east coast of Florida The teens look the island up on Google Maps and see that it is completely deserted which contradicts the story they're getting from the Spirit Radio But it's a beautiful island called Crystal Key with a stretch of beach that unlike Ft Myers Beach is not crowded with tourists and kids The teens decide to pop in spend a nice day on the beach check out the island to see if there is any truth to the girl's story then pop right back It sounds like a great plan From the very beginning things go wrong when Scott miscalculates their landing and they end up splashing into the Atlantic Ocean After swimming for their lives they collapse on the beach that is indeed beautiful But it isn't deserted They find the little girl her family and a half dozen more people living in a sprawling Florida style home owned by a menacing man named Manuel He gives them no opportunity to escape and insists that they stay in the house What they discover during their visit is enough to almost get them all killed As they struggle to survive Kelly tries to ignore her attraction to Austin who clearly isn't interested in a romance Besides just days before she went on her very first date with Scott How could she have such strong feelings for two boys And then there is Zoey who is hot for Austin but flirting shamelessly with Scott Then people start dying and all they can think about is saving the families and themselves Are they destined to be a madman's latest victims Their time travel adventure to a tropical paradise may turn out to be their last It's difficult to investigate a crime that hasn't happened yet
