Lord Elgin's Lady A Novel:

American Kennel Club Stud Book, 1929 Coates's Herd Book Henry Strafford, 1891 **Webster's Royal red book; or, Court and fashionable register** Webster A. and co, 1847 The Methodist Centennial Year-book for 1884 William Harrison De Puy, 1883 The American Short-horn Herd Book Lewis Falley Allen, William T. Bailey, 1897

Webster's Royal Red Book Or Court and Fashionable Register for, 1897 The American Shorthorn Herd Book, 1896 **Roots of Entanglement** Myra Rutherdale, Kerry Abel, P. Whitney Lackenbauer, 2018-01-31 *Roots of Entanglement* offers an historical exploration of the relationships between Indigenous peoples and European newcomers in the territory that would become Canada. Various engagements between Indigenous peoples and the state are emphasized and questions are raised about the ways in which the past has been perceived and how those perceptions have shaped identity and in turn interaction both past and present. Specific topics such as land resources, treaties, laws, policies and cultural politics are explored through a range of perspectives that reflect state of the art research in the field of Indigenous history. Editors Myra Rutherdale, Whitney Lackenbauer and Kerry Abel have assembled an array of top scholars including luminaries such as Keith Carlson, Bill Waiser, Skip Ray and Ken Coates. *Roots of Entanglement* is a direct response to the Truth and Reconciliation Commission's call for a better appreciation of the complexities of history in the relationship between Indigenous and non-Indigenous peoples in Canada. **The Life of Anne Damer** Jonathan David Gross, 2013-11-18 The first biography of Anne Damer since 1908. *The Life of Anne Damer: Portrait of a Regency Artist* by Jonathan Gross draws on Damer's notebooks and previously unpublished letters to explore the life and legacy of England's first significant female sculptor. Best known for her portraits of dogs and other animals, Damer also created busts of England's most important political heroes, sometimes within days or hours of their historical accomplishments. This in-depth biography traces her life during the American Revolution, the French Revolution, the Peace of Amiens and the Hundred Days. Damer was convinced that art could have significant political influence, sending her bust of Nelson to the King of Tanjore to encourage trade with India. Her art stands at the transition between neoclassicism and romanticism and provides a wealth of insight into 19th-century British sculpture. In the last twenty years, there has been a strong revival of interest in Damer's life, particularly in gay and lesbian studies due to her famous relationship with author Mary Berry. This text serves as a deeper investigation of this fascinating and important figure of British art history. *The emotional ménage à trois of Anne Damer, Mary Berry and Horace Walpole* forms the heart of this new biography. Gross contends that all three individuals, had they led more conventional lives, would never have given the world the literary and artistic gifts they bestowed in the form of *Strawberry Hill*, *Belmour* and *Fashionable Friends*. The struggles they faced will encourage modern readers to appreciate anew the fluidity of sexual identity and passionate friendship as well as the restraints put in place by society to control them. Anne Damer's life has much to teach a new generation concerned with the complex relationship between love, art and politics. *The Life of Anne Damer* will interest

Churchill's Empire Richard Toye,2010-08-03 This superb unsettling new history examines how the man who stood for freedom in WWII staunchly promoted Imperialism across the globe Johan Hari The New York Times Book Review A charmer and a bully Winston Churchill was driven by a belief that the English were a superior race whose goals went beyond individual interests to offer an enduring good to the entire world No better example exists than Churchill's resolve to stand alone against a more powerful Hitler in 1940 while the world's democracies fell to their knees But there is also the Churchill who frequently inveighed against human rights nationalism and constitutional progress the imperialist who could celebrate

racism and believed India was unsuited to democracy Drawing on newly released documents and an uncanny ability to separate the facts from the overblown reputation by mid career Churchill had become a global brand Richard Toye provides the first comprehensive analysis of Churchill s relationship with the empire Instead of branding Churchill as a simple hero or villain of history Toye demonstrates how the statesman evolved over time He challenges the reader to understand Churchill s need to reconcile the demands of conscience with those of political conformity **Fiction, 1876-1983: Titles** R.R.
