daughter Tamara to reveal the pathworkings or guided meditations used by The Servants of the Light School to help students train their consciousness to access cosmic wisdom Within the mind of every human being is a cosmos that matches the physical cosmos atom for atom If you can learn how to tap the motherlode of wisdom in your inner cosmos virtually anything in the universe comes within the realm of your understanding You will cultivate your visualization skills feed your creativity and understand the true potency of rituals performed by only using your imagination These pathworkings take you through ancient civilizations Egypt Greece Celtia and Alexandria and even into the new millennium You ll find your way into the mystical realms of the Tree of Life the Angelic and Elemental worlds or explore shamanic workings the Craft and the Fairy Faith From each pathworking you will gain new insight into timeless truths and the wide variety of pathworkings in this book will help you find a path that works best for you You can also refer to a working that is appropriate for the specific life situation in which you find yourself Soon you ll be able to project your consciousness into astral scenery of your own making to find solutions to your personal challenges or to open up new opportunities in your life If you can visualize it you can make it happen *Lucid Dreaming The Secret Life of Lucidity* Fredrick Deacon,2015-03-13 Revised and updated This book is not about the occasional or accidental lucid dream This book contains the methods by which a person may practice the art of lucid dreaming The aim of this work is to reveal the methods by which a person can lucid dream When I write lucid dream I mean conscious dream The Secret Life of Lucidity is the most practical non subjective holistic dream work method you will find This method is not for the obtaining of an occasional lucid dream but of a life long practice At the end of each chapter I will give you a step in accomplishing lucidity Each step is meant to build upon the other culminating in a life long practice which is the goal In most cases but not all the chapter and step will be related Be sure to follow my prescriptions Wait to be successful before changing the order of the steps or even customizing your practice to fit who you are and yes upon becoming familiar with the landscape of consciousness and dreams you will be a master comparatively in your own right and can change things as you see fit The Zen Manifesto: Freedom From Oneself Osho,2023-03-17 It is time ripe time for a Zen manifesto The Western intelligentsia have become acquainted with Zen have also fallen in love with Zen but they are still trying to approach Zen from the mind They have not yet come to the understanding that Zen has nothing to do with mind Its tremendous job is to get you out of the prison of mind It is not an intellectual philosophy it is not a philosophy at all Nor is it a religion because it has no fictions and no lies no consolations It is a lion s roar And the greatest thing that Zen has brought into the world is freedom from oneself All the religions have been talking about dropping your ego but it is a very weird phenomenon they want you to drop your ego and the ego is just a shadow of God God is the ego of the universe and the ego is your personality Just as God is the very center of existence according to religions your ego is the center of your mind of your personality They have all been talking about dropping the ego but it cannot be dropped unless God is dropped You cannot drop a shadow or a reflection unless the source of its manifestation is destroyed *Queer Rites* Enfys J.
