Looking For Love In Later Life A Guide For Women:

Looking for Love in Later Life Monica Morris, 1997 Women reentering the dating arena will find that some of the rules have changed while others haven't. This lighthearted guide helps them figure it all out from personal ads and social groups to clubs and the Internet. In addition, there are pointers on accentuating social strengths, becoming more comfortable with strangers, dealing with sexuality, and viewing maturity as an asset. **Love Stories of Later Life** Amanda Smith

Barusch, 2008-03-13 Even with baby boomers retiring and greater media and research attention being lavished on older people, most gerontologists have studiously avoided examining romance among the elderly. *Love Stories of Later Life* is an appealing and eye-opening remedy to this neglect as leading gerontologist Amanda Smith Barusch presents original research into what love and romance mean in seniors' lives. The result is a glimpse into a world many people didn't know existed: that of romantic love in later life. Unlike superficial guidebooks that purport to help seniors find a new mate, *Love Stories of Later Life* integrates theory and the latest research on love and the aging process. Drawing on a wealth of personal narratives collected during a landmark five-year study, the book presents the lived experiences of older adults from all walks of life. It addresses the impact of common age-related changes, both emotional and physical, on romantic relationships and argues that love continues to sculpt our personalities and our lives even in life's later decades. Each chapter includes practical tools for the serious student of love, including exercises designed to increase self-awareness and relationship building, as well as annotated lists of suggested reading that are at once comprehensive and accessible. Barusch's fresh perspective, engaging voice, and in-depth qualitative research make *Love Stories of Later Life* an important contribution to the study of individual lives and the aging process. This book will guide gerontologists, social workers, and counselors as they in turn help their older clients navigate love's challenges. Winning and intelligent. An impressive, often heartening addition to the literature of aging. Heller McAlpin, *Wall Street Journal*. In this unique blend of memoir and literary commentary, Bookpage-acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love, both for her husband and for the literature that has shaped her life. Throughout the complications of devoted caregiving, her own ongoing cancer treatments, and a stressful move to a more manageable apartment, Gubar proves that love and desire have no expiration date on the page or in life. *Late Life Love* offers a resounding retort to ageist stereotypes, appraises the obstacles unique to senior couples, and celebrates second chances.
