Walk is a novel about so many things loss disappointment choices and the importance of coming to terms with yourself and the circumstances of your life without losing the dignity embedded in all of us At one level it is about heroism not the hero of the classic epic those enormous god sized heroes but my fascination with the day to day heroes and the heroism that s needed to survive all the unexpected disasters and pitfalls of life Covenant Savage Tempest,2021-10-01 Helping a stranger can get you killed One Space is a dangerous place filled with pirates and Reapers Two We still don t have full control of our ship But I refuse to stand by and watch an Alliance ship get destroyed by Reaper fighters The crew says that we should mind our own business but as the new captain of the Wraith it s my call And I made a bad call The stranger is way too powerful and he knows far more about us than he should He even knows the Wraith s mission unlike us This mysterious stranger is willing to fill in the gaps of our missing memories For a price A price that might include laying waste to an entire planet or worse infecting the whole galaxy Morgan's Mercenaries: Heart of Stone Lindsay McKenna,2009-05-01 They had met before Battled before And Captain Maya Stevenson had never again wanted to lay eyes on Major Dane York the man who had once tried to destroy her military career But she was ready for him now This time they were on her turf on her mission Dane knew this assignment was his last chance to save his career And Maya wasn t going to make it easy Even though he sensed she knew she needed his expertise And even though there was something happening behind the flash of her eyes that spelled wanting and tenderness and danger The Business Of Love Angela Winters,2000-08-01 The heir to a Washington D C hotel chain Maya Woodson finds her plans for a successful public offering undermined by her feelings for Trajan Matthews the handsome investor relations expert hired to run the stock offering The Wedding Season Su Dharmapala,2012-05-01 Meet Shani she s thirty two single and has a job to die for And she likes her life just the way it is thank you So why do her family and friends insist on trying to convince her that the only way to the perfect life is meeting the perfect man When Shani s horoscope miraculously reveals that now is the best time of her life for marriage her mother decides to take control As the Sri Lankan wedding season opens she turns a deaf ear to Shani s protests and arranges a parade of 101 potential grooms in the hope that her shamefully unmarried daughter will salvage the family honour by finally finding Mr Right But true life like true love can get very complicated Amidst a riot of hilarious dates with would be husbands Shani has to cope with a minor Machiavelli at work a house that is literally falling down around her ears and a neurotic mother with serious cultural baggage Worst of all her best friend who seems to have it all is sliding into depression and Shani seems powerless to help Through a flurry of curry cricket sarees and sumptuous ceremonies Shani comes to learn that love comes in many disguises and degrees of satisfaction and that life is a one shot game even if you do believe in reincarnation Light Hunters Dan Walker,2020-02-04 Meet Lux the boy with lights in his eyes On the surface he looks like a normal 12 year old but Lux has a secret Not only can he wield Light he might be the finest Light healer the world has ever seen When Lux uses his power to save his best friend Maya after a terrifying attack his Light draws a strange shadowy figure to town aiming to use his powers
