Prince Michael and the Dragon John Christian Orndorff, 1998-01-01 **The Forgotten Heavens: Six Essays on Cosmology** Douglas Wilson, Evan Wilson, 2010-02-09 There are more things in heaven and Earth Horatio than are dreamt of in your philosophy So said Hamlet but for some strange reason Christians seem to have bought this reductionistic view of the world Have we forgotten the Bible Our modern cosmology suggests that the universe can be explained through astronomy and mathematics But this seems far too simplistic not to mention rather dull Are stars angels Do satyrs truly exist What does a seraph look like Can demons tell the future What does God's creation contain beyond the visible realm In the following essays such questions are not peremptorily dismissed but are engaged with on the basis of what can be found in the Bible We are not living in a world that can be easily dissected in a laboratory Our universe is filled with intelligence and life and the creativity behind it can only be understood fully through the Creator This book includes essays from Evan and Douglas Wilson Chris Schlect Wes Callihan and others *The Dragon's Beasts* Fred A. Wilson, 2017-06-14 The book of Daniel 2 reveals by symbols the successive empires kingdoms of the world with a statue of a human figure of a head of gold chest of silver thighs of bronze legs of iron and feet of a mixture of clay and iron Daniel 7 which describes four beasts a lion a bear a leopard and a terrible beast with ten horns covers the same period in world history as in chapter 2 While the king of Babylon saw the majestic power and grandeur of the Gentile empire kingdoms Prophet Daniel saw their real character beastly conduct wicked rule and profligate government All the beasts empire kingdoms were destroyed by the Messiah Immanuel the Stone who the builders of the nations of man rejected and who is the cornerstone of the holy nation of believers Revelation 12 describes the great dragon thrown down the age old serpent that is called the devil and Satan he who continually deceives and seduces the entire inhabited world He was thrown down to the earth and his angels were thrown down with him This usurping dragon would form successive compacts with mankind for the dominion of the earth Revelation 13 shows the final compact between the nations of man and the man of sin Satan the dragons beasts engulfing even the holy people Israel the church the woman on the beast in Revelation 17 When the stone finally destroyed the lawless kings of the nations kingdoms their rule was dispersed to the lots of nation states created by the common people the rule of commoners These are the nation states of democratically elected commoners Revelation 13 and 17 shows the rebellion and apostasy of our Christendom Queendom of Babylon the great nation states of man setting themselves up against the son of man Immanuel Why the stone is about to crush Christendom of Babylon the great And the stone that smote the image became a great mountain or rock and filled the whole earth Daniel 2 3435 Yes he is the rock of ages **The Adventures of Barthalamew the Nearsighted Dragon** Krystal Johnson, 2010-02 Barthalamew is a dragon that has several adventures He is nearsighted and has a very good friend named Princess Charity who goes on several adventures with him Princess Charity becomes friends with the dragon and then they go on many more adventures The story starts that Princess Charity gets lost with another friend Prince
