking their wisdom their joy their passion and their beauty The Wisdom of the Great has been accepted for the 2013 Kansas Notable Books List

Rhetoric As Currency Davis W. Houck, 2001 Hoover the president of economic depression Roosevelt the president of recovery the public images of these two men are so firmly fixed that they offer shorthand ways to talk about the era we know as the Great Depression Yet their views on economic policy for taking the country out of its greatest economic calamity were not so different as is often supposed Indeed the famed journalist Walter Lippmann once claimed that Roosevelt's legislative measures represented a continuous evolution of the Hoover measures Moreover both Hoover and Roosevelt shared a Keynesian conviction that public confidence was vital to recovery They differed markedly of course in their ability to restore that confidence Roosevelt's advantage lay

not just in his position in the changing of the guard He employed a skilled staff of speech writers and he had the negative example of Hoover before him from which to plot rhetorical strategies that would be more effective In Rhetoric as Currency Houck uses the historical context of the Great Depression to explore the relationship of rhetoric to the economy and specifically economic recovery He closely analyzes Hoover s rhetorical corpus from March 4 1929 through March 3 1933 and Roosevelt s from January 3 1930 through June 16 1933 This longitudinal study allows him to understand rhetoric as a process rather than a series of isolated discrete products Houck first examines Hoover s presidential rhetoric tracing its paradoxes and the radical shift that occurred in the final year of his administration The Depression in his rhetoric was a foe to be vanquished by an optimistic Christian and civic faith not federal legislation Once he determined that federal intervention was indeed required he could not return to the dais rather he relied on an antagonistic press to carry his message of confidence Abdicating the rhetorical pulpit he left it in the hands of those opposed to him Houck then studies the economic rhetoric of Franklin Roosevelt as governor candidate president elect and finally president He traces the key similarities and differences in Roosevelt s economic rhetoric with particular attention to an embodied economics wherein recovery was premised less on mental optimism than a physical active confidence

The Great Depression David F. Burg, 2009 Presents a history of the Great Depression including the events that led up to it and the New Deal that followed with chronologies personal narratives and documents

Herbert Hoover in the White House Charles Rappleye, 2017-05-23 Describes the uphill battle faced by the thirty first president who served his single term during the Great Depression portraying the man as bright well meaning and energetic but ultimately lacking in the tools of leadership Publisher

Whispering the Secrets of Language: An Psychological Journey through **Selected Letters Of William Allen White**

In a digitally-driven earth wherever screens reign supreme and immediate communication drowns out the subtleties of language, the profound secrets and mental nuances concealed within words frequently move unheard. Selected Letters Of William Allen White Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Selected Letters Of William Allen White PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Selected Letters Of William Allen White PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Selected Letters Of William Allen White free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Selected Letters Of William Allen White Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Selected Letters Of William Allen White is one of the best book in our library for free trial. We provide copy of Selected Letters Of William Allen White in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Selected Letters Of William Allen White. Where to download Selected Letters Of William Allen White online for free? Are you looking for Selected Letters

Of William Allen White PDF? This is definitely going to save you time and cash in something you should think about.
