

THE LONG MARCH OF THE FRENCH LEFT — R.W. JOHNSON —

By the author of 'How Long Will South Africa Survive?'

Long March Of The French Left

Gino G. Raymond

Long March Of The French Left:

The Long March of the French Left R.W. Johnson,1981-03-19 *The Left's Dirty Job* W. Rand Smith,2010-06-15 The Left's Dirty Job compares the experiences of recent socialist governments in France and Spain examining how the governments of Francois Mitterrand 1981 1995 and Felipe Gonzalez 1982 1996 provide a key test of whether a leftist approach to industrial restructuring is possible This study argues that in fact both governments's policies generally resembled those of other European governments in their emphasis on market adapting measures that eliminated thousands of jobs while providing income support for displaced workers Featuring extensive field work and interviews with over one hundred political labor and business leaders this study is the first systematic comparison of these important socialist governments *Marxism and the French Left* Tony Judt,2011-05-01 Unlike most books which treat labor Socialist and Communist history separately and view French Marxism as a self contained philosophical phenomenon Marxism and the French Left offers a refreshingly different approach to the subject Judt emphasizes the complex and interwoven themes that unify the topics of his essays to construct a distinctive and original interpretation of French left wing politics over the past 150 years A well informed and persuasive reinterpretation of the old French Left that is now receding beyond recall except for historians Times Literary Supplement *The French Left and the Fifth Republic* John Gaffney,1989-02-06 An examination of the ways in which the French Left adapted through a series of transformations to the exigencies of presidentialism and the myths which underpin it The study aims to illustrate the crucial role played by language in the political practice of representative democracy *Mapping the West European Left* Patrick Camiller,Perry Anderson,2020-05-05 Organized as a series of tightly linked comparative assessments Mapping the West European Left provides a guide to the state of the left in Sweden Norway Denmark Germany Britain France Italy and Spain While all the essays are detailed historical compositions setting recent crises and dilemmas in a longer perspective reaching back into the postwar settlement they articulate original insights into the contemporary political conjuncture Why did Swedish social democracy lose hegemony and direction while its Norwegian counterpart showed unexpected resilience What was the background to the Danish rebellion against Maastricht What are the prospects for the SPD and the Greens in post unification Germany Should the British Labour Party embrace electoral reform What propelled the French Socialist Party from triumph to disaster And why did the Italian left fail to fill the vacuum created by the collapse of the Christian Democrats Behind the questions explored by the contributors to Mapping the West European Left lie deeper issues concerning the future of radical politics in Europe after the repudiation of Keynesianism and the end of communism With the individual country analyses synthesized by the editors in a concise and comprehensive introductory essay this book provides key pointers to the social forces and ideological platforms that offer lines of advance to the left today **Intellectuals and the French Communist Party** Sudhir Hazareesingh,1991 This work examines the emergence and subsequent demise of intellectual identification

with the French Communist Party arguing that after 1978 political conflicts between the Communist leadership and party intellectuals led to an erosion of support *The Long March of French Universities* Christine Musselin, 2013-02-01 The main point of this book is to argue that French universities experienced a quiet but important change during the last decade which allowed them to become pertinent and more autonomous actors within the French university system *The French Socialists in Power, 1981-1986* Thomas Rodney Christofferson, 1991 An overview of the Socialist movement espousing a quasi Marxist ideology before the 1981 election that discusses the conflicts of the 1970s and the 1981 electoral campaign as well as the economic problems that generated a Socialist position of implementing a very limited agenda of reforms once they had gained power *The French Left* Arthur Hirsh, 1982 **The Left and Israel** J. Edmunds, 2000-01-13 This book looks at policy change in political parties through an examination of the British and French Left's policy towards Israel in the postwar period It illuminates not only how the left dealt with the dilemmas of the Israel Arab hostilities but also the process of policy development and party democracy **The French Communist Party in the Fifth Republic** David Scott Bell, Byron Criddle, 1994 This up to date analysis of the French Communist Party sees it as an entirely unconventional political force not a normal party vying for office but a Leninist bureaucracy armed with an apocalyptic mission to deliver humanity from capitalism Its interests have been defined as part of an outpost of a world revolutionary movement and whilst its strategies may have varied they have done so in order to serve Soviet foreign policy purposes D S Bell and Byron Criddle trace the history of the Communist Party in France from its origins They focus in particular on the period since 1958 and explore the Party's unique organizational structures and international loyalties They examine structure and ideology relations with the Socialist party electoral performance and the 1980's decline in the Party's fortunes This study will be essential reading for all students of contemporary French history and politics **One Hundred Years of Socialism** Donald Sassoon, 2010-07-30 On 14 July 1889 the centenary of the French Revolution socialist parties from all corners of Europe met in Paris On the same day in the same city the Exposition Universelle was launched to mark the achievements of capitalist production The two events symbolized the beginning of the epic struggle between socialism and capitalism in Europe In this comprehensive study of a century of socialism the author traces the fortunes of the political parties of the Left in Western Europe From the rise of the Bolsheviks to the fall of the Berlin wall from the Second International through two world wars to the Cold War and the birth of the welfare state from the working class militancy and student uprisings of the 1960s through the revival of feminism and the arrival of green politics to the reluctant embrace of market economics en route to the millennium Donald Sassoon charts the course of socialism across 14 countries He shows that throughout their history the fortunes of socialism and capitalism have been inextricably linked They have grown up side by side each one challenging and seeking to destroy yet nourishing and shaping the other **Contemporary France** Jill Forbes, Nicholas LAST KNOWN ADDRESS Hewlett, Francois Nectoux, 2014-01-21 In one stimulating source this successful text provides a rigorous analysis of the political economic and

