Radioisotopes Radiation:

The Effects of Radiation and Radioisotopes on the Life Processes Charles M. Pierce, U.S. Atomic Energy Commission, 1963 **Isotopes and Radiation Technology**, 1969 **Radiotherapy in Practice - Radioisotope Therapy** Peter J Hoskin, 2007-02-08 Radioisotope therapy is an internal form of radiation administered through liquid or injection that treats cancer with minimal damage to the normal surrounding tissue This book is a practical guide to radioisotope therapy taking the reader through the basic principles and then developing this by application to specific sites and diseases *Life Atomic* Angela N. H. Creager, 2024-05-31 After World War II the US Atomic Energy Commission AEC began mass producing radioisotopes sending out nearly 64 000 shipments of radioactive materials to scientists and physicians by 1955 Even as the atomic bomb became the focus of Cold War anxiety radioisotopes represented the government's efforts to harness the power of the atom for peace advancing medicine domestic energy and foreign relations In *Life Atomic* Angela N H Creager tells the story of how these radioisotopes which were simultaneously scientific tools and political icons transformed biomedicine and ecology Government produced radioisotopes provided physicians with new tools for diagnosis and therapy specifically cancer therapy and enabled biologists to trace molecular transformations Yet the government's attempt to present radioisotopes as marvelous dividends of the atomic age was undercut in the 1950s by the fallout debates as scientists and citizens recognized the hazards of low level radiation Creager reveals that growing consciousness of the danger of radioactivity did not reduce the demand for radioisotopes at hospitals and laboratories but it did change their popular representation from a therapeutic agent to an environmental poison She then demonstrates how by the late twentieth century public fear of radioactivity overshadowed any appreciation of the positive consequences of the AEC's provision of radioisotopes for research and medicine **Nuclear Science Abstracts**, 1975 *Radioactive Waste Processing and Disposal* U.S. Nuclear Regulatory Commission, U.S. Nuclear Regulatory Commission. Office of Nuclear Material Safety and Safeguards. Division of Waste Management and Environmental Protection, 1980 **ERDA Energy Research Abstracts** United States. Energy Research and Development Administration, 1977 Radioactive Waste Processing and Disposal United States. Energy Research and Development Administration. Technical Information Center, 1975 Nuclear Medicine United States. Department of Energy. Technical Information Center, 1980 *ERDA Energy Research Abstracts* United States. Energy Research and Development Administration. Technical Information Center, 1976 **MEDLARS Indexing Manual**, 1977 *Inventory of Federal Energy-related Environment and Safety Research for FY 1978*, 1979 **Toxicity Bibliography**, 1974 Dacie and Lewis Practical Haematology E-Book Barbara J. Bain, Imelda Bates, Mike A. Laffan, 2016-08-11 For more than 65 years this best selling text by Drs Barbara J Bain Imelda Bates and Mike A Laffan has been the worldwide standard in laboratory haematology The 12th Edition of Dacie and Lewis Practical Haematology continues the tradition of excellence with thorough coverage of all of the techniques used in the investigation of patients with blood disorders including the latest technologies

as well as traditional manual methods of measurement You ll find expert discussions of the principles of each test possible causes of error and the interpretation and clinical significance of the findings A unique section on haematology in under resourced laboratories Ideal as a laboratory reference or as a comprehensive exam study tool diagnosis molecular testing blood transfusion and much more Complete coverage of the latest advances in the field An expanded section on coagulation now covers testing for new anticoagulants and includes clinical applications of the tests
