Foodopoly Wenonah Hauter,2015-04-07 A meticulously researched tour de force on politics big agriculture and the need to go beyond farmers markets to find fixes Publishers Weekly Wenonah Hauter owns an organic family farm that provides healthy vegetables to hundreds of families as part of the Community Supported Agriculture CSA movement Yet as a leading healthy food advocate Hauter believes that the local food movement is not enough to solve America s food crisis and the public health debacle it has created In Foodopoly she takes aim at the real culprit the control of food production by a handful of large corporations backed by political clout that prevents farmers from raising healthy crops and limits the choices people can make in the grocery store Blending history reporting and a deep understanding of farming and food production

Foodopoly is a shocking revealing account of the business behind the meat vegetables grains and milk most Americans eat every day including some of our favorite and most respected organic and health conscious brands Hauter also pulls the curtain back from the little understood but vital realm of agricultural policy showing how it has been hijacked by lobbyists driving out independent farmers and food processors in favor of the likes of Cargill Tyson Kraft and ConAgra Foodopoly shows how the impacts ripple far and wide from economic stagnation in rural communities to famines overseas and argues that solving this crisis will require a complete structural shift a change that is about politics not just personal choice *The Life and Crimes of Don King* Jack Newfield,2003 A new updated edition of Jack Newfield s hard hitting unauthorized biography of boxing kingpin Don King source of the Emmy winning film starring Ving Rhames With a new epilogue Working his way out of a life of street crime and numbers running and jail time for manslaughter King rose to become a powerhouse in the fight game outnegotiated corporate giants fleeced the treasuries of entire countries and amassed a vast personal fortune while ruining the lives and careers of some of boxing s greatest champions The dying words of the man King stomped to death on the streets of Cleveland in 1966 Don I ll pay you the money became the motif for Don King s ascendancy
