Richard Harding

Private Prisons Cons And Pros:

Private Prisons Charles H. Logan,1990 American prisons and jails are overflowing with inmates To relieve the pressure courts have imposed fines on overcrowded facilities and fiscally strapped governments have been forced to release numerous prisoners prematurely In this study noted criminologist Charles Logan makes the case for commercial operation of prisons and jails as an alternative to the government s monopoly On philosophical economic legal and practical grounds Logan argues a compelling case for the private and commercial operation of prisons He critically examines all objections raised by opponents and concludes that while private prisons face many potential problems they do so primarily because they are prisons not because they are private Historically the record of private ownership and operation of corrections facilities has been bleak ridden with political corruption physical abuse of prisoners and the single minded pursuit of profits This study demonstrates that this need not be the case Critiquing the tendency to contrast private prisons with a hypothetical ideal Logan instead compares them with existing public institutions arguing that the potential problems attributed to private prisons are experienced by their public counterparts The work examines ten sets of issues including the propriety cost security and quantity of prisons to set out a strong case for the viability of proprietary prisons

Private Prisons Charles H. Logan,1990-07-26 American prisons and jails are overflowing with inmates To relieve the pressure courts have imposed fines on overcrowded facilities and fiscally strapped governments have been forced to release numerous prisoners prematurely In this study noted criminologist Charles Logan makes the case for commercial operation of prisons and jails as an alternative to the government s monopoly On philosophical economic legal and practical grounds Logan argues a compelling case for the private and commercial operation of prisons He critically examines all objections raised by opponents and concludes that while private prisons face many potential problems they do so primarily because they are prisons not because they are private Historically the record of private ownership and operation of corrections facilities has been bleak ridden with political corruption physical abuse of prisoners and the single minded pursuit of profits This study demonstrates that this need not be the case Critiquing the tendency to contrast private prisons with a hypothetical ideal Logan instead compares them with existing public institutions arguing that the potential problems attributed to private prisons are experienced by their public counterparts The work examines ten sets of issues including the propriety cost security and quantity of prisons to set out a strong case for the viability of proprietary prisons

Contracting for the Operation of Private Prisons Charles R. Ring,1987

Private Prisons and Public Accountability Richard Harding,2018-04-27 Private prisons have become an integral part of the penal system in the United States the United Kingdom and Australia There already are over 100 such prisons in these countries and with the number of prisoners continuing to increase rapidly the trend toward privatization seems irreversible In this context Richard Harding addresses the following issues the contributions positive or negative that private prisons make to providing custody for offenders whether or not private prisons stimulate improvement

within the public prison system and the difficulties with the regulation and accountability of private prisons This book sets out to explore the contribution of private prisons to custodial practices standards and objectives Many experts believe that properly regulated and fully accountable private prisons could lead to improvement within the public prison system which has long been degenerate and demoralized Harding sees the total prison system as a single entity with two components public and private He relies upon extensive fieldwork and draws upon published literature as well as in house documentation discussions with public and private authorities and a range of government documents Key issues covered in Private Prisons and Public Accountability are overcrowding program delivery prisoners rights quality of staff and financial control This volume will be a significant addition to the criminal justice literature but it will also appeal to sociologists policymakers and scholars interested in the privatization of various institutions in our society

Privatizing Correctional Institutions Gary W. Bowman, 2023-04-14 With more than one million people behind bars the United States imprisons a larger share of its population than any other industrialized nation This has precipitated a serious overcrowding problem with federal and state prisons currently operating well beyond capacity Conventional efforts appear unable to cope with the increasing shortage of beds or with inadequate rehabilitation services A bold solution is required increasingly it is being seen to reside in the private sector This timely volume explores the issues of private versus public financing construction and management of medium and high security prisons Private prisons are not a new concept in the United States They have existed in several forms since the eighteenth century The opening chapters evaluate historical cases of prisons for profit examining the concerns of labor abuses of inmates and the source and resolution of disputes between private and public sectors These chapters argue that the experience gained through privatization does not justify current opposition from civil libertarians or labor unions Chapters dealing with the modern contracting out of complete management and limited services document the growing trend toward privatization and instances of public private partnership in prison industries The assembled evidence indicates clearly that privately run prisons have shown significant cost savings and good quality of provision for prisoners while still being profitable However the authors caution that these promising results must be reinforced by public safeguards in the contracting stage and monitoring to assure good service and security With the American prison system in disarray the public interest demands that government look beyond the public or private identity of those who wish to provide correctional services and focus instead on who can provide the best services at a given cost It is essential to state that correctional services should attain several objectives and not merely cost minimization The analysis and recommendations presented here will aid in the task Privatizing Correctional Institutions will be of interest to law enforcement officials public policy analysts penologists and criminologists

