Mau, 2014-03-11 This book focuses on the rules regulating property and conveyancing which apply in the territory and is intended for use by the non lawyer The organizational structure and concise text reflect this goal For readers desiring additional information an extensive notes section provides more comprehensive and detailed explanations as well as Chinese translations of key legal terms As a survey this text is appropriate for students of law non law professionals who need an overview of the subject and general readers

English is an Asian Language Maria Lourdes S. Bautista, 1997 Integrating Chinese Linguistic Research and Language Teaching and Learning Hongyin Tao, 2016-10-03 Linguistic research and language teaching have generally been viewed as two separate types of academic endeavor While linguists have been preoccupied with pattern finding and theory building language teachers often encounter issues that are not readily addressed by theoretical linguistic research This collection with eleven papers touching upon a wide range of issues stands out as one of the rare concerted efforts toward a meaningful integration of the two endeavors Subject matters include tone stress word structure grammatical categories e g classifiers syntactic structures including argument structure discourse particles implicit and explicit knowledge conversational repair and learner corpus With a diverse range of theoretical orientations this collection serves to showcase some of the productive ways to create synergy between Chinese linguistic research and language education

Culture and Humanity in the New Millennium Sin-wai Chan, Siu Tong Kwok, 2002 In 2006 a cartoon in a Danish newspaper depicted the Prophet Mohammed wearing a bomb in his turban The cartoon created an international incident with offended Muslims attacking Danish embassies and threatening the life of the cartoonist Editorial cartoons have been called the most extreme form of criticism society will allow but not all cartoons are tolerated Unrestricted by journalistic standards of objectivity editorial cartoonists wield ire and irony to reveal the naked truths about presidents celebrities business leaders and other public figures Indeed since the founding of the republic cartoonists have made important contributions to and offered critical commentary on our society Today however many syndicated cartoons are relatively generic and gag related reflecting a weakening of the newspaper industry's traditional watchdog function Chris Lamb offers a richly illustrated and engaging history of a still vibrant medium that forces us to take a look at ourselves for what we are and not what we want to be The 150 drawings in *Drawn to Extremes* have left readers howling sometimes in laughter but often in protest
