**classification and representation of the clifford algebras an** - Mar 21 2022

web abstract in this chapter the classification and representation of clifford algebras are introduced and discussed some important theorems regarding the structure of clifford algebras are presented later on these are used for the classification and construction of the representations of the clifford algebras as well

**clifford algebras and spinors cambridge university press** - Jul 05 2023

web a new classification of spinors is introduced based on bilinear covariants of physical observables this reveals a new class of spinors residing between the weyl majorana and dirac spinors scalar products of spinors are classified by involutory anti automorphisms of clifford algebras this leads to the chessboard of automorphism groups of

**pdf clifford algebras and spinors researchgate** - Jul 25 2022

web jun 16 2011 abstract expository notes on clifford algebras and spinors with a detailed discussion of majorana weyl and dirac spinors the paper is meant as a review of background material needed in

**spin and clifford algebras an introduction springerlink** - May 23 2022

web oct 22 2009 in this short pedagogical presentation we introduce the spin groups and the spinors from the point of view of group theory we also present independently the construction of the low dimensional clifford algebras and we establish the link between the two approaches