social developments in post war France The analysis is supported by specially selected French language texts and exercises This text is suitable for undergraduate students of French especially within a languages social science or business course and for courses in French Studies and European Studies

French Catholicism S. Tippet-Spirtou, 2000-01-20 The book presents authoritative and comprehensive analysis of the role of the Catholic church in France over 50 years of social political and theological change The impact of social secularization of the changing role of women attitudes to sexuality of dramatic political change from Algeria the 1960s the Mitterand era and the rise of Le Pen and of battles over education are presented in historical context The church s responses to challenges to its authority its teachings and structural resources are analysed The conclusion asks Wither the Catholic Church in modern France

The French Workers' Movement Mark Kesselman, 2018-12-07 First published in 1984 This volume brings together many of the foremost French and North American specialists on the French working class movement Although they differ substantially in their theoretical and ideological orientation they share a left perspective Their original essays provide a coherent and comprehensive analysis of the history of the movement focusing on the constraints and opportunities created by the economic crisis of the 1970s and the political change ushered in by the Socialist Party s victory in 1981

The French Communist Party During the Fifth Republic Gino G. Raymond, 2005-08-10 The demise of the French Communist Party PCF has been a recurrent feature of overviews of the Left in France for the past two decades and yet the Communists survive This study examines the factors that undermined the position of the PCF as the premier party of France but also highlights the challenges that the party faces in a society disillusioned with politics and the new strategies that it is developing in order to revive its fortunes

Historical Dictionary of France Gino Raymond, 2008-10-23 From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to Napol on Bonaparte s defeat at Waterloo to Albert Camus L Etranger and the existentialism of Jean Paul Sartre France has been a part of some of the greatest and most memorable events in human history Author Gino Raymond relates the history of these events in the second edition of the Historical Dictionary of France Through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on kings politicians authors architects composers artists and philosophers a thorough history of France is presented

State , 1981

Wellington's Redjackets Steve Brown, 2015-10-30 This book should appeal to anyone with an interest in the Napoleonic Wars and especially those with a particular enthusiasm for the Peninsular War The Napoleonic Wars Forum The assault was failing Wellington s men had stormed the walls of the great frontier fortress of Badajoz only to be beaten back with terrible losses Then on the keep of the old castle the French flag was torn down and a British officer s red jacket was hauled up the flagpole It was the signal the British were inside Badajoz This was one of the most famous incidents during the Peninsular War and marked not only the turning point in the capture of Badajoz but of the entire conflict The jacket belonged to Lieutenant James MacPherson of the 45th Nottinghamshire Regiment The 45th had landed with

Wellington at Mondego Bay in 1808 and fought with him throughout the entire Peninsular War gaining more battle honours than any other line regiment Wellington's Redjackets The 45th Nottinghamshire Regiment on Campaign in South America and the Peninsular War is one of the most detailed unit histories ever published of a regiment during the Napoleonic era As the first and only study of this regiment Wellington's Redjackets will undoubtedly be an essential purchase for those interested in Napoleonic warfare

French Presidentialism and the Election of 1995 Lorna Milne, John Gaffney, 2018-12-21 First published in 1997 this volume examines the presidential elections one of the central events of the democratic process in France and arguably the main organising principle of French politics since 1962 provide an opportunity to assess the development of the regime More significantly they allow us to assess modifications to the office of president and to French Presidentialism which are both reflected in and affected by the electoral campaign and the elections themselves This book provides such an assessment with specific reference to the candidates issues and events of the 1995 Presidential elections
