**North American Churches and the Cold War** Paul B. Mojzes,2018-08-23 History textbooks typically list 1945 1990 as the Cold War years but it is clear that tensions from that period are still influencing world politics today While much attention is given to political and social responses to those first nuclear threats none has been given to the reactions of Christian churches North American Churches and the Cold War offers the first systematic reflection on the diverse responses of Canadian and American churches to potential nuclear disaster A mix of scholars and church leaders the contributors analyze the anxieties dilemmas and hopes that Christian churches felt as World War II gave way to the nuclear age As they faced either nuclear annihilation or peaceful reconciliation Christians were forced to take stands on such issues as war communism and their relationship to Christians in Eastern Europe As we continue to navigate the nuclear era this book provides insight into Chris tian responses to future adversities and conflicts

**Partnership as Mission** Kenneth Gray,Maylanne Maybee,2023-11-10 This uniquely Canadian volume tells stories of Ellie Johnson missiologist and director of Partnerships at the Anglican Church of Canada from 1994 to

2008 More than that this book tells of God's mission and how the Anglican Church of Canada participated in that mission with our ecumenical partners Since the Anglican Congress of 1963 through the years of the ecumenical justice coalitions of the 1970s and 1980s through the drastic organizational restructuring of General Synod in the first decade of the 2000s change in the church has been continuous and relentless Ellie's skill in managing this change remains inspirational today In standing with residential school survivors identifying systemic racism seeking peace and ecojustice and contributing to global conversations about mission priorities and practices Ellie shared her experience and insight widely and effectively Through personal memories and tributes through detailed historical storytelling friends family and colleagues describe their own rich experience working with Ellie Others raise questions about the face and context of mission today recalling Ellie's favorite dictum all mission is local The collection concludes with some of Ellie's own unpublished words There is so much to appreciate about this deeply spiritual person whose legacy lives on as we draw on her legacy to find resilience and strength for today's demanding ecojustice journey

**Formation for Transformation** Bruce Myers, 2022-01-13 In the past century the ecumenical movement has made extraordinary efforts in healing the wounds of division in the body of Christ the church However in their formal preparation for ministry many clergy learn little or nothing about the achievements methods or implications of ecumenism This failure to adequately educate and inspire successive generations of Christian leaders about the quest for the church's visible unity risks not only an irretrievable loss of ecumenical memory but also a return to a time in which ignorance fear mistrust suspicion stereotypes caricatures recrimination anathematization even persecution characterized the relations between divided churches Drawing on decades of reflection on ecumenical reception and formation and using the Anglican Church of Canada as a model this book presents an approach to teaching the practical and theological aspects of ecumenism in a way that is both holistic and pragmatic and offers the potential to raise up a new generation of church leaders who are also agents of reconciliation and Christian unity
