Primrose Day Carolyn Haywood, 2005 Rose finds a brave new world when she leaves WWII England for the shores of the United States **Primrose Day** Carolyn Haywood, 1942 Rose finds a brave new world when she leaves WWII England for the shores of the United States **Primrose** Elizabeth Lawson, 2019-06-10 For centuries common primroses have spread breathtaking carpets of pale lemon yellow across the globe the first sign of spring Abundant edible and beneficial for many ailments they have supported civilization's social and cultural foundations When undaunted plant hunters risked their lives to introduce the many Himalayan primroses of breathtaking beauty the primrose gained iconic status Capable of endless variation primroses have captured the attention of gardeners plant breeders and scientists while artists and poets have found them essential as both subject matter and muse William Shakespeare introduced us to the the primrose path a pleasurable but destructive route in several of his plays and Charles Darwin spent more than thirty years working with primroses to solve an elegant evolutionary mystery This book tells the story of how primroses became so successful circling the Earth adapting to human civilization and yet holding their own on inaccessible craggy summits where they may never be seen Bringing together facts folklore and beautiful images from around the world Primrose is a delightful guide to this hugely popular flower Aquamarines Mrs. Nora Hopper Chesson, 1902 **Hedgewitch Book of Days** Mandy Mitchell, 2014-10-01 This practical guide to modern witchery offers advice on bringing magic to your daily life with wisdom spells recipes and rituals throughout the year Once upon a time the witch held a place of esteem in her village She was a healer with knowledge of local plants and herbs her wisdom and empathy made her the village matchmaker and marriage counselor Her ability to commune with nature and animals gave her a place of revelry and wisdom She was the Hedgewitch Hedgewitch Book of Days revives the spirit of the Hedgewitch with a month to month guide for busy modern witches who want to fill their lives with wisdom and magic This book demonstrates how daily tasks can become magical rituals that enrich your life Author Mandy Mitchell covers everything from relationships with families and friends to cooking cleaning and healing Journey through the wheel of the year with one eye on the kettle and the other on the moon The Stories of the Months and Days Reginald C. Couzens, 1924 Traces the origin of the names of the days and months and retells the myths connected with each The Cornhill Magazine William Makepeace Thackeray, 1897 **Poetical Works** Arden Jones Foster, 1892

Culture, Politics, and National Identity in Wales 1832-1886 Matthew Cragoe, 2004-06-17 Culture Politics and National Identity in Wales 1832-86 offers the first comprehensive account of politics in the principality between the first and third reform acts Based on a wealth of previously unused sources in both English and Welsh and grounded firmly in recent scholarship on electioneering elsewhere in Britain Cragoe challenges the existing narrative of political history in the principality There was more to politics in Victorian Wales he suggests than the current focus on nonconformity and radical liberalism after 1860 allows The book's focus on elections and election culture creates a natural context within which a wider

spectrum of political opinion can be sampled Cragoe examines the differing ideologies of the major political parties Tory Liberal and Radical and then explores how these ideas were carried into the electoral arena through party organisation campaigning and propaganda Later chapters examine some of the ways in which individuals were prevented from recording their true political opinions and the relationship between the unenfranchised and the political process Throughout politics is presented as a highly participatory process one in which ideals and principles played a key role for both candidates and voters alike It was into this world that the typically Welsh style of radical politics imbued with the values of militant dissent and armed with new conception of national identity was born in the 1860s Weaving that singular political phenomenon back into its contemporary setting and recognising the extent to which its ideas have monopolised modern accounts of Welsh political history is the purpose of this stimulating and at times controversial book **Devon Herd Book** John Tanner Davey,1908 **Davy's Devon Herd Book Containing the Ages and Pedigrees of Pure Bred Devon Cattle with Supplemental Register and Dual-purpose Section** Devon Cattle Breeders' Society,1908 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1891 **The Long Vacation** Charlotte M. Yonge, 2019-12-05 In *The Long Vacation* Charlotte M Yonge offers a rich tapestry of Victorian life infused with a keen sense of morality and social nuance Set against the backdrop of a leisurely summer in the English countryside the novel follows several families as their lives intertwine exploring themes of friendship fidelity and the transformative power of leisure Yonge's literary style is characterized by its intricate descriptions and deep psychological insight capturing the essence of her characters' emotional journeys This work reflects the era's burgeoning interest in the complexity of human relationships especially the roles of women and children within society Charlotte M Yonge an influential Victorian novelist and a member of the Oxford Movement often faced the challenges of a male dominated literary world Her experiences as a woman in the 19th century profoundly shaped her storytelling Yonge's background in theology and her commitment to moral education are evident in the ethical dilemmas her characters encounter throughout the novel providing readers with not only a narrative but also a reflection on their own values and choices *The Long Vacation* is highly recommended for readers seeking an insightful glimpse into Victorian social dynamics as well as for those interested in character driven narratives that illuminate the human experience Yonge's deft storytelling and rich moral undertones make this novel an engaging and transformative read for contemporary audiences In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual
