Looking Forward By Arthur F Burns:

Looking Forward [by] Arthur F. Burns National Bureau of Economic Research Staff, *Hearings, Reports and Prints of the Joint Economic Committee* United States. Congress. Joint Economic Committee, 1975 **Income Distribution Theory** Martin Bronfenbrenner, 2017-09-05 This is a well grounded restatement defense and development of the theory of income distribution in both its micro and macroeconomic aspects The author an authority in the field who has spent many years developing the ideas in this book balances neoclassical theories with Keynesian and radical approaches He considers income distribution theory in terms of ideology statistics micro and macroeconomics income policies and the poverty problem The result is a distinctive and comprehensive treatment of a subject that has polarized many economists over many decades Bronfenbrenner reacts against conventional theories that concentrate on output markets virtually ignoring input prices He also opposes the brand of institutionalism that regards democratic business unionism as an American institution that can do no wrong Overall Bronfenbrenner presents an eclectic defense of a traditional theory of economics that has been under attack from rival viewpoints with insufficient rebuttal and that proves to be a powerful tool of analysis in dealing with this subject The book is organized into three main parts an ideological and statistical personal introduction to income distribution microeconomic distribution theory and macroeconomic distribution theory A final chapter considers incomes policies with a rather skeptical view of the prospects for political control of income distribution within a basically free economy The manuscript has been widely used and class tested over the past thirty five years The book will be useful to professional economists It may be used as a basic text in courses on income distribution and as a supplementary text in microeconomic theory *Hearings* United States. Congress. House. Committee on Banking and Currency, 1970 *First Concurrent Resolution on the Budget, Fiscal Year 1978* United States. Congress. Senate.
