Briefcase Wisdom for a Backpack Culture Jerry Gano, 2019-10-14 Over five years ago God directed author Jerry Gano to pen daily posts on social media Over a thousand posts later Gano s bite sized Biblically inspired

observations are collected in one place as Briefcase Wisdom for a Backpack Culture For each day of the year Gano has constructed a short relatable devotional accompanied by a corresponding Bible verse He intends to enlighten the curious reader with scripture and his own observations based on years of study and prayer in turn bringing them closer to Christ Gano has experienced trials heartache sickness and pain The enemy of his soul has attacked heartily but he is sure of one thing if God goes before him who can stand against him We are nothing in and of ourselves but with God leading and directing our paths everything will turn out okay **Messy Truth** Caleb Kaltenbach,2021-08-10 From the author of Messy Grace a former pastor raised by gay parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging without sacrificing theological convictions What should we do This is a question many Christians are asking as they face shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as LGBTQ Caleb Kaltenbach believes there s a more helpful question What am I willing to do to keep and build influence with _____ Caleb knows our love for others is best measured by the lengths we ll go to help them He also recognizes that people find and follow Jesus better in community than in isolation As a child raised by three activist gay parents Caleb experienced firsthand the outrage of some Christians That s why he is committed to creating a sense of belonging for all people True community can happen only when Christians are intentional in infusing their attitudes systems and values with grace and truth This hopeful practical book offers tools for encouraging church involvement strengthening personal relationships increasing empathy and engaging in pivotal conversations about grace and truth with our whole community Fostering a culture of belonging is a messy process but it holds a massive possibility for everyone involved a growing relationship with Jesus **What a Young Wife Ought to Know** Emma Frances Angell Drake,1902