Private Prisons in America Michael A. Hallett, 2006 Under the auspices of a governmentally sanctioned war on drugs incarceration rates in the United States have risen dramatically since 1980 Increasingly correctional administrators at all levels are turning to private for profit corporations to manage the swelling

inmate population Policy discussions of this trend toward prison privatization tend to focus on cost effectiveness contract monitoring and enforcement but in his Private Prisons in America Michael A Hallett reveals that these issues are only part of the story Demonstrating that imprisonment serves numerous agendas other than crime control Hallett s analysis suggests that private prisons are best understood not as the product of increasing crime rates but instead as the latest chapter in a troubling history of discrimination aimed primarily at African American men Handbook on the Consequences of Sentencing and Punishment Decisions Beth M. Huebner,Natasha A. Frost,2018-08-06 Handbook on the Consequences of Sentencing and Punishment Decisions the third volume in the Routledge ASC Division on Corrections Sentencing Series includes contemporary essays on the consequences of punishment during an era of mass incarceration The Handbook Series offers state of the art volumes on seminal and topical issues that span the fields of sentencing and corrections In that spirit the editors gathered contributions that summarize what is known in each topical area and also identify emerging theoretical empirical and policy work The book is grounded in the current knowledge about the specific topics but also includes new synthesizing material that reflects the knowledge of the leading minds in the field Following an editors introduction the volume is divided into four sections First two contributions situate and contextualize the volume by providing insight into the growth of mass punishment over the past three decades and an overview of the broad consequences of punishment decisions The overviews are then followed by a section exploring the broader societal impacts of punishment on housing employment family relationships and health and well being The third section centers on special populations and examines the unique effects of punishment for juveniles immigrants and individuals convicted of sexual or drug related offenses The fourth section focuses on institutional implications with contributions on jails community corrections and institutional corrections

Private Vs. Public Operation of Juvenile Correctional Facilities Gaylene Styve Armstrong,2001 Armstrong studies the environmental quality of confinement in private and public juvenile correctional facilities using data from 48 facilities representing 4 590 delinquents 1 362 staff and 48 administrators in 19 states 16 private and 32 public facilities Her results demonstrate that neither staff nor juvenile delinquents perceived the environmental quality to be significantly different between private and public facilities Further compared to public facilities private facilities were smaller newer and had a more intensive admission process for juvenile delinquents Public and Private correctional staff differed significantly on age and prior work experience Differences in the juvenile populations were minimal The Oxford Handbook of Prisons and Imprisonment John D. Wooldredge,Paula Smith,2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that

bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration **Privatization in Criminal Justice** Michael J Gilbert, David Schichor, 2001-01-01

Privatization of Criminal Justice **Criminal Justice Ethics** Cyndi Banks, 2018-12-31 Criminal Justice Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics This distinct and unique organization allows readers to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues *The Palgrave Handbook of Australian and New Zealand Criminology, Crime and Justice* Antje Deckert, Rick Sarre, 2017-11-03

This handbook engages key debates in Australian and New Zealand criminology over the last 50 years In six sections containing 56 original chapters leading researchers and practitioners investigate topics such as the history of criminology crime and justice data law reform gangs youth crime violent white collar and rural crime cybercrime terrorism sentencing Indigenous courts child witnesses and children of prisoners police complaints processes gun laws alcohol policies and criminal profiling Key sections highlight criminological theory and crucially Indigenous issues and perspectives on criminal justice Contributors examine the implications of past and current trends in official data collection crime policy and academic investigation to build up an understanding of under researched and emerging problem areas for future research An authoritative and comprehensive text this handbook constitutes a long awaited and necessary resource for dedicated academics public policy analysts and university students *Crime, Law and Society* Malcolm M. Feeley, 2017-07-05

Malcolm Feeley's work is well known to scholars around the world and has influenced two generations of criminologists and legal scholars He has written extensively on crime and the legal process and has published numerous articles in law history social science and philosophy journals two of his books *The Process is the Punishment* and *Court Reform on Trials* have won awards This volume brings together many of his better known articles and essays as well as some

of his lesser known but nevertheless important contributions all of which share the common theme of the value of the rule of law albeit a more sophisticated concept than is commonly embraced The selections also reveal the full range of his interests and the way in which his research interests have developed **Changing the Guard** Alexander Tabarrok,2002-10-01

Changing the Guard is an authoritative survey of one of the most controversial aspects of criminal justice and corrections the growing use of private prisons When prison privatization began in the United States in the early 1980s many policy analysts claimed it would increase costs decrease quality and erode state authority Has it Changing the Guard brings together leading criminal justice researchers to tackle this and related questions Does prison privatization make economic sense What are the prospects for enlarging prison privatization Changing the Guard also examines the broader questions that surround the prison privatization debate What are the historical precedents for prison privatization What do we know about punishment and recidivism How long must a prison sentence be to deter crime Are too many people in prison or too few Should legal reform take precedence over prison reform to ensure that privatization does not simply make the criminal justice system more efficient at abusing civil liberties and executing legal injustices Prison Privatization Byron Eugene Price,John Charles Morris,2012-09-20 This book examines the current state of both the theory and practice of prison privatization in the United States in the 21st century providing a balanced compendium of research that allows readers to draw their own conclusions about this controversial subject This three volume set brings together noted scholars and experts in the field to provide a comprehensive treatment of the subject of privatized prisons in the United States It is a definitive work on the topic that synthesizes current thought on both the theory and practice of prison privatization Volume I provides a broad brush overview of private prisons that discusses the history of prison privatization and examines the expansion of the private prison industry and the growth of inmate populations in the United States Volume II focuses on the corrections industry itself providing essays that explore the business models profit motivations economic factors and operations of the corporations that offer corrections services while Volume III explores the political and social environment of prison privatization Academics practitioners policy makers and advocates for and against private prisons will find this work useful and enlightening while general readers can use the unbiased information to draw their own conclusions in respect to the merits of prison privatization History of Criminal Justice Mark Jones,Peter Johnstone,2010-04-08 Covering criminal justice history on a cross national basis this book surveys criminal justice in Western civilization and American life chronologically from ancient times to the present It is an introduction to the historical problems of crime law enforcement and penology set against the background of major historical events and movements Integrating criminal justice history into the scope of European British French and American history this text provides the opportunity for comparisons of crime and punishment over boundaries of national histories The text now concludes with a chapter that addresses terrorism and homeland security Each chapter enhanced with supplemental boxes timeline time capsule and featured outlaw Chapters also contain discussion questions

