The Jewish American Novel Philippe Codde, 2007 Philippe Codde provides a comparative cultural analysis of the unprecedented success of the Jewish novel in the postwar United States by situating the process and event in the context of three closely related American cultural movements the popularity in the US of French philosophical and literary existentialism the increasing visibility of the Holocaust in US American life and the advent of radical theology Codde argues that the literary repertoire of the postwar Jewish novel consists of an amalgam of these cultural elements that were making their mark in the political religious and philosophical systems of the United States at the time and that this explains in part the Jewish novel s sweeping success in the American literary system

The Absurd Hero in American Fiction David D. Galloway, 1981-06-01 When The Absurd Hero in American Fiction was first released in 1966 Granville Hicks praised it in a lead article for the Saturday Review as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway s analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The New York Times described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later

extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike's *Couples*, *Rabbit Redux* and *The Coup*; William Styron's *The Confessions of Nat Turner* and Sophie's *Choice*; and Saul Bellow's *Mr Sammler's Planet* and Humboldt's *Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists

Judith S **Writers Directory** NA NA,2016-03-05 **Lolita in Peyton Place** Ruth Pirsig Wood,2014-01-14 This book analyzes the differences in content reader expectation and social moral ethical functions of the three types of novels in America of the 1950s It challenges the notion that highbrow novels Lolita do important cultural work while popular novels contribute to personal and social decay and examines how time periods influence the moral content of novels The book separates popular fiction into lowbrow Peyton Place and middlebrow Man in the Grey Flannel Suit and explains that lowbrow like highbrow evolves from the folklore tradition and contains messages about how to be a good man or good woman and how to find a satisfying niche in the social order Middlebrow on the other hand evolves from myth tradition and relates lessons on what personal adjustments need to be made to succeed in the economic order Middlebrow novels most reflect the time and place of their writing because conditions for economic survival change more than conditions for social survival Arguing that what most distinguishes highbrow from lowbrow is the audience highbrow writers try to separate from the flock lowbrow writers to include This study differs from such well known studies of popular fiction as John Cawelti s and Janice Radway s in looking beyond the surface features of plot character and theme The book also challenges arguments that novels in which marriage is women s highest triumph and aggressive heroism men s reinforce limiting cultural paradigms
