Longarm #289: Longarm in Paradise Tabor Evans,2002-11-26 Longarm sends Paradise straight to hell Marshal Monty Kilpatrick was nobody's fool That's why his killers had to take him by surprise But with a bullet in his belly Monty knew just how to right the last wrongs of his life he wrote a letter to his good friend Marshal Custis Long the one they call Longarm Now Longarm is out to avenge his good friend's murder and set things right with the man's family and he doesn't care what trail he'll have to ride man he'll have to face or girl he'll have to charm to get the job done *The Long Arm of Empire* Richard Brooks,1999 Richard Brooks examines the strategic importance of the Naval Brigades and their human side from personal testimonies They were introduced by the Royal Navy as a land warfare force to help the regular British Army during the the 19th century

Sea Fever Sam Jefferson,2015-03-12 How did a big game fishing trip rudely interrupted by sharks inspire one of the key scenes in Hemingway's *The Old Man and the Sea* How did Robert Louis Stevenson's cruise to the cannibal infested South Sea islands prove instrumental in his writing of *The Beach of Falesa* and *The Ebb Tide* How did Masfield survive Cape Horn and a near nervous breakdown to write *Sea Fever* The waters of this world have swirled through storytelling ever since the Celts spun the tale of Beowulf and Homer narrated *The Odyssey* This enthralling book takes us on a tour of the most dangerous exciting and often eccentric escapades of literature's sailing stars and how these true stories inspired and informed their best loved works Arthur Ransome Erskine Childers Jack London and many others are featured as we find out how extraordinary fact fed into unforgettable fiction *The coastal scenery, harbours, mountains, and rivers of New South Wales* Francis Myers,1886

The Distant Shore Colm Keane,2010-10-12 The Distant Shore the follow up to Colm Keane's No 1 bestseller *Going Home* is packed with a wealth of new Irish stories about life after death The book features over 70 original interviews with people from all corners of Ireland north and south Some have briefly died only to be revived by resuscitation techniques Reunions with deceased family and friends and encounters with a superior being are described The book also examines new evidence concerning near death experiences In a further departure the book features astonishing premonitions of future events Visions of dead family members are also described This book was inspired by the huge response to Colm Keane's No 1 bestseller *Going Home* a groundbreaking book that remained a top seller for many months Containing new material and insights *The Distant Shore* is indispensable reading for those wanting to know what happens when we pass away

Books in Print Supplement ,2002 **Books in Print** ,1991 Unwelcome Americans Ruth Wallis Herndon,2010-11-24 Selected by *Choice* magazine as an Outstanding Academic Title In eighteenth century America no centralized system of welfare existed to assist people who found themselves without food medical care or shelter Any poor relief available was provided through local taxes and these funds were quickly exhausted By the end of the century state and national taxes levied to help pay for the Revolutionary War further strained municipal budgets In order to control homelessness vagrancy and poverty New England towns relied heavily on the warning out system inherited from English law

This was a process in which community leaders determined the legitimate hometown of unwanted persons or families in order to force them to leave ostensibly to return to where they could receive care. The warning out system alleviated the expense and responsibility for the general welfare of the poor in any community and placed the burden on each town to look after its own. But homelessness and poverty were problems as onerous in early America as they are today, and the system of warning out did little to address the fundamental causes of social disorder. Ultimately, the warning out system gave way to the establishment of general poorhouses and other charities. But the documents that recorded details about the lives of those who were warned out provide an extraordinary and until now forgotten history of people on the margin. Unwelcome Americans puts a human face on poverty in early America by recovering the stories of forty New Englanders who were forced to leave various communities in Rhode Island. Rhode Island towns kept better and more complete warning out records than other areas in New England, and because the official records include those who had migrated to Rhode Island from other places, these documents can be relied upon to describe the experiences of poor people across the region. The stories are organized from birth to death, beginning with the lives of poor children and young adults, followed by families and single adults, and ending with the testimonies of the elderly and dying. Through meticulous research of historical records, Herndon has managed to recover voices that have not been heard for more than two hundred years, in the process painting a dramatically different picture of family and community life in early New England. These life stories tell us that those who were warned out were predominantly unmarried women, with or without children, Native Americans, African Americans, and destitute families. Through this remarkable reconstruction, Herndon provides a corrective to the narratives of the privileged that have dominated the conversation in this crucial period of American history, and the lives she chronicles give greater depth and a richer dimension to our understanding of the growth of American social responsibility. *The Farmer's Weekly*, 1923

Sporting and Leather Goods Trader, 1908 **Oregon Coastal Access Guide** Kenn Oberrecht, 2001. This complete and illustrated guide offers a detailed tour of Oregon's Pacific edge with extensive coverage of scenic Highway 101. Authoritative practical information on where to go, how to get there, and what to expect, with an emphasis on natural areas, outdoor recreation, and historical and cultural attractions. *The Atlantic Monthly*, 1864
