Department of the Air Force,1969 **Survival** United States. Department of the Air Force,1969 *Under the Watchful Eye of Mary* Pamela Mandela Idenya,2016-07-29 As the Lord Jesus faced imminent death upon the Cross He dedicated all His beloved disciples to a love relationship with His Mother saying Behold your mother St John was present at the foot of the Cross representing all mankind And from that hour he took her into his home This commissioning of the Blessed Virgin Mary as Mother of all mankind illustrates the great love with which the LORD Jesus offered His life for all peoples by giving us the gift of His mother All are to comprehend that Mary has an active role to play in our faith and in our spiritual life We acknowledge that this is how the LORD Jesus wished to bring His Sacrifice to completion by entrusting His mother to His beloved disciple and in the beloved disciple to all mankind It is a concrete maternal love relationship between Mary and all who trustingly commend themselves to her care Under the watchful eye of Mary is a spiritual journey where we learn from the Blessed Mother of God what living a worthy discipleship in the LORD is and we meditatively pray with the Blessed Mary as the first Christian Community did before Pentecost **In Search of Mary** Sally Cunneen,2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen s provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life **The Child's Month of Mary.
