what is quickly becoming a bloody battleground she receives tragic news but remaining in Spain is her only option The route to safety is blocked and fighting surrounds her On her darkest night Sophie takes refuge with a brigade of international compatriots It is among these volunteers through the use of her fiancé's camera and her art that she pledges to make the plight of the Spanish people known around the world In *A Shadow of Treason* Sophie discovers that nothing is as she first imagined When Walt the reporter who helped her over the border shows up again after Guernica is bombed Sophie is given an impossible mission She must leave behind the man she's fallen in love with and return to the person who betrayed her Another layer of the war in Spain is revealed as Sophie is drawn into the international espionage schemes that could turn the tide of the war and help protect the soldiers from the International Brigade she must find a way to get a critical piece of information to Walt in time In *A Whisper of Freedom* battles heat up not only those being waged by the soldiers on both sides fighting for Spain but in the hearts and minds of the men and women who must sacrifice more than their dreams in order to save the lives of their loved ones In this meticulously researched novel brave and idealistic Sophie Philip Jose and Deion realize their only hope for freedom is escaping Spain's borders By continuing the story of this band of volunteers during the Spanish Civil War *A Whisper of Freedom* proves that courage and commitment don't always result in outward victory But there are whispers of hope and freedom that resonate through even the darkest night
