Hood Legends Michael Jourdain, 2022-02-14 What you are about to read is the first part of a multipart story about my life parts of my life that involve gangbanging and not just any kind of gangbanging but gangbanging of the deepest type Gangbanging on the notorious streets of South Central Los Angeles Moreover my life evolved from gangbanging to a leading role in America s drug culture While these things are true about my life I want to make one thing very clear nothing that you are about to read is meant to glorify either gangbanging or drug culture in fact it is my sincere hope that the telling of my life story will steer the youth and others away from both paths as they literally lead to dead ends So if you are reading this know that if I had it to do all over again I wish that I had been dealt the kind of cards in life that would have prepared me for an Ivy League college like Harvard Princeton Yale etc rather than state and federal prison