notes and problems **Encyclopedia of American Prisons** Marilyn D. McShane, Frank P. Williams, 2004-08-02 Original essays by corrections experts The United States has the lightest incarceration rate in the world and crime is one of the major driving forces of political discourse throughout the country Information about penal institutions imprisonment and prisoners is important to everyone from judges on the bench to citizens on the street Now for the first time a comprehensive reference work presents a full overview of incarceration in America The Encyclopedia features original essays by leading U S corrections experts who offer historical perspectives insights into how and why the present prison system developed where we are today and where we are likely to be in the future Every important aspect of American prisons is covered from the handling of convicts with AIDS to juvenile delinquents behind bars from boot camps to life without parole from racial conflict to sexual exploitation Features more than 160 signed articles More than 160 signed articles by recognized authorities are presented alphabetically by topic The articles ranging from 1 000 to 6 000 words provide an overview of each subject and include a selective bibliography The coverage introduces readers to individuals noted for their work with prisons James Bennett Dorothea Dix Howard Gill facilities renowned for setting precedents Walnut Street Jail Alcatraz Marion current policy procedure and program oriented descriptions contraband boot camps classification technology concise discussions of current prison issues prisoners rights gangs visits by the children of incarcerated women Frequently the articles chart the historical evolution of a subject area explore current issues and predict future trends Discusses vital issues The Encyclopedia also surveys and analyzes policies and procedures used in the past such as chain gangs building tenders and Sacred Straight programs as well as legislation that has shaped prison policy such as the Ashurst Summers Act and the Civil Rights of Institutionalized Persons Act Offering a wealth of useful facts this important new reference work contains a comprehensive name and subject index internal cross references and a chronology of important events in prison history The coverage encompasses historical and contemporary aspects of correctional institutions in the United States discusses vital issues and reports on the latest reaching findings Photos of notable people and facilities accompany the text This unique work fills a substantial reference need Government officials librarians teachers students and professionals working within the corrections field will find the coverage invaluable For-Profit Prisons Duchess Harris, Cynthia Kennedy Henzel, 2019-08-01 For Profit Prisons takes a close look at the side of the US prison system that relies on for profit companies It explores the history behind for profit prisons in the United States as well as varying opinions about the ethics of for profit prisons Features include a glossary further readings websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO Configuring Value Conflicts in Markets Susanna Alexius, Kristina Tamm Hallström, 2014-01-01 Economic values shape markets as does sustainability safety decency public health and democracy Based on micro process studies in a dozen markets this multi disciplinary book presents a typology of strategic responses to value plurality in markets and helps to explain how such value work influences

market reform Value plurality may be reinforced and turned into open conflicts but also played down in configurations that neutralize align balance or hierarchize values By highlighting the role of values in markets this book clarifies why and how markets are organized *Medium Secure Psychiatric Provision in the Private Sector* Katrina R Moss, 2018-12-21 First published in 1998 this volume assesses issues of privatisation and mental health provision in the Medium Secure Psychiatric Care sector including case studies on two regional secure units and Stockton Hall Psychiatric Hospital between 1989 and 1992 It emerged at the end of a period of Conservative Party dominance of almost two decades in which privatisation had been at the forefront of discussion and focused on the midpoint of that era Despite this privatisation of psychiatric care had received little discussion Here Katrina R Moss discusses the role of private medical care in the UK healthcare landscape with focus on the meaning of privatisation attitudes towards privatising the criminal justice system along with relevant legal and medical issues related to regulation by the Mental Health Act 1983

Private Prisons Cons And Pros Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Private Prisons Cons And Pros free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Private Prisons Cons And Pros free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Private Prisons Cons And Pros free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Private Prisons Cons And Pros. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Private Prisons Cons And Pros any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Private Prisons Cons And Pros Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Private Prisons Cons And Pros is one of the best book in our library for free trial. We provide copy of Private Prisons Cons And Pros in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Private Prisons Cons And Pros. Where to download Private Prisons Cons And Pros online for free? Are you looking for Private Prisons Cons And Pros PDF? This is definitely going to save you time and cash in something you should think about.
